The Guidebook For The Study Of Psychical Research:

The Guidebook for the Study of Psychical Research Robert H. Ashby,1972 *The Guidebook for the Study of Psychical Research* Robert H. Ashby,1972 *The Guidebook for the Study of Psychical Research* ,1972 **Essays in Psychical Research** William James,1986 The more than 50 articles essays and reviews collected here for the first time were published by James over a span of some 25 years The record of a sustained interest in phenomena of a highly controversial nature they make it amply clear that James's work in psychical research was not an eccentric hobby but a serious and sympathetic concern **The Encyclopedia of Parapsychology** Courtney M. Block,2022-09-14 Superbly organized and researched this book by Block provides a comprehensive presentation about parapsychology Library Journal Starred Review The Encyclopedia of Parapsychology covers the history of parapsychology key international figures and a decade by decade annotated bibliography of research It includes find information on early psychical researchers from around the globe and how the work of those psychical researchers inspired the creation of the modern field of parapsychology Alongside biographical entries about key figures are sketches of those at the center of psychical inquiry like mediums and others who seemingly have the ability to manifest strange phenomena The Encyclopedia covers the Spiritualism era which influenced early psychical inquiry and how it influenced psychical thought around the globe More contemporary coverage includes biographical entries for current international researchers who continue to investigate the depths of psi phenomena In order to provide comprehensive coverage of historical and modern research into psi phenomena the Encyclopedia features a decade by decade bibliography of resources that highlight the shifting theories and experiments of the field starting from the 1870s and going through the 2020s This section includes a wide variety of research into topics such as psychokinesis hauntings poltergeists also known as recurrent spontaneous psychokinesis near death experiences extrasensory perception remote viewing and much more Appendices provide information on international parapsychological research organizations and a quick start research guide With information on key figures and research on an international scale The Encyclopedia of Parapsychology provides an approachable yet comprehensive compendium of information **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1973 First multi year cumulation covers six years 1965 70 *Psychic Exploration: A Challenge for Science* Edgar D. Mitchell,2011-07-01 *Psychic Exploration A Challenge for Science* is a primer on psychic research life's purpose and the meaning of the universe Originally published in 1974 this landmark anthology of nearly thirty chapters on every area of psychic research is finally available again Edgar D Mitchell Apollo 14 astronaut and moonwalker as well as a distinguished researcher of the study of human consciousness brought together eminent scientists to write about issues once considered too controversial to discuss This book includes fascinating chapters on the history of parapsychology telepathy hauntings psychic phenomena and consciousness along with an extensive glossary and index This timeless anthology continues to be appealing as a reference work for those curious about the history of

parapsychology fans of the world of psi and readers interested in the meaning of the universe Contributors include Willis W Harman Jean Houston Stanley Krippner Robert Masters William G Roll Russell Targ Charles T Tart Montague Ullman and many more perhaps the most important change since the initial publication of *Psychic Exploration* has been due to advancements in quantum physics If this trend continues then the age old puzzle at the core of religious epiphanies mystical insight and creative genius will finally yield to scientific explanations What is the true nature of consciousness From the New Foreword by Marilyn Schlitz PhD and Dean Radin PhD *Journal of the Society for Psychical Research* Society for Psychical Research (Great Britain),1982 *The Parapsychology Revolution* Robert M. Schoch, Logan Yonavjak, 2008-01-31 Grounded in both scientific acumen and constructive inquiry this anthology shines a rare clarifying light on the controversial realms of psychical and paranormal research surveying reports essays and arguments from more than a century of investigation into matters such as clairvoyance telepathy and past life regression In the past one hundred and twenty five years despite a relative paucity of funding and the troubling persistence of fraud serious inquiry into the paranormal particularly as it relates to clairvoyance and psychical perception has successfully entered the scientific age Studies in the modern laboratory employing rigorous methodology and peer reviewed oversight have conclusively detected statistical anomalies that suggest the presence of some not yet understood faculty of the human mind In *The Parapsychology Revolution* Robert M Schoch Ph D a scholar widely known for his geological theories that question the conventional dating of the Great Sphinx and researcher Logan Yonavjak introduce and anthologize core writings that underscore the range and continuing challenges of psychical research The book s extensive introduction and the editors commentary on individual essays and sections highlight milestones feuds and key players that mark the nascent history of this fascinating and important field of research Finally *The Parapsychology Revolution* addresses and clarifies the all important question Is there legitimate evidence for a world beyond the ordinary **Everybody's Guide to Natural ESP** Ingo Swann, 2018-09-02 In this milestone book Ingo Swann guides the reader through revolutionary techniques he developed and tested in thousands of experiments with startling results for tapping ESP potential His exciting new concepts of mind mound mind manifestation and the ESP core help readers demystify ESP and link this important inner reality to what is already known about dreams memory quantum physics and human creativity Swann shows how to become more receptive to the deeper self and make contact with the hidden reality in which ESP operates
