The Missing Bible:

The Missing Books of the Bible (Volume 1) Media Solution Service,2004-06 The figures of Susanna Judith and Judah Maccabee were all prominent features in European art but their stories are missing from present day Bibles In this volume you ll learn the fascinating history of the missing books of the Bible and be able to read them in their entirety **The Missing Books of the Bible** ,1996 The Missing Link Magazine, Or, Bible Work at Home and Abroad , The Lost Bible J. R. Porter,2010 This is an eye opening introduction to the wealth of sacred Jewish and Christian writings that were not included in the Bible The writings claim to be the very words of famous kings prophets and patriarchs The Lost Apocrypha of the Old Testament Montague Rhodes James,2007-03-01 **Where Are the Missing People?** Jimmy Evans,Julie Evans Albracht,2022-01-18 In this unique practical book written to be read by those remaining on earth after the Rapture Jimmy Evans reveals the truth of the Bible about the end times With compassion and deep insight into the prophecies of Scripture he explains the disappearance of millions of believers around the world and gives future readers a glimpse into the events of the Tribulation From the rise of the Antichrist to the ultimate redemption provided by Jesus this hopeful book is a must read for anyone navigating the future Buy it for family members or friends Leave it on your desk or coffee table Put it in a place where a future reader can find it The truths in this book will literally transform their lives And it may be necessary sooner than you think **The Lost Books of the Bible** Frank Crane,2011-05 YOU will find between these covers all the ecclesiastical writings of early Christian authorities that are known to exist and yet were omitted from the authorized New Testament They are published here as a matter of record Whether they are canonical or not at least these writings are of very great antiquity Origins are noted in paragraphs at the front of each book This will enable the reader to form his own conclusions as to the genuineness of the writings These writings are a vivid picture of the minds of men in the post Apostolic period of the Church Discount the statements from the historical viewpoint as you will there remains in these gospels and epistles an earnestness of purpose and zeal to express a message similar to that of our authorized Bible An interesting question naturally arises as to why these writings were cast out in the selection of the material that has come down to us in the authorized version The compilation of the Bible was not an act of any definite occurrence It was a matter complicated and abstruse It was an evolution at the hands of Churchmen of various beliefs and purposes In the formulation of early church doctrines there was dissension personal jealousy intolerance persecution bigotry That out of this welter should have arisen the Bible with its fine inspiration would seem to present a plausible basis for belief in its Divine origin But who can deny that under such vicious and human circumstances much writing of as pure purpose and as profound sincerity as other that is included in the authorized Bible must have been omitted The story of the first council of Nice when Arius was commanded by the Bishop of Alexandria to quit his beliefs or be declared a heretic and his writings were ordered destroyed is eloquent of many things that happened Good men were engaged on both sides of the ecclesiastical

Bible, V. II. ,1996 *MISSING PIECES of the BIBLE: Lost Books Fill-in the Blanks the Updated Version* D. M.

Wessel,2010-08-20 The lost books clarify ancient mysteries that the Bible only mentions in part For example there is a lot of interest in the mark of the beast but most people do not know there are actually two marks mentioned in the Bible and God has a mark of His own Have you ever wondered why God would create man on the earth that seemed like a veritable garden and then move Adam to another garden Who is the mysterious man that Ezekiel wrote about that has a writer s inkhorn by his side Did you know there is evidence to suggest that Jesus and his forefathers had red hair A hidden ladder exists on the earth that reaches into the supernatural realm of God and the Bible tells its location Furthermore are stories of people who were taken to heaven in some kind of strange whirling chariot These and many more Bible mysteries are clarified with the help of the lost books *The Lost Bible* Joshua Roy Porter,2017 **The Lost Books of the Bible and The Forgotten Books of Eden** Rutherford H Platt, Jr,2021-07-06 The Lost Books of the Bible is a collection of 17th and 18th century English translations of Apocryphal biblical texts by William Wake and Jeremiah Jones which was first gathered together by William Hone and published collectively in 1820 Supposedly these texts were excised from the official biblical canon over the first few centuries of Christianity Included in this collection are various accounts of Jesus his birth and infant life and epistles of various disciples and other biblical figures The Lost Books of Bible is an essential work for students of biblical history which provides depth and historical context for many of the events regarding Jesus life depicted in the New Testament Also included in this volume is The Forgotten Books of Eden which includes additional Apocryphal texts regarding Adam and Eve as well as biblical works attributed to Enoch Solomon and others If and for what reason these texts were stricken from the official canon by the fathers of the church is not known however contemporary source material does reliably date many of these texts to at least the 2nd century AD if not earlier thus giving them a provenance that can at the very least assert these documents as important in the development of the biblical canon This edition is printed on premium acid free paper and follows the 1926 editions edited by Rutherford H Platt Jr **The Missing Links** Morton W. Spencer,1901
