Sixty Nine Ways To Start A Study Group And Keep It Growing:

Sixty Nine Ways to Start a Study Group and Keep It Growing Larry Richards, Lawrence O. Richards, 1980 69 [Sixty Nine] Ways to Start a Study Group and Keep it Growing.... Lawrence O.. Richards, 1974 Making Disciples Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community **Getting the Church On Target** Lloyd Perry, 1981-05-26 Tools and advice for assessing your church These are dangerous days for the organized church It is time to be alert to what is taking place and make some changes So writes Lloyd Perry in his introduction to *Getting the Church on Target* Dr Perry then goes on to outline ways the local church can be revitalized His concerns are reflected in chapter titles such as Having God s Man in God s Place for Ministry Clarifying Purposes Goals and Objectives Systematizing Church Management Training for Leadership Mobilizing the Laity Managing Conflict Creatively Establishing Small Groups for Ministry Expanding the Outreach of the Church Updating Our Worship The final chapter includes five sample self evaluation surveys to help a church assess its problems and progress **Church Educational Ministries**, 1992 *Church Educational Ministries More Than Sunday School* provides a panorama of the educational ministries of the local church It presents the uniqueness strength and structure of each aspect of a church s educational ministry and is an excellent resource for those wanting an overview of Christian education in the local church Schools or churches offering an introductory course in Christian education will find this a helpful text This course is part of the Association s Church Ministries Certificate Program An Instructional Resource Package IRP is available for those wishing to teach this course These materials include a copy of the text instructor s guide with reproducible handouts overhead transparency masters and a Learning Resources Cassette Tape The Instructional Resource Package is available at Christian bookstores or direct from

The Omega-3 Connection Dr Andrew L. Stoll,2012-12-11 THE OMEGA 3 CONNECTION is a persuasive title on why our ancestors relied so much on omega 3 oils found in oily fish flaxseed game human breast milk and walnuts for their brain development and general health We eat far far less omega 3 s than our ancestors did and here Andrew L Stoll M D argues that most of us have been deficient in these essential oils from babies onwards especially if we weren t breastfed Omega 3 s are vital to overall health of the brain and heart The results are the maladies of our age depression post natal depression an increase in degenerative diseases of the mind like Alzheimers and an increase in heart attacks and strokes Backed up by new research from the Universities of Sheffield and Oxford this is a fantastic pointer to restoring your body and mind s natural balance **Multisensory Human** Kathy L. Callahan,2005-04 An anthropologist connects the recent explosion of interest in intuition regression therapy and near death experiences to our very evolution as a species in this rich interesting read Dr Kathy Callahan explains that we are in the middle of an extremely important stage of our growth as human beings As a species we are reaching new heights in our awareness that we are more than just bodies walking the earth we are immortal souls The transformation is so profound that Dr Callahan proposes a new subspecies Homo sapiens intueri This name refers to our quickly expanding ability to acquire a deeper more personal knowledge Using information from current anthropology the Edgar Cayce material the Bible and many other sources the author traces our creation and development as whole beings and then proposes what is in store for us next as a species American Book Publishing Record ,1987 **Native Wine**

Grapes of Italy Ian D'Agata,2014-05-16 Mountainous terrain volcanic soils innumerable microclimates and an ancient culture of winemaking influenced by Greeks Phoenicians and Romans make Italy the most diverse country in the world of wine This diversity is reflected in the fact that Italy grows the largest number of native wine grapes known amounting to more than a quarter of the world s commercial wine grape types Ian D Agata spent thirteen years interviewing producers walking vineyards studying available research and tasting wines to create this authoritative guide to Italy s native grapes and their wines Writing with great enthusiasm and deep knowledge D Agata discusses more than five hundred different native

Italian grape varieties from Aglianico to Zibibbo D Agata provides details about how wine grapes are identified and classified what clones are available which soils are ideal and what genetic evidence tells us about a variety s parentage He gives historical and anecdotal accounts of each grape variety and describes the characteristics of wines made from the grape A regional list of varieties and a list of the best producers provide additional guidance Comprehensive thoroughly researched and engaging this book is the perfect companion for anyone who wants to know more about the vast enological treasures cultivated in Italy Infertility Counseling Sharon N.
