## **Sitting Still An Encounter With Christian Zen:**

**An Introduction to Christian Spirituality** F. Antonisamy, 2000      Without Buddha I Could Not be a Christian Paul F. Knitter, 2013-01-01 An honest unflinching tale of re finding one's faith from one of the world's most famous theologians Without Buddha I Could Not Be a Christian narrates how esteemed theologian Paul F Knitter overcame a crisis of faith by looking to Buddhism for inspiration From prayer to how Christianity views life after death Knitter argues that a Buddhist standpoint can encourage a more person centred conception of Christianity where individual religious experience comes first and liturgy and tradition second Moving and revolutionary this book will inspire Christians everywhere      *Buddhist Thought and Applied Psychological Research* D.K. Nauriyal, Michael Drummond, Y.B. Lal, 2006-08-21 Written by leading scholars and including a foreword by the Dalai Lama this book explores the interface between Buddhist studies and the uses of Buddhist principles and practices in psychotherapy and consciousness studies The contributors present a compelling collection of articles that illustrate the potential of Buddhist informed social sciences in contemporary society including new insights into the nature of human consciousness The book examines the origins and expressions of Buddhist thought and how it is now being utilized by psychologists and social scientists and also discusses the basic tenets of Buddhism and contemporary Buddhist based empirical research in the psychological sciences Further emphasis is placed on current trends in the areas of clinical and cognitive psychology and on the Mahayana Buddhist understanding of consciousness with reference to certain developments in consciousness studies and physics A welcome addition to the current literature the works in this remarkable volume ably demonstrate how Buddhist principles can be used to develop a deeper understanding of the human condition and behaviours that lead to a balanced and fulfilling life      *"True and Holy"* Leo Lefebure, 2014-04-10 When believers read the sacred texts of other religions through a hermeneutic of hostility the consequences can be deadly Christian history shows that the Bible is no exception In recent decades however many Christian traditions have radically refashioned their approach to other religious traditions and to biblical interpretation This new hermeneutics of generosity seeks to uncover what can be learned from other holy texts and the communities that treasure them and also seeks to find common ground on important issues such as human rights and religious liberty Lefebure offers Christian readings of Jewish Muslim Hindu and Buddhist holy texts that suggest new bases for friendship and understanding Noting the challenges and tensions in the relationship between Christians and these four other religious communities he also examines the specific issues involved in interpreting the Christian Bible in interreligious dialogue He concludes with a reflection on the experience of conversion in light of the theology of Bernard Lonergan and the mimesis theory of Rene Girard      **Like a Child** Rev. Timothy J. Mooney, 2014-05-30 By breaking free from our misperceptions about what it means to be an adult we can reshape our world and become harbingers of grace In our desire to grow up mature become adults we become enamored with who we are supposed to be When we have finally grown up we realize much of who we really are has been left behind or buried under various masks and

roles we play But the knowledge of who we truly are never leaves us To reclaim our selfhood we must grow up again and consciously embrace all that it means to be childlike from Chapter 12 It Takes a Long Time to Become Young By restoring the childlike ways of humility trust awe wonder playfulness and more we can recover a fuller picture of what it means to be human This unique spiritual resource explores what Jesus may have meant when he said Unless you change and become like children you will never enter the kingdom of heaven It addresses our modern misperceptions regarding the nature of maturity and the common coping mechanisms distrust guardedness insecurity judgmental thinking we acquire and feel we require in adulthood Along with the wisdom of ancient and modern spiritual luminaries this book provides over twenty five spiritual practices to help us cultivate the childlike ways of attention self awareness joy and resilience in our inner lives as well as in our relationships with others

**Buddhist and Christian?** Rose Drew, 2013-07-03 This is a detailed exploration of Buddhist Christian dual belonging engaging from both Buddhist and Christian perspectives the questions that arise and drawing on extensive interviews with well known individuals in the vanguard of this important and growing phenomenon The issue is pressing insofar the last century has witnessed a gradual but profound transformation of the West s religious landscape In today s context of diversity people are often influenced by more than one religion Multireligious identities are consequently on the rise At one end of the spectrum are those who identify themselves as fully belonging to more than one tradition One of the most prevalent combinations is Christianity and Buddhism This book addresses central and fundamental questions How is it possible to be authentically Buddhist and authentically Christian when for example God is central to Christianity yet absent from Buddhism when Christians have faith in Jesus Christ while Buddhists take refuge in the Buddha when Christians hope for heaven and Buddhists hope for nirvana and when Buddhists and Christians engage in different practices Are those who identify themselves as belonging to both traditions profoundly irrational religiously schizophrenic or perhaps just spiritually superficial Or is it possible somehow to reconcile the thought and practice of Buddhism and Christianity in such a way that one can be deeply committed to both And if it is possible will the influence of Buddhist Christians on each of these traditions be something to be regretted or celebrated
