Introduction to Learning and Behavior Russell A. Powell,Diane G. Symbaluk,Suzanne E. MacDonald,2001 Designed to apply learning theory and principles to the presentation of learning this text shows how learning principles work in both animals and people On nearly every page of the book the authors show how the study of learning helps solve practical problems such as learning to improve study skills conquer weight problems improve relationships raise children and effectively stop smoking This basic book is both solidly based in research and engaging for the student Behavior Modification Raymond G. Miltenberger,2004 BEHAVIOR MODIFICATION PRINCIPLES AND PRACTICE THIRD EDITION helps students master the principles and concepts of behavior modification before they move on to the procedures The author uses a precise step by step scientific approach to explain human behavior using numerous case studies and interesting examples to help illustrate the key principles Each concept is presented explained and clarified by discussing pertinent research and is then brought into focus with examples showing how each behavioral principle can be applied to everyday life This approach gives students a chance to understand WHY they might use a particular procedure before they

actually use it Current scholarship engaging authorship ample graphs and illustrations and a clear organization make Miltenberger s text very accessible even for students with no background in psychology Professors and students find the Applications and Misapplications of Behavioral Principles especially helpful as these end of chapter features give readers a feel for the concepts they ve just explored *Learning* David A. Lieberman,2000 This text shows how learning principles revealed in animal research can be applied to human behaviour Lieberman also reveals the relationship of learning to cognitive processes such as memory and thinking **Bundle** Tom Alloway,Greg Wilson,Jeff Graham,Paul Chance,2014
