Snow Globe Sheila Roberts, 2010-10-26 Discover an unforgettable holiday treasure in Sheila Roberts heartwarming tale of love and laughter magic and miracles friendship and coming home On a blustery afternoon Kylie Gray wanders into an antique shop and buys an enchanting snow globe There s a story behind that snow globe the antique dealer tells her The original owner he explains was a German toymaker who lost his wife and son right before Christmas When the grieving widower received the handcrafted snow globe as a Christmas gift he saw the image of a beautiful woman beneath the glass a woman who would come into his life mend his broken heart and bring him back to the world of the living For years the snow globe has passed from generation to generation somehow always landing in the hands of a person in special need of a Christmas miracle Kiley could use a miracle herself This year all she wants for Christmas is someone to love A hopeful shake leads her on an adventure that makes a believer out of her When Kylie shares the story of the snow globe with her best friends two women with problems of their own they don t believe it But they re about to discover that at Christmastime sometimes the impossible becomes possible and miracles really do come true

From Dissertation to Book William Germano, 2022-12-22 How to transform a thesis into a publishable work that can engage audiences beyond the academic committee When a dissertation crosses my desk I usually want to grab it by its metaphorical lapels and give it a good shake You know something I would say if it could hear me Now tell it to us in language we can understand Since its publication in 2005 From Dissertation to Book has helped thousands of young academic authors get their books beyond the thesis committee and into the hands of interested publishers and general readers Now revised and updated to reflect the evolution of scholarly publishing this edition includes a new chapter arguing that the future of academic writing is in the hands of young scholars who must create work that meets the broader expectations of readers rather than the narrow requirements of academic committees At the heart of From Dissertation to Book is the idea that revising the dissertation is fundamentally a process of shifting its focus from the concerns of a narrow audience a committee or advisors to those of a broader scholarly audience that wants writing to be both informative and engaging William Germano offers clear guidance on how to do this with advice on such topics as rethinking the table of contents taming runaway footnotes shaping chapter length and confronting the limitations of jargon alongside helpful timetables for light or heavy revision Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy whether reading on a page or a screen He also acknowledges that not all dissertations can or even should become books and explores other often overlooked options such as turning them into journal articles or chapters in an edited work With clear directions engaging examples and an eye for the idiosyncrasies of academic writing he reveals to recent PhDs the secrets of careful and thoughtful revision a skill that will be truly invaluable as they add author to their curriculum vitae

The Wisdom of Pixar Robert Velarde,2010-07-03 Kids and adults alike love Pixar s movies We come out of the theater not just entertained or amused but inspired Everybody agrees Pixar makes fun clean terrific movies But what makes these movies so appealing is not merely amazing CGI animation clever humor or fantastic imagination These movies are not just great Pixar s movies are good Robert Velarde unpacks the movies of Pixar and shows how they display the best of classic Christian virtues Pixar s films resonate with us because of their moral character Their virtuous themes of hope and courage friendship and love connect with our deepest human longings Whether we identify with the plight of a lost fish or the adventures of toys bugs or cars Pixar s characters help us build our own character with the kind of virtue that we want for ourselves and those around us Insightfully exploring each of Pixar s movies this book is a friendly companion for fans parents and church leaders Discover how the imagination of Pixar can awaken in you a Christian vision for a moral life and a better society John Lasseter Richard Neupert,2016-05-15 Celebrated as Pixar s Chief Creative Officer John Lasseter is a revolutionary figure in animation history and one of today s most important filmmakers Lasseter films from Luxo Jr to Toy Story and Cars 2 highlighted his gift for creating emotionally engaging characters At the same time they helped launch computer animation as a viable commercial medium and serve as blueprints for the genre s still expanding commercial and artistic development Richard Neupert explores Lasseter s signature aesthetic and storytelling strategies and details how he became the architect of Pixar s studio style Neupert contends that Lasseter s accomplishments emerged from a unique blend of technical skill and artistic vision as well as a passion for working with collaborators In addition Neupert traces the director s career arc from the time Lasseter joined Pixar in 1984 As Neupert shows Lasseter s ability to keep a foot in both animation and CGI allowed him to thrive in an unconventional corporate culture that valued creative interaction between colleagues The ideas that emerged built an animation studio that updated and refined classical Hollywood storytelling practices and changed commercial animation forever **Snowflake Freezes Up** Joan Holub,Suzanne Williams,2016-04-26 A fairy tale

character who doesn't know her identity must figure out what story she comes from before she can make friends at her new school. Snowflake isn't sure which fairy tale character she is. But with her magical powers causing lots of trouble, she's definitely on thin ice. So just in case she might be a villain, Snowflake is chilly to her classmates. Can she keep her cool until she knows her whole story or will her social life at Grimm Academy be permanently frozen?

Snow All Over the Globe Shelley Harwayne, 2023-10-13 Young and old alike find snow globes irresistible. It's so tempting to hold these glass domes in your hands to shake them gently or turn them upside down. They call to mind winter wonderland scenes, favorite childhood toys, and most of all, the places we have visited around the world. In *Snow All Over the Globe*, Shelley Harwayne and her grandson Ben Harwayne pay tribute to these treasured collectibles. By sharing the history and science connected to snow globes, they have enriched the role snow globes play in our lives. Readers will discover what snow globe makers have done to prevent the water in the globe from freezing, how they experimented with different materials to make realistic fake snowflakes, and how they managed to make those snowflakes fall slowly. Additionally, readers will learn about the very first snow globe and the changes in the production of snow globes over the years. Along the way, readers will delight in learning which presidents collected snow globes, when snow globes have popped up in movies and television shows, and some of the more surprising uses of snow globes. Salt and pepper shakers, pencil sharpeners, and music boxes are among the many novelty snow globes that have been manufactured. Whether you own dozens of snow globes, just a few, or even long to purchase your very first one, this book will make you proud to be an admirer of snow globes.

First Love Rio Shimamoto, 2024-11-08 Upon being arrested for the gruesome murder of her father, college student Kanna Hijiriyama tells the police, "It's up to you to find the motive." Amidst the media frenzy about the woman too beautiful to be a killer, clinical psychologist Yuki Makabe is asked by Kanna's lawyer to counsel the young woman as her trial approaches. Yuki slowly uncovers the dark history behind the relationships in Kanna's life with her father, her mother, and her first love, and discovers shocking inconsistencies in Kanna's defense. Winner of the prestigious Naoki Prize and a Japanese bestseller, *First Love* is part psychological drama, part legal thriller.
