So You Want To Teach Eh:

So You Want to Teach, Eh? A. Artson Shirley a. Artson, Shirley A. Artson, 2010-03 Teaching is not for wimps Prospective teachers must be intellectually physically mentally and emotionally strong to be effective in the classroom and to survive in the profession In So You Want to Teach Eh author and retired teacher Shirley Artson presents an honest perception of teaching Based on her personal experiences teaching in the Baltimore City Public Schools for twenty four years and in private schools Artson shares not only her early fears and doubts but also her successes and joys So You Want to Teach Eh discusses the barriers she faced as a new teacher and provides an account of how she hurdled the many problems she faced So You Want to Teach Eh helps those who are considering teaching as a profession to make an intelligent decision It also encourages those who are currently teaching to know they are not alone in their struggle Not intended to discourage interest in the profession Artson candidly shares her experiences to enlighten prospective educators and to prevent them from becoming frustrated and overwhelmed Her personal story communicates how new teachers can acquire strength of will and character skill and knowledge by fervently challenging the many obstacles they encounter So You Want to Teach, Eh? Barbara Ward, Phil Ward, 2003-09-01 **So You Want to be a Teacher?** Fred Sedgwick, 2008-06-24 If you are interested in a career in teaching but not sure where to start this book is the perfect guide Written for anybody considering taking an initial teacher training course this down to earth book is a straightforward and very helpful manual which will take you through all the stages of choosing a course preparing for training and completing the course itself It is a comprehensive and supportive guide to help you decide whether teaching is the career for you and to what you can expect in the job Chapters include What is a teacher The good news about teaching working with children Routes to qualified teacher status and how to choose the right one for you Help with study skills including essay writing organisation and record keeping How to survive your teaching placements Developing your professionalism Coping with the bad news teacher workload bureaucracy and stress How to get your first job Written in an engaging and humorous but above all supportive style the book is essential pre course reading for prospective student teachers *Broken English* Geraldine Sherman, 1996 This black comedy is set in post war London where Jewish refugees Karl and Trude have finally scraped together enough money to bring their teenage daughter Ruth home from the orphanage where she has been raised as a British school girl Tension between the family members is heightened by a neighbor retired Latin teacher Miss Singer who befriends Ruth Publisher's website The Living Age, 1921 *Harper's Young People*, 1888 **EFL Communication Strategies in Second Life** Susan Gowans, 2012 This book is based on a research project carried out at Edinburgh University and reports the findings of an exploratory case study examining communication strategy use between three adult EFL learners from diverse cultural backgrounds and their teacher whilst incorporating voice and text chat during meaning focused conversation tasks in Second Life The analysis of the session transcript revealed that participants employed many of the communication strategies

concomitant with face to face interactions for effective conversation management The data also revealed that the participants adapted their communication strategies to suit the Second Life platform thus overcoming conversational ambiguities arising from the absence of paralinguistic signals In addition discourse analysis of the transcript offered further insight into power relations politeness and risk taking and provided signs of sociocultural learning and language development in line with second language acquisition SLA theory Finally the paper concludes that the modalities provided by the Second Life platform offer learners an alternative for communication and showing presence during discussion It also concludes that teacher facilitation and continued support is important to engage learners in the virtual environment to mediate the acclimatisation of the new surroundings and encourage them to take risks thus taking control of their learning and autonomous practice It evaluates the potential of using Second Life for language teaching and learning and provides a direction for future research
