Health Inequalities Katherine E. Smith, Clare Bambra, Sarah E. Hill, 2015-11-26 Informed by a wealth of available research between 1997 and 2010 the UK Labour government introduced a raft of policies to reduce health inequalities Despite this by most measures the UK's health inequalities have continued to widen This failure has prompted calls for new approaches to health inequalities research and some consensus that public health researchers ought to be more actively involved in public health advocacy Yet there is currently no agreement as to what these new research agendas should be and despite multiple commentaries reflecting on recent UK efforts to reduce health inequalities there has so far been little attempt to map future directions for research or to examine what more

egalitarian policies means in practical terms Health Inequalities Critical Perspectives addresses these concerns It takes stock of the UK's experiences of health inequalities research and policy to date reflecting on the lessons that have been learnt from these experiences both within the UK and internationally The book identifies emergent research and policy topics exploring the perspectives of actors working in a range of professional settings on these agendas Finally the book considers potential ways of improving the links between health inequalities research policy and practice including via advocacy With contributions from established international health inequalities experts and newer up and coming researchers in the field as well as individuals working on health inequalities in policy practice and civil society settings Health Inequalities Critical Perspectives is a must buy for researchers postgraduate students policymakers practitioners and research funders

Handbook of the Sociology of Mental Health Carol S. Aneshensel, Jo C. Phelan, Alex Bierman, 2012-07-16 This second edition of the Handbook of the Sociology of Mental Health features theory driven reviews of recent research with a comprehensive approach to the investigation of the ways in which society shapes the mental health of its members and the lives of those who have been diagnosed as having a mental illness The award winning Handbook is distinctive in its focus on how the organization and functioning of society influences the occurrence of mental disorder and its consequences A core issue that runs throughout the text concerns the differential distribution of mental illness across various social strata defined by status characteristics such as gender race ethnicity socioeconomic status and age The contributions to this volume shed light on the social cultural and economic factors that explain why some social groups have an elevated risk of disorder They also address the social repercussions of mental disorder for individuals including stigmatization within the larger society and for their families and social networks The second edition of this seminal volume includes substantial updates to previous chapters as well as seven new chapters on The Individual's Experience of Mental Illness The Medicalization of Mental Illness Age Aging and Mental Health Religion and Mental Health Neighborhoods and Mental Health Mental Health and the Law and Public Beliefs about Mental Illness

The British Business Elite John Fidler, 2024-11-01 First published in 1981 The British Business Elite is a study of the attitudes to class status and power of top businessmen in Great Britain based upon first hand interviews with chairmen chief executives and other directors of Britain's largest industrial banking and insurance companies men of genuine wealth and power Dr Fidler produces important empirical data in a field of study which has been plagued with problems of access a field in which much of the theory has been based on assumptions The book includes a careful examination of the background and career of those interviewed a discussion of the way in which businessmen see the objectives of their companies particularly relevant to the long standing debate over the ownership and control of corporations their views of class and status and of the power of businessmen in Britain Finally Dr Fidler considers the implications of the research for future theory and investigation

The British working class in postwar film Philip Gillett, 2019-01-04 An incidental pleasure of watching a film is what it tells us about the society in which it is made Using a

sociological model The British working class in postwar film looks at how working class people were portrayed in British feature films in the decade after the Second World War Though some of the films examined are well known others have been forgotten and deserve reassessment Original statistical data is used to assess the popularity of the films with audiences With its interdisciplinary approach and the avoidance of jargon this book seeks to broaden the approach to film studies Students of media and cultural studies are introduced to the skills of other disciplines while sociologists and historians are encouraged to consider the value of film evidence in their own fields This work should appeal to all readers interested in social history and in how cinema and society works

Models of Secondary Education and Social Inequality Hans-Peter Blossfeld, Sandra Buchholz, Jan Skopek, Moris Triventi, 2016-11-25 From an international comparative perspective this third book in the prestigious eduLIFE Lifelong Learning series provides a thorough investigation into how social inequalities arise during individuals secondary schooling careers Paying particular attention to the role of social origin and prior performance it focuses on tracking and differentiation in secondary schooling examining the short and long term effects on inequality of opportunities It looks at ways in which differentiation in secondary education might produce and reproduce social inequalities in educational opportunities and educational attainment The international perspective allows illuminating comparison in light of the different models rules and procedures that regulate admission selection and learning in different countries
