Taxing and Spending, Alabama's Budget in Transition Joseph C. Pilegge,1978 **Policy and Politics in State Budgeting** Kurt M. Thurmaier,Katherine G. Willoughby,2014-12-18 States are the key to contemporary government reform efforts in the United States but we know very little about their relative effectiveness at resource allocation and their actual capacity to absorb additional fiscal and managerial responsibilities This path breaking study examines state budget offices as institutional actors with special attentio to the role of budget examiners Drawing on empirical findings from field studies of eleven states in the American heartland the authors demonstrate how budgeting at the state level has become more policy oriented requiring complex decision making by budget analysts The incrementalist model of budgetary decision making thus gives way to a multiple rationalities model The authors illustrate the decision making model with the story of two office examiners who have distinctly different orientations as they begin their work and contrast the different decision nationalities that come into play for them at different points in a typical budget cycle The book includes a comprehensive bibliography of historical and modern writings on state budgeting operations activities and decision making state budgeting cycles and the state level policy development process *Case studies* Institute of Medicine (U.S.),1982 **Budgeting in the States** Edward J. Clynch,Thomas P. Lauth,2006-09-30 Budgeting is a central activity in state government and annual or biennial appropriations are the most important recurring decisions made by state legislatures Gubernatorial recommendations reflect state agency program needs and portray the policy priorities of the chief executive Legislative appropriations determine which agency programs gubernatorial policy initiatives and legislative constituencies receive financial support Budget execution decisions by state agencies determine how the policy decisions of the governor and legislature are actually implemented In short state budgeting determines how much money will be available for state spending which policies will be initiated and implemented and whose social and political values will prevail in state governance **The Publishers' Trade List Annual** ,1982 **Legislative Research Checklist** Council of State Governments,1976 Health Services Integration Institute of Medicine (U.S.),1982 **Publications of the Faculty and Staff ...** University of Alabama,1977 **Program** **Budgeting** Mary A. Vance,1984 Recent Publications on Governmental Problems ,1979
