Leeson, 2009 Accompanied by DVD videodisc entitled The 2006-08 throne and budget debates between NDP leader Lorne Calvert and Saskatchewan Party leader Brad Wall in jewel case **Redistributing Health** Thomas Allan McIntosh, Bonnie Jeffery, Nazeem Muhajarine, 2010 What too few people realize is that as Andre Picard writes in his Foreword to Redistributing Health social justice or lack thereof has a greater impact on the health of the population than the human genome lifestyle choice and medical treatment The truth is that things like poverty social exclusion lack of meaningful employment and lack of access to education or good housing contribute significantly to ill health in Canada and none of these will be remedied by doctors or hospitals or pill

bottles **American Book Publishing Record** ,2005 **Saskatchewan** John W. Warnock,2004 Isolation is part of the psyche of this sparsely populated prairie province and this abundance of great open space has uniquely shaped the people their politics their economy and their relationship with the rest of North America P Using the broad interdisciplinary social science approach of political economy analysis Warnock traces Saskatchewan s past in an attempt to understand the present and glimpse some of its future Along the way he tells the story of Saskatchewan from inception to centennial John Warnock author of *The Other Mexico* received his Ph D from the American University Washington D C School of International Service After working for the U S State Department he taught political economy at both American and Canadian universities most recently at the University of Regina *Taxing Illusions* Phillip Hansen,2003 Countering recent interest in promoting tax cuts in Canada this study examines how taxation helps define the nature of a political community and the values of a political culture By comparing two Saskatchewan tax reports from the early 1960s and the late 1990s this treatise demonstrates how assumptions about taxation policy reflect and shape conceptions of democracy and citizenship and contends that tax cuts promote an individual centered rather than a society based policy that affirms community values **America, History and Life** ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Canadian Books in Print.
