

The book cover features a dark, intricate background of what appears to be a metal sculpture or wrought iron. A large, detailed rose in a golden-brown patina is the central focus on the left. To the right, a dark, leafless branch with several buds hangs down. The background is softly blurred, showing hints of a room with warm lighting and possibly a window with blue-tinted glass.

*The Snares of Death* Kate Charles, 2015-06-04 Everyone agrees that Bob Dexter the prominent Evangelical clergyman has a great deal of personal charisma Those who know him realise that he also has an unshakable faith in his own righteousness and a real talent for rubbing people up the wrong way It is no surprise therefore that someone should want to kill him In fact when the Reverend Dexter moves to a small Norfolk parish traditionally Anglo Catholic and begins remoulding it in his own image his distraught parishioners are not the only ones with good reason to want to remove him And there are secrets in his seemingly tranquil family life that Dexter does not even begin to suspect until the fateful and eventful day of his death Solicitor David Middleton Brown and his artist friend Lucy Kingsley step in to investigate Their search for the truth culminates at the annual National Pilgrimage to Walsingham where Anglo Catholic pomp clashes with heated Evangelical protest and feelings run perilously high Too late perhaps David realises the danger will he be in time to prevent a second murder
