Froman,Shelly Brown,2009 According to Florida Law students must pass the Grade 10 FCAT among other academic
requirements in order to receive a standard high school diploma Specifically students must achieve a passing score of 300 or
above on both the FCAT SSS Reading and the FCAT SSS Mathematics tests Technically students can retake the FCAT as
many times as they want until they pass it and can even enroll for a free 13th year of public education should they need
additional instruction to successfully pass the FCAT At the time of this study students had up to seven standard opportunities
to pass the Grade 10 FCAT prior to graduation Students who did not pass the FCAT in the spring of their sophomore year
could retest in the fall spring and summer of their junior and senior years The purpose of this study is to report the results of
tracking the FCAT retake occurrences and outcomes for one grade level cohort group as they advance through their M DCPS
careers Although summaries of the test results for any retake occasion across all current test takers have been available on a
yearly basis this is the first cumulative tracking for FCAT retake performance
