Taxi To Intrigue:

Taxi to Intrigue Robert Quackenbush,1984 On the seat of a London taxi Miss Mallard the duck detective finds a knitting bag containing secret plans for a new high powered missile *Taxi to Intrigue* Robert Quackenbush,2019-05-14 World famous duck tective Miss Mallard stumbles upon some plans she was never meant to see in this engaging Aladdin QUIX mystery While visiting London Miss Mallard finds secret plans meant for spies What will she do with the super secret information *Taxi to Intrigue* Robert Quackenbush,1991-02-01 On the seat of a London taxi Miss Mallard the duck detective finds a knitting bag containing secret plans for a new high powered missile *Kids' Books and Maker Activities* Marge Cox,2022-10-17 This book connects to the new AASL standards ISTE Standards for Students and provides simple directions for using a variety of books to create maker activities that deepen the reading experience Books and maker activities help children to associate reading with hands on learning For educators looking for additional ways to engage youngsters in reading and maker activities this book provides the perfect hands on connection Providing connections to the new AASL standards and the ISTE Standards for Students with simple directions for using a variety of books to create maker activities this book can help elementary teachers and librarians to enhance and deepen the reading experience Featured books represent a variety of genres for kindergarten through sixth grade students and highlights very current titles as well as classics The book is based on actual experiences with students and staff who have enjoyed and benefited from these activities in their elementary school library The author s forty years of educational experience ensure the reliability and practicality of this resource that readers can trust and use every day **Taxi!** Graham Russell Gao Hodges,2020-03-17 Why the cabdriver is the real victim of the false promises of Uber and the gig economy 2007 Noteworthy Book in Industrial Relations and Labor Economics Princeton University Industrial Relations Section Hailed in its first edition as a classic study of New York City s history and people Graham Russell Gao Hodges s *Taxi* is a remarkable evocation of the forgotten history of the taxi driver This deftly woven narrative captures the spirit of New York City cabdrivers and their hardscrabble struggle to capture a piece of the American dream From labor unrest and racial strife to ruthless competition and political machinations Hodges recounts this history through contemporary news accounts Hollywood films and the words of the cabbies themselves A new preface recalls the author s five years of hacking in New York City in the early 1970s and a new concluding chapter explores the rise of app based ridesharing services with the arrival of companies like Uber and Lyft Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy Hodges argues that the explosion of for hire vehicles in Manhattan reversed decades of environmental anti congestion efforts He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies Whether or not you ve ever hailed a cab on Broadway *Taxi* provides a fascinating perspective on New York s most colorful emissaries *New York Cab Driver and His Fare* Charles Vidich,2017-09-29 Using information derived from

research and interviews with cab drivers Vidich has written a basic work on New York City cab drivers hacks that also provides passengers fares with a survival manual Cab drivers are quoted by newspaper columnists politicians and at dinner parties yet a hard look at the profession and its role in the transportation system of the city has been completely lacking Vidich brings out in clear language the conflicts between the cab driver s position as a dispenser of a public service and his needs as a working person subjected to violence and pressure It is difficult to imagine a more enjoyable introduction to an industry whose members are a folk tradition At the same time this book provides insight into the history and sociology of an important urban institution It is a book about cab drivers everywhere and cab drivers and fares in all cities have a new handbook in this volume Race, Philosophy, and Film Mary K. Bloodsworth-Lugo, Dan Flory, 2013-04-12 This collection fills a gap in the current literature in philosophy and film by focusing on the question How would thinking in philosophy and film be transformed if race were formally incorporated moved from its margins to the center The collection s contributors anchor their discussions of race through considerations of specific films and television series which serve as illustrative examples from which the essays theorizations are drawn Inclusive and current in its selection of films and genres the collection incorporates dramas comedies horror and science fiction films among other genres into its discussions as well as recent and popular titles of interest such as Twilight Avatar Machete True Blood and The Matrix and The Help The essays compel readers to think more deeply about the films they have seen and their experiences of these narratives **Kublai Khan** Maria Ribaric Demers, 2006-05 **Collins-Robert French-English, English-French Dictionary** Beryl T.
