- 6 Public health policy

Social Policy In American Society

Donald T. Critchlow, Ellis W. Hawley

Social Policy In American Society:

Social Policy in American Society Robert S. Magill, 1986 **The Oxford Handbook of U.S. Social Policy** Daniel Béland, Christopher Howard, Kimberly J. Morgan, 2015

The American welfare state has long been a source of political contention and academic debate. This Oxford Handbook pulls together much of our current knowledge about the origins, development, functions, and challenges of American social policy. After the Introduction, the first substantive part of the handbook offers an historical overview of U.S. social policy from the colonial era to the present. This is followed by a set of chapters on different theoretical perspectives available for understanding and explaining the development of U.S. social policy. The three following parts of the volume focus on concrete social programs for the elderly, the poor, and near poor, the disabled, and workers and families. Policy areas covered include health care, pensions, food assistance, housing, unemployment benefits, disability benefits, workers' compensation, family support, and programs for soldiers and veterans. The final part of the book focuses on some of the consequences of the U.S. welfare state for poverty, inequality, and citizenship. Many of the chapters comprising this handbook emphasize the disjointed patterns of policy making inherent to U.S. policymaking and the public-private mix of social provision in which the government helps certain groups of citizens directly (e.g., social insurance) or indirectly (e.g., tax expenditures, regulations). The contributing authors are experts from political science, sociology, history, economics, and other social sciences.

Inequality in U.S. Social Policy Bryan Warde, 2016-08-05

In *Inequality in US Social Policy: An Historic Analysis*, Bryan Warde illuminates the pervasive and powerful role that social inequality based on race and ethnicity, gender, immigration status, sexual orientation, class, and disability plays and has historically played in informing social policy. Using critical race theory and other structural oppression theoretical frameworks, this book examines social inequalities as they relate to social welfare, education, housing, employment, health care, and child welfare, immigration, and criminal justice. This book will help social work students better understand the origins of inequalities that their clients face.

Social History and Social Policy David J. Rothman, Stanton Wheeler, 2013-09-03

Social History and Social Policy is a collection of papers that explores the correlation of social history and social policy. Each article in the book is prepared by social historians preoccupied in the study of the origins and structure of health systems, urban planning, schools, and pension programs who seek to change the process of social policy formation. The book is divided into three sections. Part I serves as an introduction and provides the history of social institutions. The second part deals with the history of social problems, discussing public employee pension problems, policies on health care, and a few aspects of the history of criminal justice in the United States. The last part provides the uses of history in the making of social policy. The text will be a valuable source of insight for public administrators, politicians, policy makers, political leaders, and analysts.

Social Policy and Planning for the 21st Century Donald G. Reid, 2016-07-15

The greatest problems facing humanity today are climate change, poverty, and the increasing separation between the rich and poor. The aim of this book is to examine the social constructions that have led to

these breakdowns and provide potential solutions that are based on a fundamental change in the structure of society and the values on which a new and better social system can be built Unless we as a society set a drastically different course soon human life as we know it will suffer greatly perhaps even cease altogether Excess consumption is becoming anti social as the effects of global warming and increasing poverty become apparent What then will form the new social values on which society replaces the present emphasis on work and material consumption that now prevail This book s answer to that question is accomplishment and aesthetic consumption This proposed refocused existence will necessitate a new economic order that provides access to a livelihood beyond the market system This groundbreaking book will appeal to students and scholars of sociology leisure studies political science and social work **Social Policy and Social Change** Jillian

Jimenez,2010 A timely examination of social policy through a social constructivist and economic lens Social Policy and Social Change illuminates the root causes of common social problems and how policy has attempted to ameliorate them In so doing the book focuses on how social policies in the United States can be transformed to promote social justice for all groups The book uniquely offers both an historical analysis of social problems and social policies and an economic analysis of how capitalism and the market economy have contributed to social problems and impacted social policies The book goes beyond the U S borders to examine the impact of globalization in the United States and in the Global South It considers the meaning and impact of the election of Barack Obama as President of the United States and explores the policy solutions his administration has proposed to deal with the economic recession of 2008 2009 The book also discusses social workers as agents of social change and advocates of social and economic justice It examines five key realms Poverty in families and the welfare system poverty among the elderly and social security child maltreatment and child welfare policy health and mental health policy and housing policy Social Policy and Social Change is a primary text for social policy social welfare policy courses in MSW programs and possibly some higher level BSW programs It will be supplemented with a comprehensive ancillary program including a test bank instructor s manual and student website *Social Policy for an Aging Society* Carole

B. Cox,2015-01-16 As people age they are at increased risk of having their basic human rights threatened or violated When age is perceived as incompetence it can easily lead to discrimination that impacts human rights Based on the premise that social policy must reflect human rights principles this graduate level textbook views the challenges associated with aging as opportunities for policy development that stresses the rights of older adults rather than needs The text distinguishes between needs and rights and describes those policies and services that best ensure that the rights of older adults are actually met particularly programs that enable people to remain in their own communities so they can benefit from continued integration and participation in society Issues and challenges surrounding such efforts and gaps in social policies faced by specific subsets of older people are critically examined The book first analyzes current aging policies and rights and considers the Older Americans Act as a basic policy framework With an eye to promoting independence the book discusses issues of

income housing transportation health and home care and what constitutes a livable community along with policies that promote wellbeing and focus on preventing senior abuse and exploitation Challenges faced by older workers are covered as are issues particular to family caregivers older women and grandparents as caregivers Gaps in social policies for LG BT seniors and older members of specific ethnic groups are discussed Particular attention is given to global issues and aging policies in diverse countries and the ways in which they reflect human rights concerns Each chapter concludes with probing discussion questions for classroom use KEY FEATURES Presents a human rights framework for aging policy Distinguishes between needs and rights of older persons Focuses on policies and programs that can help older people to remain in the community Explores the issues and challenges of specific older populations Discusses global responses and concerns with regard to older persons and human rights Carole B Cox MSW PhD is professor at the Graduate School of Social Service Fordham University She is a fellow of the Gerontological Society of America and a Fulbright scholar She is the author of more than 50 journal articles and chapters dealing with various aspects of aging and caregiving with extensive research on caregivers for persons with dementia their needs and their use of services Her recent work includes a study of the impact of dementia on the workplace Her caregiving research also includes that of grandparents raising grandchildren leading to the development of a curriculum Empowering Grandparents Raising Grandchildren A Training Manual for Group Leaders Springer Publishing Company 2000 She is the editor of To Grandmother s House We Go and Stay Perspectives on Custodial Grandparents Springer Publishing Company 2000 Her other books include Home Care for the Elderly An International Perspective coauthored with Abraham Monk 1991 The Frail Elderly Problems Needs and Community Responses 1993 Ethnicity and Social Work Practice coauthored with Paul Ephross 1998 Community Care for an Aging Society Policies and Services Springer Publishing Company 2005 and Dementia and Social Work Practice Springer Publishing Company 2007

The Politics of Social Policy in the United States Margaret Weir, Ann Shola Orloff, Theda Skocpol, 2020-12-08 This volume places the welfare debates of the 1980s in the context of past patterns of U S policy such as the Social Security Act of 1935 the failure of efforts in the 1940s to extend national social benefits and economic planning and the backlashes against big government that followed reforms of the 1960s and early 1970s Historical analysis reveals that certain social policies have flourished in the United States those that have appealed simultaneously to middle class and lower income people while not involving direct bureaucratic interventions into local communities The editors suggest how new family and employment policies devised along these lines might revitalize broad political coalitions and further basic national values The contributors are Edwin Amenta Robert Aponte Mary Jo Bane Kenneth Finegold John Myles Kathryn Neckerman Gary Orfield Ann Shola Orloff Jill Quadagno Theda Skocpol Helene Slessarev Beth Stevens Margaret Weir and William Julius Wilson The Handbook of Social Policy James Midgley, Martin B. Tracy, Michelle Livermore, 2000 Comprises 33 papers grouped under five themes The Nature of social policy The History of social policy Social policy and the social services The Political economy of

social policy and International and future perspectives on social policy *Social Policy in the United States* Theda Skocpol, 1995 Reforming health care revamping the welfare system preserving or cutting Social Security creating employment programs for displaced employees and revising U S social programs to help working parents with children all of these endeavors and more are part of ongoing national debates about the future of social policy in the United States In this wide ranging collection of essays renowned social scientist Theda Skocpol shows how historical understanding centered on U S governmental institutions and shifting political alliances can illuminate the limits and possibilities of American social policymaking both past and present **Social Work and Social Policy** Ira C. Colby, Catherine N. Dulmus, Karen M. Sowers, 2013-01-22 A comprehensive overview of domestic and global social welfare policy Written by a team of renowned social policy experts sharing their unique perspectives on global and U S social welfare policy issues Social Work and Social Policy helps social workers consider key issues that face policymakers elected officials and agency administrators in order to develop policies that are both fair and just Designed as a foundational social welfare policy text this important book meets the Council on Social Work Education's CSWE Educational Policy and Accreditation Standards EPAS Encouraging readers critical thinking on various issues each chapter begins with an overarching question and what if scenarios and ends with a set of suggested key terms online resources and discussion questions Recognizing that policy work requires practitioners to be as fully versed as possible with the issue at hand Social Work and Social Policy thoroughly explores Social welfare policy as a form of social justice The evolution of the American welfare state Human security and the welfare of societies Social policy from a global perspective Challenges for social policies in Asia Welfare reform and the need for social empathy The U S Patriot Act and its implications for the social work profession Human rights and emerging social media Compelling and broad in scope Social Work and Social Policy is an indispensable text for students and a valuable resource for practitioners concerned with creating social policy and governmental action guided by justice for all *Social Policy, Social Ethics, and the Aging Society* Bernice L. Neugarten, Robert James Havighurst, 1976 **Federal Social Policy** Donald T. Critchlow, Ellis W. Hawley, 2010-11-01 **International Encyclopedia of Social Policy** Tony Fitzpatrick, Huck-ju Kwon, Nick Manning, James Midgley, Gillian Pascall, 2013-07-04 Available in paperback for the first time this milestone work offers an in depth treatment of all aspects of the discipline and practice of social policy globally Supported by a distinguished international advisory board the editors have compiled almost 900 000 words across 734 entries written by 284 leading specialists to provide authoritative coverage of concepts policy actors welfare institutions and services along a series of national regional and transnational dimensions Also included are biographical entries on major policy makers and shapers The editors have particularly striven to provide strong coverage of differing geographical and cultural traditions so that the variety of social policy as both an academic discipline and a domain of governance is reflected Contributors draw in and make the necessary connections with social policy's associated disciplines to provide a rich picture of this vast and highly

diverse field Comprehensive and authoritative the Encyclopedia has sought to open up rather than to foreclose the numerous areas in which there is on going research debate and sometimes serious disagreement and divergence in theory and practice To this end entries attempt to introduce a core or common ground of understanding before moving on to a wider discussion of debates regarding different conceptual and geographical approaches The whole is integrated by cross referencing and each entry includes a bibliography for further reading There is a full index The International Encyclopedia of Social Policy provides the most substantial mapping of the international study and practice of social policy to date and will stand as a vital storehouse of knowledge for many years to come

African-American Social Workers and Social Policy Carlton Munson, Tricia Bent-Goodley, 2014-06-03 Critical analyses of policies that significantly affect African American families and communities African American Social Workers and Social Policy is the first book of its kind to combine the voices of African American social work professionals on social policy in one volume You ll learn about the impact of health child welfare and aging the implications of welfare reform and the harsh statistics about race and imprisonment from respected practitioners in the field Each chapter ends with recommendations for policy advocacy giving you the tools you need to help reform the system The issues addressed in African American Social Workers and Social Policy include how proposed Social Security reforms can help or hinder efforts to bridge the wealth gap the role of grandparents as caregivers the implications of child welfare policies including the Multi Ethnic Placement Act of 1994 the effects of race class and gender discrimination on African American women s health the significance of the Human Genome Project how social workers can stand up to the biases of the criminal justice system African American Social Workers and Social Policy also presents an eye opening review of the history of mental health policies for African Americans and an action agenda focused on knowledge and empowerment as a solution to pervasive institutional racism This book is a welcome forum for policy educators advocates and those committed to social justice You will value African American Social Workers and Social Policy for its clear identification of issues thorough analysis of the social policy arena and its impact and comprehensive description of new goals directions and possibilities This book will help you better understand vital social policies that affect African Americans today

Strategic Perspectives on Social Policy John E. Tropman, Milan Dluhy, Roger Lind, 2013-09-17 Strategic Perspectives on Social Policy is a collection of readings that provide insights into social policy processes analysis and implication The goal is to locate social policy within a context that suggests the possibility of a wider array of choices for the policymakers The distinction between social policy and social program is given emphasis This book has 14 chapters divided into four sections The first section deals with the relation between politics and policy with emphasis on the link between social science and social policy as well as on the influence of social values on the direction of policy The next section illustrates some of the critical skills and technologies that may be used to facilitate the process of making choices and decisions Topics covered include policy research and analysis the development and structuring of policy policy purveyance and implementation and assessment and

evaluation of policy The chapters that follow explore some of the more important contexts of the loci of social change along with the kinds of mechanisms that may be used to make choices operational This monograph is intended for policymakers and others interested in the policy making process as well as for students and teachers in the areas of political science sociology social work public policy and social planning

Social Policy and Social Justice Michael Reisch, 2013-02-21 Social Policy and Social Justice provides today's students and tomorrow's practitioners with a comprehensive overview of U S social policy and the policymaking process Author and editor Michael Reisch brings together experts in the field to help students understand these policies and prepare them for the emerging realities that will shape practice in the 21st century This text explores the critical contextual components of social policy including history ideology political economy and culture and demonstrates major substantive areas of policy such as income maintenance and health mental health

Handbook on East Asian Social Policy Misa Izuhara, 2013-01-01 Dramatic socio economic transformations over the last two decades have brought social policy and social welfare issues to prominence in many East Asian societies Since the 1990s and in response to national as well as global pressure there have been substantial developments and reforms in social policy in the region but the development paths have been uneven Until recently comparative analysis of East Asian social policy tends to have focused on the established welfare state of Japan and the emerging welfare regimes of four Tiger Economies Much of the recent debate indeed preceded China's re emergence onto the world economy In this context this Handbook brings China more fully into the contemporary social policy debates in East Asia Organised around five themes from welfare state developments to theories and methodologies to current social policy issues the Handbook presents original research from leading specialists in the fields and provides a fresh and updated perspective to the study of social policy Providing a comparative international approach this Handbook will appeal to academics researchers and students at both undergraduate and postgraduate levels working in the fields of social policy as well as policy makers and practitioners who are interested in social policy lessons from other societies

The Limits of Social Policy Nathan Glazer, 1988 Many social policies of the 1960s and 1970s designed to overcome poverty and provide a decent minimum standard of living for all Americans ran into trouble in the 1980s with politicians with social scientists and with the American people Nathan Glazer has been a leading analyst and critic of those measures Here he looks back at what went wrong arguing that our social policies although targeted effectively on some problems ignored others that are equally important and contributed to the weakening of the structures family ethnic and neighborhood ties commitment to work that form the foundations of a healthy society What keeps society going after all is that most people feel they should work however well they might do without working and that they should take care of their families however attractive it might appear on occasion to desert them Glazer proposes new kinds of social policies that would strengthen social structures and traditional restraints Thus to reinforce the incentive to work he would attach to low income jobs the same kind of fringe benefits health insurance social security vacations with pay

that now make higher paying jobs attractive and that paradoxically are already available in some form to those on welfare. More generally, he would reorient social policy to fit more comfortably with deep and abiding tendencies in American political culture toward volunteerism, privatization, and decentralization. After a long period of quiescence, social policy and welfare reform are once again becoming salient issues on the national political agenda. Nathan Glazer's deep knowledge and considered judgment distilled in this book will be a source of advice, ideas, and inspiration for citizens and policymakers alike.

Handbook of Research on Cyber Approaches to Public Administration and Social Policy Özsungur, Fahri, 2022-06-10

During the COVID-19 era, the functions of social policy and public administration have undergone a meaningful change, especially with the advancement of digital elements and online and virtual functions. Cyber developments, cyber threats, and the effects of cyberwar on the public administrations of countries have become critical research subjects, and it is important to have resources that can introduce and guide users through the current best practices, laboratory methods, policies, protocols, and more within cyber public administration and social policy. The *Handbook of Research on Cyber Approaches to Public Administration and Social Policy* focuses on the post-pandemic changes in the functions of social policy and public administration. It also examines the implications of the cyber cosmos on public and social policies and practices from a broad perspective. Covering topics such as intersectional racism, cloud computing applications, and public policies, this major reference work is an essential resource for scientists, laboratory technicians, professionals, technologists, computer scientists, policymakers, students, educators, researchers, and academicians.
