Social Security Universal Or Selective:

Social Security Peter J. Ferrara, 1980 Social Security: Universal Or Selective? Wilbur Joseph Cohen, Milton Friedman, 1972 *The Dynamics of Social Welfare Policy* Joel Blau, Mimi Abramovitz, 2007 The first edition of *The Dynamics of Social Welfare Policy* reinvented the standard social welfare policy text to speak to students in a vital new way This second edition builds on its strengths with a more accessible graphic design and a thorough update of the effects of recent political and legislative changes on social welfare programs The book begins by discussing how social problems are constructed After an analysis of social welfare policy its purposes and functions a unique policy model bolsters the text s overarching progressive narrative Through this model students learn how five key social forces ideology politics history economics and social movements interact both to create and to change the social welfare system By applying this model to five critical social welfare policy issues income security employment housing health and food the text demonstrates to students that every kind of social work practice embodies a social welfare policy The model is also telling in identifying the triggers of social change and the effects of race class and gender By applying the policy model to the latest developments in social welfare the chapter long case studies in this second edition equip students with knowledge about social welfare policy and the tools for comparative analysis With this knowledge students begin to understand that both the whole and the parts of the social welfare system affect what they actually do as social workers Once they grasp this concept they ll understand why it is so important to learn social welfare policy *The Dynamics of Social Welfare Policy 2E* captures the fluidity and change inherent in social policy like no other textbook Its approach remains the most invigorating forward thinking one available Highlights from this edition include Revised data in text charts and graphs show how government policies are proving the points made throughout the chapters Exhaustive statistics are included about every major social program s budget benefits and participants Underlying policy model has been updated in response to the evolving political environment Content and writing style are appropriate to both bachelor s and master s level programs More graphics and attractive new two color interior design make debates easier to grasp and the book easier to navigate Visit www.oup.com/us/dynamics for access to the instructor s manual and test bank Social Security Law and Policy Terry Carney, 2006 This book explores the legal meaning of the radical new laws which have transformed the social security system in the last decade It analyses legislation and case law and lays out the legal principles and concepts which underpin the sweeping reforms culminating in the welfare reform package announced in the 2005 Budget It also explores the policy foundations of these reforms and key administrative changes such as the creation of a privatised job network and of Centrelink as a payment agency This book also explores the tension between traditional protective functions of social security and the contemporary focus on activation reciprocity and capacity building and the extent to which social changes have altered the form of Australian welfare It reviews the history and transformation of the welfare state the ideas about the nature of poverty and need and the policy

choices to be made Detailed case studies are made of the law and policy affecting key groups such as the unemployed people with illness or disability and sole parents as well as the administration and review rights of welfare recipients and the workings of income and means tests

Degrees of Freedom Keith G. Banting, George Hoberg, Richard Simeon, 1997 The book's primary aim is to determine whether Canada and the United States have become more similar as their economies have become more integrated and their societies more diverse The authors conclude that although powerful economic and social pressures clearly constrain national governments and lead to convergence in some areas distinctive cultural and political processes preserve room for distinctive national responses to important problems of the late twentieth century Authors include Keith Banting Paul Boothe University of Alberta Marsha Chandler University of Toronto George Hoberg Robert Howse University of Toronto Christopher Manfredi McGill University George Perlin Queen's University Douglas Purvis Queen's University Richard Simeon and Elaine Willis consultant Toronto

The Crisis in Social Security Michael J. Boskin, 1977-01-01

Social Security and Its Discontents Michael Tanner, 2004 Tanner Cato Project on Social Security Choice brings together work by leaders in Social Security reform examining problems of the current system and offering proposals for reform Contributors in economics law and philosophy many affiliated with the Cato Institute examine aspects of the problem related to issues such as property rights the impact of Social Security reform on low income workers and how stock market declines affect the reform debate They advocate allowing younger workers to privately invest their Social Security taxes through individual accounts

The Politics of Social Policy in the United States Margaret Weir, Ann Shola Orloff, Theda Skocpol, 2020-12-08 This volume places the welfare debates of the 1980s in the context of past patterns of U S policy such as the Social Security Act of 1935 the failure of efforts in the 1940s to extend national social benefits and economic planning and the backlashes against big government that followed reforms of the 1960s and early 1970s Historical analysis reveals that certain social policies have flourished in the United States those that have appealed simultaneously to middle class and lower income people while not involving direct bureaucratic interventions into local communities The editors suggest how new family and employment policies devised along these lines might revitalize broad political coalitions and further basic national values The contributors are Edwin Amenta Robert Aponte Mary Jo Bane Kenneth Finegold John Myles Kathryn Neckerman Gary Orfield Ann Shola Orloff Jill Quadagno Theda Skocpol Helene Slessarev Beth Stevens Margaret Weir and William Julius Wilson

Social Fabric Or Patchwork Quilt Jeff Keshen, Raymond Benjamin Blake, 2006-01-01 Both historical and contemporary features of Canadian social welfare are explored in this wide ranging and in depth collection Social Fabric or Patchwork Quilt explores the evolution of the Canadian social welfare state from a system based upon voluntarism and philanthropy to one in which the State's involvement has increased considerably It also shows how the roles of governments at all levels have changed in recent times Chapters describe the developing Canadian welfare state from Confederation to the present Beginning with an integrative framework in the general introduction the selected

essays represent many perspectives chronological regional multidisciplinary and ideological An important feature of this collection is the consideration of providers and recipients Such wide ranging outlooks are possible given the diverse backgrounds of contributors which include historians sociologists social workers public policy experts and political scientists As well as historical and sociological studies topics include key programs discussed in detail the quality of services received by principal target groups new directions in research some contributions even revisit foundational older works and key government documents

Universality and Selectivity in Income Support Sheila Shaver, 2019-05-20 First published in 1997 this report examines the classic social policy question of whether pensions should be paid only to those with relatively few other resources so that scarce funds go to the people who need them most or whether it is more just and pensions are more willingly funded when everyone can expect to get one in their turn Since the 1980s the scale of social expenditure has come into question in most advanced industrial nations The large share of this expenditure devoted to the support of the aged amidst growing numbers of old and very old people has put age pensions at the centre of this discussion Sheila Shaver examines this classic question in a comparative analysis of income support in six countries drawing on data from the Luxembourg Income Study and the International Social Survey Programme The statistical studies are embedded in a discussion of social policy and citizenship need poverty and social cohesion and the structure and restructuring of welfare states

Social Security John Attarian, Treating the Social Security crisis in unusually broad perspective Attarian is critical of both the status quo and the privatization camps and his recommendations offer an alternative to both The book will be of interest to policy makers as well as citizens concerned about the future of Social Security

BOOK JACKET *Mr. Social Security* Edward D. Berkowitz, 1995 He played that role so well that he prompted Senator Paul Douglas's wry comment that an expert on Social Security is a person who knows Wilbur Cohen's telephone number

Dependent on D.C. Charlotte A. Twight, 2015-11-03 Dependent on D C raises serious concerns about the future of liberty in America and proves beyond a doubt that the growth of dependence on government in the past seventy years has not been accidental that its creation has been bipartisan and that it is accelerating Twight shows how growing federal power driven by legislation validated by Supreme Court decisions and accelerated by presidential ambition has eroded the rule of law in our nation leaving almost no activity that the central government cannot at its discretion regulate manipulate or prohibit Dependent on D C shows why Americans have not resisted this expansion of federal power In these uncertain times Dependent on D C is the book Americans need to read when thinking about the future of their individual liberty

Social Welfare in Britain 1885-1985 Rex Pope, Alan Prat, Bernard Hoyle, 2003-10-03 This collection of documents follows the same format as Pope and Hoyle's *British Economic Performance 1984* to provide a survey of the main developments in social welfare Students of economic and social history and of social policy and administration are being required to do more and more work with original documents and this collection is tailored to meet their needs The primary

sources are presented in two sections covering the periods 1885 c 1940 and c 1940 to 1985 During the former ideas on and the scope of welfare provision broadened greatly There was a sense of progress Developments though were piecemeal There was no conception of a Welfare State The second period begins with the changes associated with the assumption that Britain was establishing a Welfare State But the hopes of 1940 have not been fulfilled and there has been growing speculation about the value of such an organisation of society The extracts reflect these changes They are grouped under the headings to facilitate reference Students at all levels especially A level first degree and professional training courses will find the book a valuable resource Materials included are drawn from minutes of evidence newspapers political party publications and professional bodies and groups

Making EI Work Keith Banting, Jon Medow, 2013-04-08 Since the inception and design of Canada's Employment Insurance EI program the Canadian economy and labour market have undergone dramatic changes It is clear that EI has not kept pace with those changes and experts and advocates agree that the program is no longer effective or equitable Making EI Work is the result of a panel of distinguished scholars gathered by the Mowat Centre Employment Insurance Task Force to analyze the strengths weaknesses and future directions of EI The authors identify the strengths and weaknesses of the system and consider how it could be improved to better and more fairly support those in need They make suggestions for facilitating a more efficient Canadian labour market and meeting the human capital requirements of a dynamic economy for the present and the foreseeable future The chapters that comprise Making EI Work informed the task force's final recommendations and form an engaging dialogue that makes the case for and defines the parameters of a reformed support system for Canada's unemployed Contributors include Ken Battle Caledon Institute of Social Policy Robin Boadway Queen's University Allison Bramwell University of Toronto Sujit Choudhry New York University School of Law Kathleen M Day University of Ottawa Ross Finnie University of Ottawa Jean Denis Garon Queen's University David Gray University of Ottawa Morley Gunderson University of Toronto Ian Irvine Concordia University Stephen Jones McMaster University Thomas R Klassen York University Michael Mendelson Caledon Institute of Social Policy Alain No 1 Universit de Montr al Michael Pal University of Toronto Faculty of Law W Craig Riddell University of British Columbia William Scarth McMaster University Luc Turgeon University of Ottawa Leah F Vosko York University Stanley L Winer Carleton University Donna E Wood University of Victoria and Yan Zhang Statistics Canada
