Social Work Ethics Politics Principles And Practice:

Social Work Ethics Chris L. Clark, 2000 This introduction to professional ethics for social workers recognizes that social work is largely state sponsored Traditional values and rules are explained followed by a concept of social work and its relationship to the state

Social Work Ethics Chris Clark, 1999-12-06 This book offers a critical introduction to professional ethics for social workers It recognises that social work is largely a state sponsored activity and therefore poses issues in political theory The traditional values and rules of practice ethics are explained using plentiful examples The critique is followed by an innovative concept of social work and its relationship to the state A new approach to practice ethics is developed based on four cardinal principles of respect justice citizenship and discipline

Private and Confidential? Chris L. Clark, Clark, Chris, McGhee, Janice, 2008-07-02 This book examines key philosophical ethical legal and professional practice issues in the area of privacy and confidentiality and explores their implications for policy and practice

Core Themes In Social Work: Power, Poverty, Politics And Values Sheedy, Martin, 2013-01-01 This book sheds a very bright light on poverty as a central experience of the people social workers work with Research and theories of power politics and values are thoroughly discussed and provide the basis for a sustained commitment to social justice The book is a supportive read as it skilfully appreciates the personal challenges that critical and assertive practice entails It is a book for students professionals and service leads to keep re read and savour Dr Tillie Curran Senior Lecturer in Social Work University of the West of England UK By identifying power poverty politics and values as core themes in social work this text offers us a refreshing perspective which will challenge students and practitioners alike to re evaluate their practice in the light of its wider social political and philosophical contexts Through an exploration of issues of power and an interrogation of the real meaning of social work ethics and values Sheedy motivates and encourages us to reflect on our practice and to ensure that it is truly person centred Dr Sue Taplin University of Nottingham UK This book offers a concise and coherent discussion of what should be core themes in thoughtful and careful social work practice It offers a journey towards rethinking and embracing effective critical practice which engages with human rights and social justice as much as with empowerment and with individual and interpersonal change Occasional student accounts coupled with use of key points and questions for discussion make for accessibility The book synthesises summarises and critiques ideas about how to understand and resolve social issues enabling readers to question how they might work creatively alongside service users It is a book which invites reflection on policy and practice Professor Michael Preston Shoot Dean Faculty of Health and Social Sciences University of Bedfordshire UK This excellent text is essential reading for all social workers and students and a key resource for academics It highlights with concern and conviction the importance of developing an effective critical practice that challenges enhances and broadens the task of conventional social work in ways that have the potential to improve outcomes for service users It calls for a social work practice based on an understanding of the issues of power politics and ideology and the values and world

view held by the worker linked with concerns raised by the people that social workers regularly encounter and work with. The issues of poverty and disadvantage and their structural causes run throughout this text. Issues that have been too long neglected in social work. In this text Martin Sheedy corrects that neglect by outlining in some detail the impact of poverty on people's lives and life chances whilst at the same time describing how critical practice can be used by social workers to promote social justice and empowerment practices. Dr Pamela Trevithick, Visiting Professor in Social Work, Buckinghamshire New University, UK. This engaging book introduces the core themes in social work and encourages students and practitioners to connect with the important debates surrounding these themes and challenges them to revisit the direction social work is and should be going in. The key contexts of social work are explored using knowledge from the disciplines of social theory, politics, sociology, psychology and ethics. The content is enlivened by the voices of students, service users and practitioners. Current and topical content on social work, poverty, politics, power and values. A discussion style format to help readers engage with the topics. An extensive range of sources of knowledge and theory. Key summary points at the end of each chapter. Group discussion questions at the end of each chapter. This book will contribute to social work students and practitioners thinking about the world in which they live and operate as professionals.

Mastering Social Work Values and Ethics Farrukh Nahid Akhtar, 2013. This key text examines ethical concerns arising at different stages of professional development in social work and offers guidelines to overcoming them. Practice pointers equip practitioners with the skills and knowledge to move beyond professional codes and work to a broader set of values.

Culture, Values and Ethics in Social Work Richard Hugman, 2013. This groundbreaking book examines the ways in which questions of culture and diversity impact on the values and ethics of social work. Using detailed case studies to illustrate key points for practice, Richard Hugman discusses how social workers can develop cross-cultural engagement in practice and work creatively with the tensions it sometimes involves. Debates rage over whether there is a core set of unchangeable social work values or whether they might be different at different times and for different people. This textbook proposes a new approach of ethical pluralism for social work practice in which both shared humanity and the rich variety of cultures contribute to a more dynamic way of understanding social work's underpinning values and ethics. In particular, this book explores the implications of a pluralist approach to ethics for the central questions of Human rights and social justice, Caring relationships, Social and personal responsibilities, Agency and autonomy. Values such as truth, honesty, openness, service and competence. It is vital that social workers understand the values and ethics of their profession as a crucial part of the foundations on which practice is built and this is the only text to explore the connections between culture, values and ethics and fully develop the pluralist approach in social work. *Culture, Values and Ethics in Social Work* is essential reading for all social work students and academics.

Probation and Politics Maurice Vanstone, Philip Priestley, 2016-12-30. This book is a collection of essays by a unique group of authors about the political destruction of the probation service in England and Wales. All of them are

probation officers turned academics with a collective scholarly output that is both prodigious and distinguished They address the history of probation its underlying values and working methods and the way it has been systematically dismantled by successive political administrations The book offers essential reading for those interested in broadening their understanding of the probation service and its vital role in rehabilitation In addition it makes a compelling case for the reinstatement of an evidence based probation service as the primary criminal justice agency concerned with helping people who come before the courts to become contributing citizens A lively and engrossing read it is destined to be invaluable to policy makers social science theorists and commentators as well as scholars of criminology and the justice system and all those who work in it

Becoming a Social Worker Vivienne E. Cree, 2009-06-16 This is a book about social workers and social work It tells the story of the journey into and through social work of thirteen social workers living and working in the UK today We hear what has brought them into social work and what has kept them in it since Their lively accounts demonstrate that commitment and passion remain at the heart of social work today Becoming a Social Worker describes what it is like to be a social worker in different practice settings what it is like to be a social work manager and what is happening in social work education Some of the contributors will be recognised as those who have played a key part in shaping social work over the years and they provide valuable insights into how the profession of social work has developed in that time Other contributors less well known but no less interesting give us a vivid idea of what social work practice and social work education is like on the ground Social work is a demanding and difficult job which goes largely unseen within society We only ever hear about social work and social workers when something goes wrong and a vulnerable adult or child is hurt Becoming a Social Worker sets out to change that to make social work visible so that those considering a career in the caring professions can make an informed choice about whether social work is the career for them

The Ethical Foundations of Social Work Stephen Cowden, Annie Pullen-Sansfacon, 2014-01-14 The Ethical Foundations of Social Work provides you with an engaging theoretical and practice based grounding in social work ethics The authors first examine when how and why principles and debates historically emerged then explicitly map them onto everyday ethical challenges and situations in social work practice As a result the book promotes an ethically conscious approach where principles can be flexibly and confidently applied as tools to help you with critical problem solving

Animals and Social Work: A Moral Introduction T. Ryan, 2011-06-29 Social Work and Animals represents a pioneering contribution to the literature of social work ethics and moral philosophy It advances cogent and detailed arguments for the inclusion of animals within social work's moral framework arguments that have profound theoretical and practical implications for the discipline and its practitioners

Anti-Oppressive Practice Jane Dalrymple, Beverley Burke, 2006-12-16 Praise for the new edition This revised text should be read by all practitioners in health and social care settings who supports people with complex needs and who aim to promote anti oppressive and person centred practice A variety of activities is presented in each chapter to stimulate readers to reflect on the cases and concepts

under discussion This text represents a valuable companion for professionals involved in learning disability practice Learning Disability Practice This new edition proves to be a substantial updating of the 1995 edition The coverage is analytical and clearly related to anti oppressive practice It is important to persuade students of the necessity of action to put their values into practice this book is a real boon and should be required reading up and down the country Mark Baldwin University of Bath In the new edition of this bestselling text the authors challenge the notion that anti oppressive practice has lost its potency or become commodified into a professional response to inequalities Retaining a commitment to the principles and values of anti oppressive practice discussion about contemporary practice is guided by a critical understanding of personal values and the context of practice Some key questions are explored How is anti oppressive practice relevant in contemporary practice How can the law be used as an empowering tool How can the law be used to develop and inform anti oppressive practice The second edition is substantially revised and updated to take account of policy and legislative changes with a new chapter addressing critical practice in social work as well as additional activities chapter summaries and further reading at the end of each chapter The authors draw on their own experiences and those of practitioners service users and carers to understand issues of power and oppression demonstrating how the law can be used to inform the development of critical anti oppressive practice The book therefore points the way to practice that is both empowering to service users and ultimately liberating for practitioners Anti Oppressive Practice is an essential text for students practitioners lecturers service users and carers

Decision Making in Social Work Terence O'Sullivan, 2010-11-24 At a time when accountability and the avoidance of risk are increasingly demanded of social work practitioners the ability to make clear and reasoned professional decisions is essential This welcome new edition provides a supportive framework for making social work judgements and assessments based on a structured and practical approach Woven through with practice scenarios applicable to the many facets of social work this text emphasizes the importance of good decision making to high quality social work practice Reassuringly clear throughout this new addition to the BASW Practical Social Work series is core reading for all involved in the field of social work whether as students academics practitioners or managers New to this Edition Provides an accessible discussion and framework for a skill which all students must evidence in order to qualify for practice Significantly updated to reflect the growing prominence of user involvement and interprofessional collaboration

Animals in Social Work T.

Ryan, 2014-10-09 This collection of essays articulates theoretical and philosophical arguments and advances practical applications as to why animals ought to matter to social work in and of themselves It serves as a persuasive corrective to the current invisibility of animals in contemporary social work practice and thought

Empowering Social Workers Manohar

Pawar, Richard Hugman, Andrew Alexandra, A. W. (Bill) Anscombe, 2017-03-14 This book demonstrates the central role of ethical character in effective social work practice Showcasing select biographies of social workers it reveals how skilled practitioners have developed such core virtues as compassion love commitment prudence respect for human dignity and a

critical sense of social justice through the course of their working lives and how they apply these virtues in a wide variety of settings and situations to enhance the well being of the people and communities they work with As such the book offers a powerful and inspiring resource to help educators students and practitioners understand the unbreakable link between what social workers and other social welfare and social development professionals do and who they are and thereby cultivate core qualities that should be promoted Pawar Hugman Alexandra and Anscombe have found a novel and creative way to explore virtues in social work by examining the career contributions of a group of social work practitioners engaged in virtuous action Their stories are inspiring and they provide much needed role models for students and practitioners embarking on empowering practice Dr Mel Gray Professor of Social Work The University of Newcastle New South Wales Australia In an age where the virtues of truth cooperation and doing the right thing are increasingly being eroded in public life this book serves as both an inspiration and invaluable resource to all social work practitioners seeking to reflect on and improve their practice Dr Martin Ryan Social Worker Counsellor Community Educator Jesuit Social Services Melbourne The editors are to be commended for examining the virtuous characters of these ten professional social workers The use of detailed biographies is an innovative and important approach which helps us to appreciate just what a tremendous impact the virtues can have Dr Christian B Miller A C Reid Professor of Philosophy Director The Character Project Wake Forest University USA

Social Work with Children and Families Maureen O'Loughlin, Steve O'Loughlin, 2012-09-18 Social work with children and families is a challenging complex but ultimately rewarding pathway for the student social worker This fully revised new edition aims to guide the student through the legislation policy and law that surrounds social work with children and families while providing a solid foundation for critical thinking Vital skills and methods such as communication observation and assessments are explored in detail while the ethical and value base of social work practice underpins the text Recommendations from the Munro Review into Child Protection are referred to throughout

The Blackwell Companion to Social Work Martin Davies, 2013-04-01 Fully revised and restructured this fresh edition offers students and trainee social workers an incisive and authoritative introduction to the subject As well as entirely new sections on theory and practice the expert contributions which have shaped the companion's leading reputation have been updated and now include innovative standalone essays on social work theory Comprehensively reworked new edition comprising six substantive sections covering essential topics for trainee social workers in effect six books in one Includes an extensive introduction and chapters by leading experts on the focus and purpose of social work Provides a unified textbook for trainees and an invaluable professional reference volume Features a wealth of new material on theory and practice alongside detailed expositions of the social and psychological framework stages in the human life cycle and the objectives and core components of social work Each chapter lists five key points to remember questions for discussion and recommendations for further reading

Adult Day Services and Social Inclusion Chris Clark, 2001-06-15 Placing adult day services within the whole spectrum of social

provision the contributors to this book explore their complementary role alongside field social work health care domiciliary services and supported accommodation Professionals in all sectors of social care will find it an essential guide to the provision of an effective day service

Ethics and Values in Social Work Sarah Banks, 2020-11-04 With over 40 000 copies sold across its lifetime this is social work classic from a leading international author Synthesizing the complex ideas and concepts that characterize social work's value base Sarah Banks expertly provides a clear and systematic account of professional ethics in relation to social work practice framed within a global context Ethics and Values in Social Work is co published with the British Association of Social Workers BASW and this fifth edition provides revised and updated analysis of professional regulation and codes of practice Written with Banks trademark accessibility and theoretical rigour this updated edition continues to be a relevant and invaluable resource for all students taking Ethics and Values modules at both undergraduate and postgraduate levels as well as educators and practitioners of social work New to this Edition Revised and updated analyses of professional regulations and codes of practices Updated case studies with an increased number of global examples of social work practice More cases featuring adults

Ethical Practice in Social Work Michael Collingridge, Steven Curry, 2020-07-17 This innovative text shows why ethics is so important for social work practice that it is not simply a way of defining and understanding what is good in practice but is a means by which social work and other caring professions can actually achieve good practice Professor Richard Hugman University of NSW This book integrates ethical theory and political philosophy into a clear yet challenging framework for ethical action in social work Firmly grounded in practice examples it will be of great interest both to students and practitioners in the field Professor Sarah Banks Durham University In an increasingly fragmented and regulated world the authors of Ethical Practice in Social Work argue that social work has become detached from its ethical roots Their aim is to reinstate ethics as the driving force of good social work and welfare practice Ethical Practice in Social Work provides the tools to develop essential ethical decision making and problem solving skills Taking an applied approach with case studies in each chapter the authors demonstrate how ethical principles can be used to transform practice into an effective inclusive and empowering process for both professionals and their clients They discuss the ethical principles social workers have traditionally adhered to the role of the good social worker in the contemporary context professionalism and the way in which ethics can be used to reconcile the often differing demands of employers community groups clients the profession and their own personal values Ethical Practice in Social Work is a valuable professional reference and student text

Tackling Poverty and Social Exclusion John H. Pierson, 2016-04-20 In our highly unequal Britain poverty and social exclusion continue to dominate the lives of users of social work and social care services At the same time spending cuts and welfare reform have changed the context within which services are delivered The third edition of this unique textbook seeks to capture the complexity and diversity of practice relating to social exclusion as social workers adapt to this challenging environment Tackling Poverty and Social Exclusion prepares practitioners to

engage directly with the social and personal circumstances facing excluded individuals and their families The volume Explains the development of the concept of social exclusion as a framework for understanding the impact of poverty and other deprivations on users lives and outlines five building blocks for combating exclusion in practice Locates practice within social work values of fairness and social justice while acknowledging the many challenges to those values Includes individual chapters on excluded children and families young people and adults with chapters also on practice in disadvantaged neighbourhoods and rural communities Discusses inclusionary practice in relation to racism as well as refugees and asylum seekers Throughout the book encourages students and practitioners to think through the range of approaches perspectives and value choices they face To facilitate engagement each chapter includes up to date practice examples case studies and specific questions for readers to reflect on
