Solutions Focus The Simple Way To Positive Change:

The Solutions Focus Mark McKergow, 2011-02-22 This is a new and updated edition of this acclaimed first business book on the powerful simple yet subtle approach to positive change in people teams and organisations Used around the world by a wide range of people professions and organisations the first edition has now sold nearly 10 000 copies and been translated into 7 languages Including new chapters reflecting the increasing importance of coaching and the solutions focus movement in the business environment this wide ranging book is filled with all the most important ideas case examples and practical tips for managers facilitators and consultants Proven in many fields and with a distinguished intellectual heritage The Solutions Focus provides a simple and direct route to progress in your organisation It focuses on solutions not problems in between the action is in the interaction make use of what s there possibilities past present and future and language Every case is different The trouble with traditional approaches to people problems is that they assume a straightforward relationship between cause and effect between a problem and its solution A solutions focused approach sidesteps the search for the causes of a problem and heads straight for the solution showing you how to envisage your preferred future and quickly takes steps forward The authors present a set of practical techniques including specific forms of questioning that lead to immediate action and results They show how to identify what is working in your organisation and amplify it to make useful changes to focus on what is possible rather than what is intractable and how to be solution focused not solution forced

The Solutions Focus Paul Z. Jackson, Mark McKergow, 2002 This book defies conventional wisdom that suggests that identifying a problem is a sure path to uncovering a solution The authors original and radically pragmatic SIMPLE model instead shows how to sidestep the search for specific causes of trouble and head straight for the practical and innovative ideas to deal with difficult people unravel complex strategic issues or build strong teams **The Solutions Focus** ,2002

Solution Focused Coaching for Adolescents Caroline Beumer-Peeters, 2021-05-25 Solution Focused Coaching for Adolescents explains the principles and attitude of the popular 11 step Mission Possible Solution Focused Coaching program for working with adolescents By comparing the Mission Possible principles with the normal way of problem solving in coaching scenarios the author makes the theoretical structure and conversational style of the program easy to learn for professionals Applied both individually and as a group activity Mission Possible is a learning experience that makes fulfilling dreams and achieving goals easier for teenagers and young adults It helps to make difficult things accessible for them by using one s own strengths and resources The book is filled with detailed case studies and useful coaching tools breaking the program down into five themes outlining the goals the process and any potential pitfalls This practical book is intended for coaches youth counselors trainers teachers mentors and therapists who want to coach young people using the clear step by step Mission Possible program and all those working in pastoral roles with children and adolescents Solution Focus: How to Transform Problems into Solutions ,2011-04-23 In recognizing the limitations of traditional problem solving methods

solution focus has aided many individuals in changing their perception of problems and transforming them into solutions. Regardless of what difficulties one may be tackling, this book offers practical skills for overcoming. Filled with examples and illustrations, it addresses and explains the role of the all important miracle questions as well as exceptions, scaling and coping questions to help identify leverage points for change. Active listening, a key solution focus skill, is reviewed extensively. In addition, readers will learn how to establish well formed goals and understand the truth of the philosophical statement: if it isn't broke, don't fix it. Solution Focus, radical simplicity, diverts your attention away from the often frustrating search for the causes of problems and directs it to solutions away from your weaknesses to your strengths away from what is going wrong to what is going right in your life. Though it may not be a fix all, it will certainly give you a viable alternative to outdated problem solving strategies and teaches how to put solution focused knowledge into everyday practical use. If you want to learn a new way of assisting yourself or others to deal more creatively and effectively with problems, then you are encouraged to explore Solution Focus, simple principles and tools for positive change. Focus on Solutions Kidge Burns, 2006-02-22

Solution Focused Brief Therapy (SFBT) promotes collaborative work and positive outcomes. It is an approach that can be used in acute hospitals as well as with clients who are seen as outpatients or in the community. Written in an accessible style with over seventy case examples, Focus on Solutions shows how SFBT can help people who are suffering from voice or memory difficulties, a stammer, a stroke, HIV, traumatic brain injury or illnesses such as cancer or Parkinson's disease. The book provides a practical framework as to how individuals, families and groups can begin to work on their strengths by focusing on the solutions rather than the problems in their lives. Focus on Solutions contains many useful ideas for experienced practitioners and those new to solution focused work, which is of growing importance in the health service as well as business and education. Therapists, doctors, nurses or psychologists will find this book an invaluable contribution to the field of reflective practice. **Solution-Focused Brief Therapy** Cynthia Franklin, 2012

Therapy is frequently miscast as requiring an enormous amount of time and financial commitment, but helpful, goal oriented therapy can produce positive results after only a few sessions. By focusing on solutions instead of problems, SFBT asks clients to set concrete goals and to draw upon strengths in their lives that can help bring about the desired change for a preferred future. **Solution-Focused Therapy** Dr Alasdair Macdonald, 2007-03-16

Solution Focused Therapy is a relatively new but strongly supported and growing approach. Solution Focused Therapy: Theory, Research, Practice contains an overview of current research in the area and an account of the use of solution focused approaches in various relevant therapeutic situations. Written by Dr Alasdair J MacDonald, one of the leading Solution Focused Therapy specialists in Europe and a key figure in the European Brief Therapy Association, this book provides both trainees and practitioners with instruction in the method of solution focused brief therapy. Solution Focused Team Coaching Kirsten Dierolf, Cristina Mühl, Carlo Perfetto, Rafal Szaniawski, 2023-11-21
