excitement *Stupid* Kim Firmston, 2014-03-11 Martin's been diagnosed with ADHD but he feels something about his diagnosis isn't right. The Ritalin he's prescribed doesn't seem to make a difference. When Martin's grades continue to sink no matter how hard he tries, his father writes him off as lazy and just plain stupid. His dad is convinced that Martin just needs to focus more on his studies and less on making movies. One night while out pursuing his passion on the city streets with his camera, Martin meets Stick and is introduced to the energetic and exciting pastime of parkour free running. While filming Stick's flips and tricks, Martin begins to see a connection between how his brain interprets the world all jumbled and fast moving and out of order and what the free runners see. Camera in hand, Martin sets out to make a video that will show his dad what he sees and hopefully get him to understand that Martin's real learning disability, dyslexia, has never been properly diagnosed. Unusually Stupid Americans Kathryn Petras, Ross Petras, 2007-12-18 A hilarious collection of lists, statistics, news items, quotations, and facts detailing stupid acts of Americans from all walks of life by the authors of the bestselling *The 776 Stupidest Things Ever Said*. Everyone knows that America is the land of the free and the home of the brave, but sometimes that means we're free to be as bravely stupid as we want. In *Unusually Stupid Americans*, Kathryn Petras and Ross Petras assemble choice bits of stupidity U.S.A. style, including the top seriously flawed American advertising moments including Pacific Airlines' brilliant "You're scared of flying. So's our pilot" ad campaign which led the airline to bankruptcy within two months of the campaign's inception; the Martin Luther King Jr. celebration in Florida where a plaque was unveiled that was intended to honor the actor James Earl Jones but instead read "Thank you James Earl Ray for keeping the dream alive," an unfortunate slip up as James Earl Ray was King's assassin; and much more.

Stupid Things I Won't Do When I Get Old Steven Petrow, 2021-06-29 For fans of David Sedaris and Nora Ephron, here is a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging based on the wildly popular New York Times essay from award-winning journalist Steven Petrow. Soon after his 50th birthday, Steven Petrow began assembling a list of things he won't do when he gets old, mostly a catalog of all the things he thought his then 70-something-year-old parents were doing wrong. That list, which included "You won't have to shout at me that I'm deaf" and "I won't blame the family dog for my incontinence," became the basis of this rousing collection of do's and don'ts, wills and won'ts that is equal parts hilarious, honest, and practical. The fact is, we don't want to age the way previous generations did. Old people hoard. They bore relatives and strangers with tales of their aches and pains. They insist on driving long after they've become a danger to others and themselves. They eat dinner at 4pm. They swear they don't need a cane or walker, and guess what happens next? They never ever apologize. But there is another way. In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age and an understanding that aging and illness are not the same. As he writes, "I meant the list to serve as a pointed reminder to me to make different choices when I eventually cross the threshold to old. Getting older is a privilege. This essential guide reveals how to do it with grace."

wisdom humor and hope And without hoarding *Ten Stupid Things That Keep Churches from Growing* Geoff Surratt,2009-08-30 Based on interviews with pastors of growing churches as well as personal experience this book identifies the most common mistakes pastors make that keep otherwise healthy churches from reaping the harvest God has prepared Each chapter spotlights a common mistake gives real life examples uses a generous dose of humor and provides a practical course of action to recover from the error The book draws from the experience of Seacoast Church as well as pastors such as Craig Groeschel Chris Hodges Perry Nobel Mark Batterson Dave Ferguson Scott Chapman Dino Rizzo Ron Hamilton and Dave Browning Church leaders will be encouraged to realize that they are not the only ones who struggle and that turning their situation around may not be as daunting a task as they think This is a field guide for the common pastor based on actual churches of all sizes **Most Stupid** Theophil Mueller,2014-11-12 Laughter and Healing Laughter is the best medicine It is medically proven that happy people live longer Laughter takes away all stress Laughter activates most muscles of the body keeping them exercised Keeping all these muscles active is best for proper blood circulation A good blood circulation is essential for good health We may as well say I laughed myself healthy Who does not want to be healthy Who does not want to laugh "It's Not the Heat, It's the Humidity, Stupid!" lick his wounds What he doesn't need is everyone in his family trying to play matchmaker so he can find someone new which is exactly what they'll do at the three stupid weddings he has to attend this summer Fortunately it's Dominic Lowe to the rescue Dom is more than willing to come along to all the weddings as his best friend's boyfriend even if he'd much rather be there as Vic's real boyfriend Convincing people they're a couple is easy The charade is miserable for Dom though after years of being madly in love with Vic But maybe those three weddings are a rehearsal for the relationship he knows they could have for real This asexual M/M romance is approximately 38 000 words long Trigger warnings eating disorder discussions of verbal emotional abuse **I'm with Stupid** Elaine Szewczyk, 2008-07-24 A hilarious tale of girl meets boy girl falls in lust
