Style And Structure In Biblical Hebrew Narrative:

Style and Structure in Biblical Hebrew Narrative Jerome T. Walsh, 2001 Style matters The pages of the Hebrew Bible are filled with stories short or long amusing or sad histories fables and morality tales The ancient narrators use a variety of stylistic devices to structure to connect and to separate their tales and thus to establish contexts within which meaning comes to light What are these devices and how do they guide our reading and our understanding of the text This book explores some of the answers and shows that it s a matter of style Fr Jerome T Walsh Ph D is also author of 1 Kings in the literary commentary series Berit Olam Studies in Hebrew Narrative Poetry The Liturgical Press 1996 of which he is also an associate editor He has contributed to such reference works as The New Jerome Biblical Commentary and The Anchor Bible Dictionary and frequently publishes articles and reviews in professional journals of biblical studies He is a member of the Society of Biblical Literature and of the Catholic Biblical Association of America with which he has collaborated on the second edition of the New American Bible translation of the Old Testament He is head of the department of theology and religious studies at the University of Botswana

Reading Hebrew Bible Narratives John Andrew Dearman, 2019 Reading Hebrew Bible Narratives introduces readers to narrative traditions of the Old Testament and to methods of interpreting them Part of the Essentials of Biblical Studies series this volume presents readers with an overview of exegesis by mainly focusing on a self contained narrative to be read alongside the text Through sustained interaction with the book of Ruth readers have opportunities to engage a biblical book from multiple perspectives while taking note of the wider implications of such perspectives for other biblical narratives Other select texts from Hebrew Bible narratives related by theme or content to matters in Ruth are also examined not only to assist in illustrating this method of approach but also to offer reinforcement of reading skills and connections among different narrative traditions Considering literary analysis words and texts in context and reception history this brief introduction gives students an overview of how exegesis illuminates stories in the Bible

Introduction to the Literary Art of the Gospel of John Paul Jaesuk Jo, 2022-05-24 The Gospel of John is a magnificent book Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors Throughout the history of the church interpreters have long been captivated by its loveliness and power Many modern interpreters however would not hesitate to call it puzzling confusing or ridden with riddles at least What is John is therefore a fascinating question that lingers During the last half century literary theories have been brought into the study of the Fourth Gospel with varying degrees of success New analytical lenses are cast over the Gospel to render its secrets but it feels as if only those who are initiated into its mystery have the knowledge Reading and rereading strategies are offered but the path out of the vast labyrinth is difficult to find The Gospel of John however surprisingly reads much like the Old Testament In fact its form is deeply imbued in the styles of Old Testament poetry narratives and prophets that when they are properly understood together John s message comes across clearly Taking a comprehensive view of the styles of the Old Testament this book

takes you to see John in its grand design **Genesis** David W. Cotter,2003 A Michael Glazier book Includes bibliographical references p 339 349 and index **Genesis 1-11** Thomas A. Keiser,2013-08-21 Although the object of centuries of study only relatively recently has Genesis 1 11 been analyzed with attention to its literary unity and theological purpose With the latter twentieth century s increased attention to synchronic approaches many scholars began to consider Genesis 1 11 from the perspective of a literary unity in its final form and therefore to consider matters of intent and theological content Yet in spite of these treatments there have been virtually no attempts to view the entire section of Genesis 1 11 as a literary and theological unity presenting a coherent message This book begins to fill this void by seeking to identify the message of these chapters through utilization of a literary theological approach The study focuses on literary features including the broader issues of surface and deep structure while other topics of special concern include rhetoric as the art of composition for the purpose of communication and persuasion and the use of speech as an important indicator of key issues in Hebrew narrative

Old Testament Exegesis, Fifth Edition Douglas Stuart,2022-03-15 For years Douglas Stuart s Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis the science and art of interpreting biblical texts properly for understanding as well as proclamation This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching A glossary of terms explains the sometimes bewildering language of biblical scholarship and a list of frequent errors guides the student in avoiding common mistakes No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful careful interpreters of Scripture Who Is the True Seer Driven by God: Balak or Balaam? Junhee Lee,2022-09-14 Serious Bible readers including biblical scholars Sunday Bible teachers laypersons of church and even the Sunday school kids ask the question Is Balaam a good or bad person or Is Balaam a prophet of God or a pagan diviner However nobody has provided a relieving answer for the question up to this day Then what does the Balaam story in the passage of Num 22 24 tell us about the character of Balaam More fundamentally what does the passage want readers to know This book suggests a new way for Bible reading especially the Old Testament The Old Testament readers can discover a proper strategy to understand the intention and message of every single passage of the Old Testament through the ways that are suggested in this book **Ve-'Ed Ya'aleh (Gen 2:6), Volume 1** Peter Machinist,Robert A. Harris,Joshua A. Berman,Nili Samet,Noga Ayali-Darshan,2021-09-17 Sixty six colleagues friends and former students of Edward L Greenstein present essays honoring him upon his retirement Throughout Greenstein s half century career he demonstrated expertise in a host of areas astonishing in its breadth and depth and each of the essays in these two volumes focuses on an area of particular interest to him Volume 1 includes essays on ancient Near Eastern studies Biblical Hebrew and Northwest Semitic languages and biblical law and narrative Volume 2 includes essays on biblical

wisdom and poetry biblical reception and exegesis and postmodern readings of the Bible **Congress Volume Aberdeen 2019**, 2022-06-08 This volume presents the main lectures of the 23rd Congress of the International Organization for the Study of the Old Testament IOSOT held in Aberdeen United Kingdom in August 2019 Twenty internationally distinguished scholars present their current research on the Hebrew Bible including the literary history of the Hebrew text its Greek translation and the history of interpretation Some focus on the semantic and syntactic features of the biblical text and its impact on cultural memory while others deal with textual witnesses in the Dead Sea scrolls Ethiopic sources and Arabic translations The volume gives readers a representative view of recent research on the Hebrew Bible **Focalization in the Old Testament Narratives with Specific Examples from the Book of Ruth** Konstantin Nazarov, 2021-08-02 Since Genette first coined the term in 1972 focalization has been recognized as one of the key concepts in contemporary understandings of narrative However in the field of biblical studies the concept has been largely overlooked Dr Konstantin Nazarov seeks to rectify this oversight exploring the implications of focalization on Old Testament narratology Utilizing the work of Wolf Schmid and Valeri Tjupa to develop his methodology and examining the book of Ruth as a case study Nazarov demonstrates the value of focalization in furthering the appreciation and understanding of biblical texts This is an excellent resource for students of narratology biblical studies scholars or anyone seeking to better understand the narratives of Scripture **Yahweh's Elegant Speeches of the Abrahamic Narratives** Matthew Michael, 2014-05-14 This work is a study in the attribution aesthetics and representations of Yahweh's speeches in the Hebrew Bible It describes the literary elegance and beauty of the speeches of Yahweh in the Abrahamic narratives Employing a synchronic reading of the Abrahamic cycle it underscores the presence of various literary devices in the divine speeches 12 1 9 13 1 18 15 1 21 17 1 27 18 1 33 and 22 1 19 Specifically it engages the high concentration literary effects and use of metaphors metaphoric language similes alliterations wordplays euphemisms hyperboles repetitions allusions and other distinctive literary features in the speeches of Yahweh which are deliberately denied and glaringly absent in the speeches of the other main characters of the Abrahamic narratives e g Abraham Sarah and Hagar Similarly it demonstrates the importance of these elevated speeches in the narrative world of Abrahamic epic Most importantly it also highlights the ideological significance of these decorated speeches of Yahweh to the original audience of the narrator who presumably identified with their excessive optimism and rhetoric Consequently this book is a pioneering work in the contemporary study of stylistics characterizations and functions of attributed speeches in the Hebrew narratives *Politics of Orality* Craig Cooper, 2006-12-01 This volume represents the sixth in the series on Orality and Literacy in the Ancient Greek and Roman Worlds The present work comprises a collection of essays that explore the tensions and controversies that arise as a society moves from an oral to a literate culture Part 1 deals with both Homeric and other forms of epic part 2 explores different ways in which texts and writing were manipulated for political ends Part 3 and 4 deals with the controversies surrounding the adoption of writing as the accepted mode of

communication whereas some segments of society began to privilege writing over oral communication others continued to maintain that the latter was superior Part 4 looks at the oral elements of Athenian Law **Be Fruitful and Multiply** Andrew J. Schmutzer, 2009-09-15 In this study Andrew J Schmutzer puts his hand to an in depth study of the Creation Mandate known within Reformed theology as the Cultural Mandate His analysis focuses on key texts of God s blessing in Genesis 1 11 In particular Schmutzer explores the theological significance of Genesis 1 28 using a biblical theological approach sensitive to the biblical literature Delving into such issues as the nature of divine blessing humankind s royal stewardship and the role of the image of God this study draws the reader back to the biblical text as the lead carriage for foundational questions in contemporary faith The result is theological grist primed to address the related issues of ecological crisis social oppression gender studies and eco theology How one understands the Creation Mandate has serious implications **Be Fruitful and Multiply** provides a sharp tool to help address these serious issues **Old Testament Narrative** Jerome T. Walsh, 2010-02-01 The Old Testament s stories are intriguing mesmerizing and provocative not only due to their ancient literary craft but also because of their ongoing relevance In this volume well suited to college and seminary use Jerome Walsh explains how to interpret these narrative passages of Scripture based on standard literary elements such as plot characterization setting pace point of view and patterns of repetition What makes this book an exceptional resource is an appendix that offers practical examples of narrative interpretation something no other book on Old Testament interpretation offers **The Original Ending of Mark** Nicholas P Lunn, 2015-04-30 Although traditionally accepted by the church down through the centuries the longer ending of Mark s Gospel 16 9 20 has been relegated by modern scholarship to the status of a later appendage The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style This work shows that these primary grounds of argumentation are inadequate It is demonstrated that the church fathers knew the Markan ending from the very earliest days well over two centuries before the earliest extant manuscripts The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages Strong indications of Markan authorship are found in the presence of specific linguistic constructions a range of literary devices and the continuation of various themes prominent within the body of the Gospel Furthermore the writings of Luke show that the Gospel of Mark known to this author contained the ending Rather than being a later addition the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission probably in Egypt during the second century **ESV Expository Commentary (Volume 4)** Crossway, 2020-10-28 Designed to strengthen the global church with a widely accessible theologically sound and pastorally wise resource for understanding and applying the overarching storyline of the Bible this commentary series features the full text of the ESV Bible passage by passage with crisp and theologically rich exposition and application Editors Iain M Duguid James M Hamilton Jr and Jay Sklar have gathered a team of experienced pastor theologians to provide a new generation of pastors and

other teachers of the Bible around the world with a globally minded commentary series rich in biblical theology and broadly Reformed doctrine making the message of redemption found in all of Scripture clear and available to all Contributors to this volume include W Brian Aucker Eric Ortlund Douglas Sean O Donnell **Hebrew studies** ,2006 The Book of Genesis Craig A. Evans,Joel N. Lohr,David L. Petersen,2012-03-20 Written by leading experts in the field The Book of Genesis Composition Reception and Interpretation offers a wide ranging treatment of the main aspects of Genesis study Its twenty nine essays fall under four main sections The first section contains studies of a more general nature including the history of Genesis in critical study Genesis in literary and historical study as well as the function of Genesis in the Pentateuch In the second portion scholars present commentary on or interpretation of specific passages or sections of Genesis as well as essays on its formation genres and themes The third part includes essays on the textual history and reception of Genesis in Judaism Christianity and Islam The final section explores the theologies of the book of Genesis including essays on Genesis and ecology and Genesis in the context of Jewish thought Reading the Wife/Sister Narratives in Genesis Hwagu Kang,2018-10-31 The book of Genesis introduces three similar wife sister narratives commonly thought to be originating from different sources because of their repetitive entries This research explores the wife sister narratives in Genesis Gen 12 10 13 1 20 1 18 and 26 1 11 and it aims to provide an understanding of the three stories as a whole by uncovering its context by textlinguistic and literary type scene analysis Textlinguistic analysis helps us to see how each wife sister narrative functions in its context while type scene analysis emphasizes how the three narratives develop and contribute to the patriarchal narratives through their similarities and variations Although the traditional type scene analysis studies recurrent fixed motives in texts this study focuses much more on literary aspects such as characterization theme and plot Through this study the three wife sister stories will elaborate that the patriarchal narratives are not results of different authors but the well developed products of a single author The three wife sister stories work together to highlight God s faithfulness to his promises Gen 12 1 3 The Oxford Handbook of English Literature and Theology Andrew Hass,David Jasper,Elisabeth Jay,2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship between English Literature and Theology
