Decade of Research on School Principals Helene Årlestig,Christopher Day,Olof Johansson,2015-11-13 This book provides a unique map of the focus and directions of contemporary research on school leadership since 2000 in 24 countries Each of these directions has its own particular cultural educational and policy history Taken together the various chapters in the volume provide a rich and varied mosaic of what is currently known and what is yet to be discovered about the roles and practices of principals and their contributions to the improvement of teaching and the learning and achievement of students The particular foci and methodological emphases of the research reported illustrate the different phases in the development of educational policies and provision in each country This collection is an important addition to existing international research that has shown beyond any reasonable doubt that the influence of school principals is second only to that of teachers in their capacity to impact students progress and achievement and to promote equity and social justice **The**

Next Big Thing in School Improvement Ben White,Matthew Evans,Rebecca Allen,2021-10-22 This is a book about educational fads why they arise and how we might learn to live with them Those working in schools are subject to perpetual waves of novelty in the name of school improvement And yet in the long term very little actually changes Big ideas come and go leaving only faint clues as to their existence The trouble is that the appealing stories that take hold will never solve the

fundamental problems of modern schooling The school system is too complex too diverse and too uncertain to be fixed by any Big Idea Before too long the Next Big Thing replaces the Last Big Thing The Next Big Thing in School Improvement brings together the unique perspectives of a policy analyst a headteacher and a classroom teacher to explain why it is that the school system often resists our attempts to improve it Drawing on the recent history of English education policy a variety of disciplinary traditions and the emerging field of complexity science the authors present a new take on why the school system behaves in ways that defy our attempts to change it This is a book about finding a better way to improve our schools It is not the Next Big Thing but it does explain why there will inevitably be one and what to do when it arrives Modern Foreign Languages 5-11 Jane Jones, Simon Coffey, 2016-11-29 The need to introduce pupils to learning languages at an early stage has been widely acknowledged with MFL now a core part of the primary curriculum Fully updated to support busy schools and teachers in planning teaching and delivering the new primary MFL entitlement for all primary pupils this user friendly guide covers significant pedagogical issues and is a key point of reference for all MFL work in the primary classroom Now fully updated to include substantive writing about planning and introducing the new assessment scale this book contains comprehensive coverage of resources and planning valuable new cross curricular links ready to use activities that are anchored in research advice on assessment SEN and the use of technology a development of the broader issues of leadership learning strategies and continuing professional development Modern Foreign Languages 5 11 will help practitioners to teach MFL as a dynamic stand alone subject while retaining a cross curricular focus It builds upon core principles of cultural learning differentiation language awareness and transferable skills by providing practical strategies that can be easily implemented in your setting Offering comprehensive guidance on the pedagogy that underpins language teaching and covering everything you ll need to teach effectively this book delivers a range of practical ideas and examples of best practice to help integrate effective language learning teaching and assessment into the curriculum Written to support the needs of trainees practising teachers and school leaders as they develop their foreign language provision this guide is key reading for those seeking to enhance their professional practice in primary MFL pedagogy
