The Press Gang Godfrey Cheshire, Matt Zoller Seitz, Armond White, 2020-09-29 A dialogue about cinema's legacy and best directors through essays by three of the best long form critics out there collected from the legendary NYPress for the first time Comprising of the kind of long form criticism that is all too rare these days the weekly film columns in the NYPress included polemics reviews interviews festival reports and features A far cry from what is often derisively termed the consumer report mode of criticism Cheshire Seitz and White were passionately engaged with the film culture of both their own time and what had come before They constituted three distinctly different voices equally accomplished yet notably

individual perspectives on cinema Their distinctive tastes and approaches were often positioned in direct dialogue with each other a constant critical conversation that frequently saw each writer directly challenging his colleagues Dialogue is important in criticism and here you can find a healthy example of it existing under one proverbial roof This three way dialogue between Cheshire Seitz and White assesses the 1990s in cinema along with pieces on New York s vibrant repertory scene that allow us to read the authors takes on directors such as Hitchcock Lean Kubrick Welles Fassbinder and Bresson as well as topics such as the legacy of Star Wars film noir early film projection in New York City the New York Film Critics Circle Sundance the terrorist attacks of 9 11 and the emerging cinema of Iran and Taiwan

of this age old tradition **Melissa** Taylor Caldwell,2018-09-04 The 1 New York Times bestselling author s magnificent tale of romantic intrigue in the gothic tradition of Wuthering Heights and Jane Eyre The New York Times In the eyes of his daughter Melissa Charles Upjohn can do no wrong Where others see a minor novelist whose ego far outweighs his talent Melissa sees a brilliant artist deserving of a wider audience Where her sister and brother see a cold and inattentive parent who can t provide for his family Melissa sees a doting father whose intentions are beyond reproach On his deathbed Charles puts his eldest daughter in charge of her mother and siblings Melissa will do anything she can to please him even if it means marrying a man she hates As Charles Upjohn s publisher Geoffrey Dunham holds the keys to the writer s legacy Dunham also has the means to provide for Melissa and her family and the desire to do so Melissa knows her life with Dunham will be grim and passionless but she s willing to sacrifice her own happiness in order to fulfill her father s wishes Dunham however refuses accept a wife in name only To win Melissa s heart he must destroy everything she believes about her father and herself A darkly riveting portrait of the thin line between love and hate Melissa confirms author Taylor Caldwell s reputation as one of the twentieth century s greatest storytellers **Bitters in the Honey** Beth Roy,1999-01-01 he story of what happened at Little Rock s Central High School in September of 1957 is one with which most Americans are familiar Indeed the image of Central High s massive double staircase and of nine black teenagers climbing that staircase clutching their schoolbooks surrounded by National Guardsmen with fixed bayonets has become wedded in the American consciousness to the history of the civil rights struggle in this country The world saw the drama at Central High as a cautionary tale about power and race Drawing on oral histories Beth Roy tells the story of Central High from a fresh angle Her interviews with white alumni of Central High investigate the reasons behind their resistance to desegregation The alumni now near retirement age discuss their lives since Central High and their present insecurities and resentments The stories tell of the shaping of white identities in the latter half of the twentieth century of dissatisfaction even anger that still lingers after forty years Our country has not moved beyond matters of race we have not left intolerance behind To do so Roy believes we must stop demonizing people whose actions historical or current we do not fully understand This elegantly written treatment of the Central High crisis is unique among studies done to date It will help readers to better comprehend the complexity of racism not only as it was evidenced at Central High in 1957 but as it continues to impact our lives today *Gardens of Love and the Limits of Morality in Early Netherlandish Art* Andrea Pearson,2019-02-26 In *Gardens of Love and the Limits of Morality in Early Netherlandish Art* Andrea Pearson charts the moralization of human bodies in late medieval and early modern visual culture through paintings by Jan van Eyck and Hieronymus Bosch devotional prints and illustrated books and the celebrated enclosed gardens of Mechelen among other works Drawing on new archival evidence and innovative visual analysis to reframe familiar religious discourses she demonstrates that depicted topographies advanced and sometimes resisted bodily critiques expressed in scripture conduct literature and even legislation Governing many of these redemptive greenscapes

were the figures of Christ and the Virgin Mary archetypes of purity whose spiritual authority was impossible to ignore yet whose mysteries posed innumerable moral challenges The study reveals that bodily status was the fundamental problem of human salvation in which artists patrons and viewers alike had an interpretive stake

Racing for Innocence Jennifer Pierce, 2012-09-05 How is it that recipients of white privilege deny the role they play in reproducing racial inequality *Racing for Innocence* addresses this question by examining the backlash against affirmative action in the late 1980s and early 1990s just as courts universities and other institutions began to end affirmative action programs This book recounts the stories of elite legal professionals at a large corporation with a federally mandated affirmative action program as well as the cultural narratives about race gender and power in the news media and Hollywood films Though most white men denied accountability for any racism in the workplace they recounted ways in which they resisted whether wittingly or not incorporating people of color or white women into their workplace lives Drawing on three different approaches ethnography narrative analysis and fiction to conceptualize the complexities and ambiguities of race and gender in contemporary America this book makes an innovative pedagogical tool

Machaut and the Medieval Apprenticeship Tradition Douglas Kelly, 2014 A milestone in Machaut studies and in late medieval French literature in general Machaut already considered the seminal figure in late medieval poetics and music here comes across in these respects more clearly than ever Kelly also further contextualises him within what we might call the authorial apprenticeship tradition of Boethius the Roman de la Rose Dante and later Gower Chaucer and Christine de Pizan The fruit of one of the field's most distinguished scholars today Nadia Margolis Mount Holyoke College Guillaume de Machaut was celebrated in the later Middle Ages as a supreme poet and composer and accordingly his poetry was recommended as a model for aspiring poets In his *Voir Dit Toute Belle* a young aspiring poet convinces the Machaut figure to mentor her This volume examines *Toute Belle* as she masters Machaut's dual arts of poetry and love focusing on her successful apprenticeship in these arts it also provides a thorough review of Machaut's art of love and art of poetry in his *dit*s and lyrics and the previous scholarship on these topics It goes on to treat Machaut's legacy among poets who like *Toute Belle* adapted his poetic craft in new and original ways A concluding analysis of *melodie* identifies the synaesthetic pleasure that late medieval poets including Machaut offer their readers Douglas Kelly is Professor Emeritus at the University of Wisconsin Madison

Eros and Psyche (Routledge Revivals) Karen Chase, 2014-06-03 How does Victorian fiction represent personality How does it express emotion and how does it imagine the mind These questions stand at the centre of *Eros and Psyche* first published in 1984 In examining how three authors Charlotte Bront Charles Dickens and George Eliot depict the mind and organise emotion Chase approaches their works as expressive structures and analyses their struggle to accommodate rival imperatives in depicting personality desire and duty guilt and innocence love and autonomy The title begins with Bront s early Angrian tales which introduce the problem that unifies the book the attempt of Victorian fiction to escape the constraints of the romance mode while assimilating its energies There follow readings of *The Pickwick Papers* *Jane Eyre* *Bleak House* and *Middlemarch* in the light of such problems as confinement and exposure in Bront tragic doubt in Dickens and the image of the moral mind in George Eliot *Lives of the Queens of England, from the Norman Conquest* Agnes Strickland, Elisabeth Strickland, 1872
