Subversive Gospel A New Testament Commentary Of Liberation:

The Subversive Gospel Tom Hanks, 2009-01-19 What do the New Testament writers actually teach about 1 the poor 2 women and 3 sexual minorities Why do traditional commentaries and introductions so often ignore or treat superficially such burning questions churches grapple with today Must we seek out specialized monographs to get adequate information and satisfactory answers in each area At last in a single volume Tom Hanks brings together the fruit of decades of study examining each New Testament book in each of these three crucial areas which often overlap in human experience Latin American male liberation theologians often forget that the option for the poor may involve solidarity with a lesbian of color who wants to be ordained Building on his pioneering study on oppression and poverty in Biblical theology Orbis 1984 Wipf 2000 and his Anchor Bible Dictionary article on Poverty in the New Testament which the New York Times review commended for its balance Hanks analyzes the teaching of each New Testament book regarding the main cause of poverty oppression and the variety of liberating Christian responses Feminist and womanist studies are mined to highlight the presence absence and role leadership of women in each New Testament book The remarkable absence of modern notions of family and family values in the New Testament books is emphasized along with the prominence of sexual minorities as authors and subjects of the New Testament books L William Countryman comments regarding the poor women and sexual minorities Tom Hanks has brought these issues to the exegesis of the New Testament in a sustained and orderly fashion He demonstrates beyond question that most of the New Testament authors were not interested in maintaining the household structures of the ancient Mediterranean and that indeed most of the individuals presented in the New Testament documents would not have seemed to be models of family values either in their time or today The works of Hanks and Theodore W Jennings with their detailed and careful argumentation show that excellent work is being done in this vein However surprising their conclusions may be to casual readers or offensive to readers protecting what they conceive as orthodoxy they are in fact deeply grounded in attentive scholarly work Dirt Greed Sex Minneapolis Fortress 2007 p 251 252 Liberation Theology and Sexuality Dr Marcella Althaus-Reid, 2013-05-28 Liberation Theology and Sexuality is a book about doing Liberation Theology in Latin America in the twenty first century The style of doing theology remains the same but this book reflects the work of a new generation of liberation theologians developing a theology that offers a wider and more complex critique of reality with new perspectives on issues of sexuality race gender culture globalization and new forms of popular religiosity Liberation Theology and Sexuality shows how Christianity in Latin America needs to take into account issues concerning sexuality and poverty together with traditional religiosity and culture when reflecting on the construction of Christian faith and identity in the continent For the first time Liberation Theology and Sexuality presents a unique combination of Latin American theologians from more than one generation reflecting on depth on these issues Liberation Theology and Sexuality Marcella Althaus-Reid, 2017-11-30 Liberation Theology and Sexuality is a book about doing Liberation Theology in Latin America in the

Guardiola-Sáenz, Osvaldo D. Vena, 2022-03-17 Going against the false perception that all Latinx views on the Bible are homogeneous the contributors in this book use different hermeneutic perspectives to interpret the New Testament Each chapter examines one of the twenty seven documents thematically instead of following the traditional verse by verse commentary format The Oueer Bible Commentary, Second Edition Mona West, Robert E. Shore-Goss, 2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture **Radical Love Patrick S. Cheng, 2011-03 The** first introductory textbook on the subject of gueer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However Radical Love is the first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians

Searching for Meaning Paula Gooder,2008-08-27 In this clear comprehensive student friendly textbook biblical scholar and teacher Paula Gooder describes and illustrates the range of approaches to interpreting the New Testament as taught in universities and seminaries throughout the English speaking world Top scholars give a short definition of a particular criticism and then Gooder gives a practical example to demonstrate how that criticism can be applied to a biblical text A very broad range of methods is introduced from traditional criticisms such as source criticism and historical criticism to more modern methods such as feminist criticism and liberation criticism Readers will understand how different meanings and

emphases can be drawn from a text depending upon the method of interpretation chosen. They will also be given the skills to start analyzing and examining texts for themselves in a meaningful and insightful way Understanding Theology and Homosexuality in African American Communities Sana Loue, 2013-10-24 Understanding Theology and Homosexuality in African American Communities focuses specifically on helping mental professionals understand the scriptural and historical bases for the negative stance of some African American churches towards same sex relations and how that understanding is relevant within the context of mental health care It provides a summary of the relevant professional literature and examples from clinical practice and or research This Brief is a basic reference for social workers psychologists counselors and other mental health professionals engaged in direct practice with African American clients and families **Sexual Reformation?** Manitza Kotze, Nadia Marais, Nina Muller van Velden, 2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa gueer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church's moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of The Subversive Gospel Thomas D. Newton, 2012-05-11 Subversive encourage further gendered discussions of the Bible Wisdom makes the case that in the Gospel of John Jesus walks and talks like Lady Wisdom of the Hebrew Scriptures In John Jesus is Wisdom incarnate speaking and demonstrating the subversive wisdom of the way of the cross he is a sort of trickster confusing and frustrating his enemies acting in ways counter to convention and driving out the ruler of this world through the upside down logic that comes from above Subversive Wisdom explores literary themes in the Gospel of John such as Jesus as Torah the heavenly perspective of the narrator and Jesus political terminology used throughout the Gospel and the New Rainbow Theology Patrick S. Cheng, 2013-04 To date no book has systematically examined the theological writings of LGBT people of color Nor has any book explored how such writings might actually transform contemporary theological reflections on race and sexuality This book remedies these gaps by constructing a rainbow theology around the theme of bridging or mediation Rainbow Theology is the first book to reflect upon the theological significance of the intersections of race and queer sexuality across multiple ethnic and cultural groups This is particularly important in light of the current polarizing debates over issues of race sexuality and religion within churches and communities of faith around the Early Christian Literature and Intertextuality Craig A. Evans, H. Daniel Zacharias, 2009-08-25 An in depth world analysis of intertextuality within early Christian literature compiled with the aim of improving interpreters understading of the function of older scripture in later scripture **READING THE PARABLES OF JESUS INSIDE A JEEPNEY** Revelation E. Velunta, 2017-11-01 If you ve ever driven down the entire length of Aurora Blvd in Cubao or any regular in city route for that matter you would know how Jeepneys bring a whole new meaning to the word disruptive They snake through traffic at full throttle and screech to a full stop all while incessantly honking cutting corners and negotiating with passengers to scoot over and make room so more passengers can board Most private car owners me included will find jeepneys annoyingly frustrating I am a church worker see and I try to keep my cussing at a level minimum but when I am sharing the road with jeepney drivers all bets are off I scream and all hell breaks loose from my mouth The object of irritation would be the Jeepney and its driver The apparent lack of consideration for law abiding motorists like me the blatant disregard for traffic rules and the thorough abandonment of all good manners and right conduct on the road So it seems You see jeepneys ferry tired day laborers students public school teachers taho vendors rank and file employees fast food servers strangers and friends back to their homes after a very long day The Jeepney and its counterpart the tricycle is the only reliable means of transport in almost all major thoroughfares in the metro Jeepney drivers are your salvation when it s monsoon season when you need to get from one end of the street to the other for just 8 Pesos When you experience the jeepney by virtue of your road encounter from your airconditioned car with cherry bubble gum freshener and Bruno Mars on spotify you will most likely hate jeepneys

for everything that they are annoying frustrating disrupting But if you experience the jeepney as your everyday mode of transport the rest of the bourgeois world is just one huge shitpile of things and people that make your life more difficult than it already is Revelation Velunta's Jeepney Hermeneutics brings to the fore this contrast of locations It surfaces a reading that when done from inside a jeepney could breathe a whole new truth into the text any text but more profoundly the Parables attributed to Jesus of Nazareth In the era of allegory and standard interpretations and proper driving conduct and road manners Velunta's Jeepney Hermeneutics is a necessary disruption to the ways in which we as faithful Bible readers and law abiding motorists capable of doing no wrong conduct and view ourselves Reading the Parables of Jesus inside a Jeepney is good news for everyone in the jeepney which is roughly 70% of the general population in the Philippines It is bad news for those in the remaining 25% and an absolute horror story for those in the uppermost 5% And if truth is a matter of statistics the truth that is preached by Velunta is indeed truest Those who would feel insulted by these truths will realize by the end of this book that they are exactly that which is wrong in this world and they should guite honestly repent before a Jeepney runs them over by Pastor Kakay Pamaran The Queer Bible Commentary Deryn Guest, 2006 A uniquely comprehensive volume of gueer theology that covers every book of both testaments It introduces students to a range of hermeneutical principles and strategies employed in queer interpretations of biblical texts [Re]Gained in Translation, Volume 1-2 Sabine Dievenkorn, Shaul Levin, 2024-02-26 Volume 1 Translations of the Bible take place in the midst of tension between politics ideology and power With the theological authority of the book as God's Word not focusing on the process of translating is stating the obvious Inclinations fluency and zeitgeist play as serious a role as translators person faith and worldview as do their vocabulary poetics and linguistic capacity History has seen countless retranslations of the Bible What are the considerations according to which Biblical retranslations are being produced in current 21st century contexts From retranslations of the Hebrew Bible to those of the Old and New Testaments to mutual influences of Christian and Jewish translational traditions the papers collected here all deal with the question of what is to be regained with the production of a new translation where at times many a previous one has already existed Volume 2 Times are changing and with them the norms and notions of correctness Despite a wide spread belief that the Bible as a sacred original only allows one translation if any new translations are constantly produced and published for all kinds of audiences and purposes The various paradigms marked by the theological political and historical correctness of the time group and identity and bound to certain ethics and axiomatic norms are reflected in almost every current translation project Like its predecessor the current volume brings together scholars working at the intersection of Translation Studies Bible Studies and Theology all of which share a special point of interest concerning the status of the Scriptures as texts fundamentally based on the act of translation and its recurring character It aims to breathe new life into Bible translation studies unlock new perspectives and vistas of the field and present a bigger picture of how Bible re translation works in society today
