**Subversive Spirituality** Eugene H. Peterson, 1997-06-27 Subversive Spirituality is a gathering together of articles written by Eugene Peterson over the past twenty five years Made up of occasional pieces short biblical studies poetry pastoral readings and interviews this book reflects on the overlooked facets of the spiritual life Peterson captures the epiphanies of life with the pleasing pastoral style and inspiring depth of insight for which he is well known Peterson describes his book this way The gathering of articles and essays poems and conversations is a kind of kitchen midden of my noticings of the obvious in the course of living out the Christian life in the vocational context of pastor writer and professor The randomness and repetitions and false starts are rough edges that I am leaving as is in the interests of honesty Spirituality is not by and large smooth I do hope however that they will be found to be freshly phrased **Spirituality** L. Paul Jensen, 2009-08-01 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture s increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed. The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras Jensen s model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed Children, Youth, and Spirituality in a Troubling World, 2012-11 Editors Mary Elizabeth Moore and Almeda M Wright address the harsh challenging and delicate realities of children and youth who live as spiritual beings within a beautiful yet destructive world Providing a practical theological analysis of the spiritual yearnings expressions and challenges of children and youth in a world of rapid change dislocation violence and competing loyalties Children Youth and Spirituality in a Troubling World provides readers with a purposeful conversation on this important topic This book will serve as more than a collection it will

be a genuine conversation which will in turn stir lively conversation among scholars theological students and Christian communities that seek to understand and respond more adequately in ministries to and with children and youth Contributors include Claire Bischoff Susanne Johnson Jennie S Knight Bonnie Miller McLemore Mary Elizabeth Moore Joyce Ann Mercer Veronice Miles Rodger Nishioka Evelyn Parker Luther E Smith Jr Joshua Thomas Katherine Turpin David White Almeda Wright and Karen Marie Yust The End of Religion Bruxy Cavey, 2014-02-27 In The End of Religion Bruxy Cavey shares that relationship has no room for religion Believers and seekers alike will discover anew the wondrous promise found in our savior And Christ's eternal call to walk in love and freedom will resonate with readers of all ages and denominations End of Religion Study Companion Bruxy Cavey, 2021-08-03 Sick of religion So was Jesus Around the world a movement is growing People are waking up to the spiritual beauty of the teachings of Jesus while rejecting the many ugly aspects of the religion that bears his name If you are among those who are disappointed with religion yet are still strangely pulled toward spirituality author Bruxy Cavey will help you make sense of it all Join Bruxy Cavey in an exploration of how twenty first century people can live into the subversive spirituality of a first century radical and discover what the Bible claims is the world God originally intended and still desires a world without religion The End of Religion Study Guide will help you and your group unpack Cavey's teachings in The End of Religion to help you understand discuss and live into the subversive spirituality of Jesus Biblical Greek Exegesis George H. Christian spirituality with scholarly input Each article is by a leading academic and explains the subject matter in an accessible and open fashion Freeing God from Religion Clifford Ratzlaff, 2012-07-27 If you tend to shake your head when you read religious literature please read this book I invite being disagreed with I welcome debate and do not object to being told I am wrong The guestion remains Who has the right religion Despite being an octogenarian when presumably all should be settled and nailed down I now challenge the theology I nodded to so vigorously in a previous time of my life What I once assumed as truth is now open to the kind of tough scrutiny I had never dared engage in My theological life scripts were deeply rooted and beyond challenge Born and raised in a fundamentalist Mennonite conservative evangelical community doubting and questioning were considered acts of sin Even though we were good ethical people we were repaganized every year by visiting English speaking evangelists and getting saved was an annual event I know I did it three times before I was fifteen I include a simple caveat Once you start critiquing and investigating your beliefs even the most cherished you will find that you cannot go back The very act of questioning intensifies the importance of the question Millions of books exist about God every book written by a human being mostly men Over twenty five miles of shelves with books about God are in the archives under the Vatican I had fifteen shelves with many books that talk about God The Spiritual Formation of Leaders Chuck Miller, 2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That's why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God's presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom Spiritual Life Donald Whitney, 2014-02-27 Jesus faced incredible challenges and suffered agonizing trials but there was simplicity in His relationship with His Father that we can emulate And in that simplicity we can realize our greatest fulfillment as believers If your Bible study seems tedious and your prayer life wearisome stop and rediscover how rewarding the simple Christian life can be Understanding Folk Religion: 25th Anniversary Edition Paul G. Hiebert, R. Daniel Shaw, Tite Tienou, 2024-04-24 This book has served the missiological community for twenty five years as a resource for understanding human spirituality in any context Thousands of students have incorporated the principles of this book into ministry around the globe This twenty fifth anniversary edition seeks to enable those who now bring their passion for mission to contemporary contexts affected by globalization climate change and political perspectives unimagined when this book originally appeared Every community wherever it is on earth has its share of beliefs and values that manifest themselves in practices that reflect spiritual engagement Those engaged in mission need to appreciate how underlying beliefs and values

are reflected in handling spiritual power worship and blessing and interaction with others Gospel communicators must account for these elements as they seek to make God s intentions known to people who are searching for God The models presented early in the book are essential for establishing what people consider spiritually critical Applying these models in any religious environment will enable message bearers to engage with beliefs and practices that promote a gospel presentation that makes sense To that end we commend this book for effective missional engagement \*\*Integrated Mission\*\* Sarah Nicholl,2024-05-31 There can be no doubt the positive influence the Lausanne Movement has had on current approaches to evangelical global missions since its inception in 1974 But as with all things made and organized by humankind it should not be above critique Dr Sarah Nicholl asserts spirituality now often seen as an individual rather than communal endeavour has been disconnected from the missional practices in the movement In bringing together missiology mission practice and spirituality she joins a chorus of scholars calling for more integration between areas of theory and practice This book defines this synergy as integrated mission and to illustrate what this mission can look like draws upon the writings and lives of four mission oriented Christians John Wesley St Ignatius of Loyola Orlando Costas and Fr Segundo Galilea This book reasons all believers practising this way of mission will be animated rooted and participatory with the triune God in the missio Dei to the world
