Find a Good Man and Keep Him Satch U. Ejike,2008-09 A lady once said that finding a good man is like looking for a needle in a haystack This is not and should not be the case True love is all around you if earnestly you desire it The book suggests functional approaches to true love as an alternative to the hit and miss approach that almost always ends in divorce or heartbreak The book is for the married or single woman It is for the married woman who perhaps already has a good man and necessarily must keep him It is for the single woman who now is in search of a good man for a lifetime of joyful romance and companionship The book examines the good man s qualifying attributes the meaning of romantic love the concrete manifestations of love and importantly how you recognize and sustain true love when it comes your way Find a Good Man and Keep Him is a practical guide that leads you through and away from the hurtful tumbles and stumbles of a failed relationship onto the path of manifest love with a good man **Subversive Thoughts, Authentic Passions** Bonnie Kreps,1990
