Success Prone Christians:

Successful Christianity Dr. Roger Price, 2008-05-23 The world is full of religions espousing man's ideas of how to get to their particular gods or goddesses and to gain their favor. These people seem to be in a continuous state of failure. Successful Christianity explores the Christian faith in which there are those also who struggle to be on top of things in life. This book gives multiple avenues of overcoming what is seen by some as a person's fate in life. From failures in finances to poor health, I point out that there has to be a change in our thinking if we are to ever be successful in our walk with the Lord. Proposing that God wants us to be successful in life, Scripture is called upon to point out the various avenues in which we please God by our faith and actions that back up that faith which will bring success. Our focus is on a growing relationship with our Lord and His Word. I am convinced this is the avenue of success for the Christian. That is my experience and I pray you find it true also.

Keys For Living a Solid Successful Christian Life Robbie L. Rogers, 2024-06-30 A straight forward simple life changing easy to read common sense look at the complexity of today's difficulties according to and surrounding God's Word the Bible and Christianity. Did God simply hit the start button on creation and walk away like it sometimes feels? He is almost always active with us daily hourly minute by minute. Life is beautiful if we allow it to be and we are blessed beyond measure. Your success depends on what you truly believe what drives your existence. If you work hard enough at what your heart's desire is about it will happen especially if you are working at something in God's name and in His timing. Remember God's plans for you existed before you were born. So what do you spend your time on? Ask God for help in changing the part of you that He dislikes those things that are negative in nature learn to love yourself. Beware of distractions piddling deviations from your purposes mostly they are wrong for you to do at that time. However sometimes fires do occur and must be put out. The distractions I am alluding to come from fragmented thoughts that lead you to deviate from your plan you end up in a room and don't even remember why you are there. If something pops up that requires your attention write it down on your to do list. Everyone should have such a list but often they also are simply a distraction list that keeps you from what you ought to be doing. People within a congregation those on the edge or outside of Christianity and those trying to make some sense out of their career and life experiences in these difficult times while hanging on to Christian principles they believe in need this book. Millions of Christians and non Christians alike need more information and guidance for clarity in a confusing world that often conflicts with one's normal Christian values. This book helps define how we can keep a firm grasp on what we believe and apply those principles with a new sense of realization in our life and career. It is in that mode that it was developed.
