[How to Write and Self-Publish Your First Novel](#) Paul Dorset, 2011-09-01 Writing and publishing

your first novel is tough It usually takes a long time Years for most people It can be soul destroying too You finally complete your manuscript you send off samples to agents and publishers and anxiously watch the mail for the responses Then they come in one at a time rejection after rejection How do I know this I've been there Does this mean I was a bad writer No but I could have used some help in those early days Sure I had purchased a few books on writing and I had tried to pay attention to the advice they gave but there were so many of them and sometimes advice seemed to conflict other advice It was way too much to take in But I persevered with my writing and now I have been writing for several years and I have completed several novels and other books and my writing is a lot better My early novels could still do with some major re editing which they will be finally getting this summer but my later works oh wow I can spot the differences So a few months ago I decided I would go the self publishing route to getting my books out there in the big world Things are changing in the book markets and so many people now have Kindles and Nooks and iPads and other electronic book readers I thought to myself why not do it myself I know I can write I have that confidence Enough complete strangers have told me they like what I write so why shouldn't I join that list of published authors And why should I have to wait for some agent or publisher to take a chance on an unknown author before I get published So I did it and now I have the story to tell and the method you can use to generate your own success This ebook is a series of essays solely concerned with improving your writing skills and getting your first novel successfully self published It is written in a way that you can keep dipping into it and keep coming back to parts of it time and time again It is concise and to the point and it is written from experience thousands of hours of experience Every essay in this book is relevant and has a purpose Every essay will give you pause for thought Can I turn you into a bestselling author No only you can do that But I can set you on a path to success I can give you clear guidelines about what not to do and how to do things better And I can tell you exactly how to self publish that novel This ebook takes your novel from the beginning and leads you along a path of self discovery When you have finished reading you will be Writing for Success and be someone who has a better chance than most every other wannabe author out there of becoming the next Tom Clancy JK Rowling Stephen King or whoever else is your writing hero Good luck
