Sauna Detoxification Therapy Marilyn G. McVicker,2017-06-09 For sufferers of multiple chemical sensitivities MCS the lack of information on toxicity coupled with skepticism misdiagnosis and very limited research in the medical community has made treatment difficult In the early 1980s doctors began to experiment with thorough sweating as a way of purging the body of harmful chemicals The use of a sauna was found surprisingly effective for treatment of a variety of illnesses Information on sauna detoxification therapy is therefore presented here in full so that MCS sufferers can make informed choices The causes and symptoms of MCS are discussed along with current medical information Real life experiences of those who have chosen sauna treatment are

provided with a look at such options as health clubs detox centers and home sauna units The special value of this book is its detailed specifications and drawings for a home sauna made entirely of nontoxic building materials Appendices include a directory of manufacturers and distributors product information helpful organizations publications and other information

Men's Health and Illness Donald Sabo, David F. Gordon, 1995-08-30 A multidisciplinary international approach is taken in this volume which contextualizes men's health issues within the broader theoretical framework of men's studies The contributors argue that gender is a key factor for understanding the patterns of men's health risks the ways men perceive and use their bodies and men's psychological adjustment to illness itself The first part introduces perspectives of men's studies and their relevance to understanding men's health Part Two explores the links between traditional gender roles men's health and larger structural and cultural contexts Part Three looks at the implications of multiple masculinities for health issues while the final section of the book examines the psych Families Living with Chronic Illness and Disability Paul W. Power, Arthur E.
