## Such Is My Beloved:

Such Is My Beloved Morley Callaghan, 2009-02-24 One of the great novels of the 1930s *Such Is My Beloved* recounts the tragic story of two down and out prostitutes and the young priest who aspires to redeem their lives The novel is at once a compassionate portrait of innocence and idealism and an emphatic condemnation of a society where the lines between good and evil are essentially blurred *Such Is My Beloved* is widely considered to be Morley Callaghan's finest novel **Locations of the Sacred** William Closson James, 2006-01-01 Where do Canadians encounter religious meaning Not where they used to In ten lively and wide ranging essays William Closson James examines various derivations of the sacred in contemporary Canadian culture Most of the essays focus on the religious aspects of modern Canadian English fiction for example in essays on the fiction of Hugh MacLennan Morley Callaghan Margaret Atwood and Joy Kogawa But James also explores other non literary events and activities in which Canadians have found something transcendent or revelatory Each of the chapters in *Locations of the Sacred* can be read independently as a discrete analysis of its subject Taken as a whole the essays make up a powerful argument for a new way of looking at the religious in contemporary Canada not in the traditional ways of being religious but in activities and locations previously thought to be secular Thus the domains and modes of the religious are expanded not restricted *Faith and Fiction* Barbara Pell, Canadian Corporation for Studies in Religion, 1998-11-02 Is it possible to write an artistically respectable and theoretically convincing religious novel in a non religious age Up to now there has been no substantial application of theological criticism to the works of Hugh MacLennan and Morley Callaghan the two most important Canadian novelists before 1960 Yet both were religious writers during the period when Canada entered the modern non religious era and both greatly influenced the development of our literature *Faith and Fiction A Theological Critique of the Narrative Strategies of Hugh MacLennan and Morley Callaghan* is a significant contribution to the relatively new field studying the relation between religion and literature in Canada **The Callaghan Symposium** David Staines, 1981 ??? ????? Michael Fishbane, 2015-03-01 *Shir ha Shirim* Top of the title page *Jewish Stories of Love and Marriage* Sandy Eisenberg Sasso, Peninnah Schram, 2015-08-20 *Jewish Stories of Love and Marriage* offers a treasury of tales that speak to the tenderness and passion difficulties and blessings of love Jewish tradition overflows with love stories from the Bible Talmud and Midrash Folktales continue the tradition and contemporary writers highlight the way their faith and love interweave and enrich each other From Adam and Eve to Song of Songs from legends of Solomon to the letters of Alfred and Lucie Dreyfus these are stories of heartbreak devotion and celebration They tell of how people fall in love and how they grow in love The narratives are as old as the Bible and as new as the twenty first century They come from places as far ranging as Yemen and New York The relationships are heterosexual and homosexual arranged and spontaneous young and mature Though the stories reflect the times and places in which they were told they have a universal message about longing and romance relationship respect and commitment Noted storyteller Peninnah Schram and Rabbi Sandy Eisenberg Sasso

Reif,Andreas Lehnardt,Avriel Bar-Levav,2014-08-27 Jewish customs and traditions about death burial and mourning are numerous diverse and intriguing They are considered by many to have a respectable pedigree that goes back to the earliest rabbinic period In order to examine the accurate historical origins of many of them an international conference was held at Tel Aviv University in 2010 and experts dealt with many aspects of the topic This volume includes most of the papers given then as well as a few added later What emerges are a wealth of fresh material and perspectives as well as the realization that the high Middle Ages saw a set of exceptional innovations some of which later became central to traditional Judaism while others were gradually abandoned Were these innovations influenced by Christian practice Which prayers and poems reflect these innovations What do the sources tell us about changing attitudes to death and life after death Are tombstones an important guide to historical developments Answers to these questions are to be found in this unusual illuminating and readable collection of essays that have been well documented carefully edited and well indexed
