Sudden Return:

Unexpected Return Pamela Knowles, 2023-03-09 Who is James He has haunted Justine in her dreams for the past year But these dreams only happen when she is wearing the necklace she found in England during the family vacation a year ago Sometimes he appears to her in an ancient castle and other times in a present day hospital setting She doesn't know who he is she only knows she loves him Only a junior in high school her family decides to move to England for two years so her father a world famous heart surgeon can teach at the Oxford School of Medicine At first Justine was upset about the move but then realized this offered the perfect opportunity to find out if James was real or just a figment of her imagination She's not sure how to locate him but has two years to try Her dreams become a reality when she sees James standing before her in the garden at their new home How did he find her How will she react when she sees him Will they ever travel through the portal and return to the magic of Wiltshire Follow these two young people on their journey as they become reacquainted with each other

Zion's Christian Soldiers? Stephen Sizer, 2021-07-24 Many Bible believing Christians are convinced that God blesses those nations that stand with Israel and curses those that don't This belief has had a significant influence on attitudes towards the ongoing Palestinian Israeli conflict in the Middle East Claims made in books like the Scofield Reference Bible and Hal Lindsey's The Late Great Planet Earth have fed into contemporary Christian Zionism with radical implications for how we view our faith and the world in which we live Stephen Sizer contends that this view is based on misinterpretation of the Bible He provides an introduction to Christian Zionism and a clear response and positive alternative based on a careful study of relevant biblical texts His intention is to encourage dialogue on the relationship between Israel and the Christian church and offer a more constructive view of the future and our role in it This accessible volume includes numerous tables and diagrams questions for Bible study and further reflection and a glossary of terms It concludes with a previously unpublished sermon by John Stott on The Place of Israel

In Search of Decency Michael Heyn, 2013-09-01 A vision and practical path of a new partnership of rich and poor to create a better world An uncommon memoir Michael Heyn's cross cultural journey through pervasive human adversity unexpectedly reveals a positive global vision of human decency and caring relevant as much to America as to Yemen His journey passes through 50 years living and working across countries spanning from the United States to India Pakistan Ethiopia South Pacific Islands Nepal Kenya Liberia Malawi Thailand Kosovo Bangladesh South Sudan Vietnam and Yemen His story stretches from an unsettling childhood to a lifetime in support of the struggle for justice opportunity and change of those left on the far sides of an ever expanding divide between rich and poor From living as a Peace Corps Volunteer in a remote Peruvian mountain village to innumerable confrontations with prejudice abuse deprivation conflict and war over a long career in service of the United Nations Heyn shares what he learned from those caught up on either side of the chasm A unique insight into and historical understanding of both alienation and aspiration that cut through all human cultures and relations Heyn envisions a break from the past isolation of greed and

selfishness on the one hand and a stark hopelessness on the other This is a voyage of accumulating discovery that exposes what must change if people are to cross over the divide to come together for their common good no matter how antithetical this may seem It is a belief in the basic decency of people both rich and poor as the magic to realise such change Heyn sets out a practical path to achieve this goal to be actively pursued and managed by those bridging the divide In the face of seemingly insurmountable odds it is an exhilarating path that will benefit all engaged and instill reform of our societies values and governing systems It is the vision of an immense new power of rich and poor to realise an altered way of life and a better world In Search of Decency is a gripping memoir that provides cross cultural and political analysis and views on international development My hope is to inspire people rich and poor young and old corporate leaders and agents of change that the world can be a more just and decent place and that their commitment to join together is the power to make this happen says author Michael Heyn

A Public and Political Christ Bart B. Bruehler,2011-08-05 Was Jesus a public figure A political figure Yes according to Luke s gospel Jesus was a Christ who was both public and political Recent developments in the theory and practice of the study of space have provided tools to classify ancient social spatial spheres with greater nuance and depth A broad survey of literary and archaeological resources in the ancient world as well as an in depth look at Plutarch s Political Precepts and Philostratus s Life of Apollonius reveals that the familiar dichotomy of public and private does not suffice to describe the Hellenistic Roman milieu that shaped the author and audience of the third gospel This study employs social spatial analysis to explore how Luke uses the power of place to portray Jesus frequently engaging the unofficial public sphere and local politics specifically in 18 35 19 43 the public healing of the blind beggar the unexpected impact of Zacchaeus s hospitality the political implications of the parable of the king and his subjects and the publicity and politics of Jesus entry into Jerusalem The result is an illuminating look at the overall spatial character of Luke s gospel the development of Christianity in the latter half of the first century and the role of place in contemporary Christianity

Conditional Futurism James Goetz,2012-01-11 Conditional Futurism introduces a new perspective of end time theology eschatology The book holds to Christian futurism while integrating the Apocalypse of John with the conditional dynamics of prophecy taught in Jeremiah Ezekiel Daniel and various

other books throughout the Old Testament The new paradigm concludes that the final antichrist also known as the man of lawlessness the beast and the eighth king may read the apocalyptic prophecy of his doom while deciding instead to repent of evil and turn to the Lord which is a biblical option that would fulfill the divine purposes of the apocalypse This cutting edge scholarship also develops new biblical models of angels appearing as humans the descent of Christ into hell and the kings in Revelation that incorporate with this end time theology that encourages hope in all circumstances Your Life User Manual Evan L. Wride,2018-04-30 This is a contemporary practical and relevant book about how to understand and apply the Bible in your everyday life It is a superb book filled with biblically based ways to achieve a significantly improved and healthier life It is intentionally written using ordinary everyday language avoiding dogmatic confusing and religious jargon The book is not just for Christians but anyone who desires to live a better life This is not a book about religion it is about how to effectively use the Bible to live a successful life Evan Wride is an ordinary guy who has read the Bible and uses it to manage his life He is passionate relentlessly practical and writes as if he is talking with a friend His words thoughts and perspectives are modern day heartfelt and action oriented Your Life User Manual is a real world look at the main issues we face as humans and specific ways the Bible answers them The topics are a litany of our everyday concerns setting priorities plans finances time management mental and physical health addiction love marriage children dating relationships sex career co workers making good choices our reason for being here and our individual uniqueness This is not a counseling book it is a book of God's time proven direction for how to live productive lives Too many of us rely on ourselves others and society for wisdom and the results are less than satisfactory Going to the source for answers provides you with knowledge wisdom and purpose for your one and only life We have all contemplated that there must be more to life in order to achieve the meaning and significance we are all searching for This book will specifically direct you in how to learn to do life according to the Bible which will transform your life so you can become all you were intended to be You will discover how to live your best life

Pastoral Sermons and Occasional Sermons Ronald

Knox,Ronald Arbuthnott Knox,2002 The highly esteemed Catholic convert writer and apologist Ronald Knox a master of the English language was well regarded for his gifts both of writing and preaching This volume combines both skills as it is a collection of his homilies on all the important themes of the spiritual and moral life and on his favorite saints men and women of history who were inflamed with the love of Christ In his always descriptive profound and witty style Knox covers a very wide variety of pastoral themes for Christian living and growth in spiritual perfection Themes such as The Fatherhood of God The Sermon on the Mount The Gifts of God The Triumph of Suffering The Divine Sacrifice and dozens more In his occasional sermons on saints and Christian heroes he shows how these heroes of history struggled with many of the same spiritual battles that modern believers encounter daily and overcame them with faith courage character and virtue These are the shining witnesses of the truth and charity we all seek to emulate

Preaching as Worship Michael J. Quicke,2011-09-01

Much current literature on church worship rarely mentions preaching and vice versa Worship is often seen as restricted to music and liturgy while preaching is assumed to operate on different principles for different purposes But veteran preacher

Michael Quicke argues that preaching should be viewed as worship as both worship and preaching belong within the same Trinitarian dynamic serving the same purpose and marked by similar characteristics Drawing on insights from wide ranging literature and practitioners on both sides of the gap this insightful book confronts and corrects ten characteristics of preaching that are disconnected from worship *Browning's Beginnings* Herbert F. Tucker Jr., 1980-12-31 *Browning's Beginnings* was first published in 1980 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions *Browning's Beginnings* offers a fresh approach to the poet who among major Victorians has proved at once the most congenial and most inscrutable to modern readers Drawing on recent developments in literary theory and in the criticism of romantic poetry Herbert F Tucker Jr argues that Browning's stylistic obscurity is the result of a principled poetics of evasion This art of disclosure in deferring formal and semantic finalities constitutes an aesthetic counterpart to his open ended moral philosophy of incompleteness Browning's poems like his enormously productive career find their motivation and sustenance in his optimistic love of the future a love that is indistinguishable from his lifelong fear that there will be nothing left to say The opening chapters trace the workings of Browning's art of disclosure with extensive and original interpretations of the unduly neglected early poems *Pauline Paracelsus* and *Sordello* and place special emphasis on Browning's attitudes toward poetic tradition and language A chapter on Browning's attitudes toward poetic tradition and language A chapter on Browning's plays identifies dynamics of representation in *Pippa Passes* *Strafford* and *King Victor and King Charles* Tucker discusses the pervasive analogy between Browning's ideas about poetic representation and about representation in its erotic and religious aspects and shows how the early poems and plays illustrate correlative developments in poetics and in the exploration and dramatic rendering of human psychology The remaining chapters follow the poetic psychology of Browning to its culmination in the great poems of his middle years exemplary readings of selected dramatic lyrics and monologues suggest that the ways of meaning in Browning's mature work variously bear out the sense of endlessness or perpetual initiation that is central to his poetic beginnings Tucker thus contends that the romantic and the Victorian Browning have more in common than is generally supposed and his book should appeal to students of both periods Its discussion of general literary issues poetic influence closure representation and meaning in application to particular texts should further recommend *Browning's Beginnings* to the nonspecialist reader interested in poetry and poetic theory
