Suffering Is Optional The Myth Of The Innocent Bystander:

Suffering is Optional Morris L. Haimowitz, Natalie Reader Haimowitz, 1976 *Into TA* William F. Cornell, Anne de Graaf, Trudi Newton, Moniek Thunnissen, 2018-05-08 Transactional Analysis TA has continued to grow and develop ever since its inception by the Canadian American psychiatrist Dr Eric Berne over a half century ago It has proven itself to be an extremely useful model for human relations professionals working in a variety of contexts and fields such as psychotherapy coaching and counselling management and organisational development or parenting and education TA combines an accessible theory on the development of people and systems with a practical approach centred on the possibilities of change growth and development *Into TA* is a comprehensive textbook of contemporary TA in theory and practice The first section of the book focusses on theory presented so that both beginning and experienced professionals will find much of value TA theory is then further integrated with other current models of psychology education and organisational consultation The second section provides rich and stimulating examples of TA in practice that bring the theory to life Catalog of Copyright Entries, Third Series Library of Congress.
