Generalist Social Work Practice John Poulin, Selina Matis, Heather Witt, 2025-03-13 A competency based approach to generalist social work practice that integrates an anti oppressive perspective and foundational practice principles Generalist Social Work Practice A Competency Based Approach aligns with the nine professional social work competencies defined by the Council on

Social Work Education's CSWE 2022 Educational Policy and Accreditation Standards EPAS and is fully revised to incorporate the latest updates. This textbook offers a comprehensive chapter by chapter exploration of each competency and covers all areas of social work practice including theory, ethics, human rights, social justice, and interventions at micro and mezzo levels. Generalist Social Work Practice integrates the critical themes of anti-racism, diversity, equity, and inclusion (ADEI) to ensure future social workers engage thoughtfully and competently in diverse settings. New to the Second Edition: Explicit focus on generalist social work practice; Integration of anti-oppressive practice principles into the generalist model; Alignment with CSWE 2022 EPAS; Combined assessment and intervention content across chapters; Introduction of a new chapter on evaluation; Enhanced ADEI content throughout the book. Key Features: Provides comprehensive coverage of generalist practice with individuals, families, groups, organizations, and communities; Explores the nine CSWE professional competencies; Incorporates social justice perspectives into practice models; Offers extensive case examples, ADEI reflection questions, and chapter summaries; Includes QR Codes that link to supplemental videos for enriched learning; Provides online instructor resources such as electronic presentations, discussion questions, and grading rubrics; Presents a student-friendly writing style to encourage engagement and understanding. *International Social Work* David Cox, Manohar Pawar, 2012-12-04

International Social Work: Issues, Strategies, and Programs Second Edition draws together the practice wisdom emerging within the broad scope of international social work practice and its role in contributing to the international community's efforts in combating the major global social problems of poverty, conflict, and postconflict reconstruction; the development of countries and disadvantaged populations; migration and displacement; and the needs of specific populations such as child soldiers and AIDS orphans. Utilizing an integrated perspectives approach incorporating global human rights, ecological, and social development perspectives, the *International Social Work 2e* is designed to prepare social workers, human services professionals, development practitioners who desire to play significant roles in responding to modern global challenges that are critical to the well-being of people, communities, nations, and ultimately of us all. *Encyclopedia of Social Work*, 1965

Critical Social Work June Allan, Linda Briskman, 2020-07-16 Another important contribution to the growing literature on critical social work. It is on the cutting edge of thinking about social work and its goal of social change. Kate van Heugten. *Social Work Review: Critical Social Work* starts from the premise that a central goal of social work practice is social change to redress social inequality. Taking a critical theoretical approach, the authors explore the links between personal and social change. They confront the challenges for critical social work in the context of pressures to separate the personal from the political and in responding to the impact of changes in the socio-political, statutory, and global contexts of practice. *Critical Social Work* has been thoroughly revised to take into account recent social, economic, and political developments. Coverage of theoretical frameworks has been substantially expanded and reflects current concerns such as evidence-based practice and human rights. The causes of people's marginalisation and oppression are examined in relation to class, race, ethnicity, gender,

and other forms of social inequality Case study chapters in the earlier edition on working with immigrants Indigenous people women men families people with psychiatric disabilities and those experiencing loss and grief have been updated and revised The second edition includes new case study chapters on disability older people children rurality and violence and abuse Critical Social Work is an essential resource to inform progressive social work practice Doing Critical Social Work Sophie Goldingay, 2020-07-25 Critical social work encourages emancipatory personal and social change This text focuses on the challenge of incorporating critical theory into the practice of social workers and provides case studies and insights from a range of fields to illustrate how to work with tensions and challenges Beginning with an outline of the theoretical basis of critical social work and its different perspectives the authors go on to introduce key features of working in this tradition including critical reflection Part II explores critical practices in confronting privilege and promoting social justice in social work examining such issues as human rights gender poverty and class Part III considers the development of critical practices within the organisational context of social work including the fields of mental health child and family services within Centrelink and prison settings Part IV is focused on doing anti discriminatory and anti oppressive practice in social work with particular populations including asylum seekers Aboriginal and Torres Strait Islander peoples domestic violence survivors older people and lesbian gay and transgender groups Finally Part V outlines collectivist and transformative practices in social work and beyond looking at environmental issues social activism the disability movement and globalisation A highly valuable addition to social work education and practice literature in Australia and beyond its shores Ruth Phillips Associate Professor Faculty of Education and Social Work University of Sydney *Radical Challenges for Social Work Education* Jane Fenton, 2022-04-19 This book is full of ideas about how social work education can confront the individualising and often blaming form of social work that neoliberalism ushered in four decades ago Radical social work is an approach to social work that has at its heart the departure from solely behavioural moral or psychological understanding of service users problems Social work had originally been concerned with the moral character of people in trouble usually poor people making a clear division between those who were deserving of help and those who were undeserving The rise of science and the psy disciplines then led to psychological explanations for the difficulties people found themselves in Both explanations for social problems moral and psychological with their narrow focus on the individual have been enjoying a renaissance in recent times with the neoliberal self sufficiency narrative moral and the more recent focus on trauma psychological Radical social work challenges those explanations concerned as it is with the circumstances a person might find themselves in poverty poor housing poor education high crime rates and lack of opportunities of all kinds This book is a step towards resurrecting radical social work principles and it urges us to think about how social work education can be reshaped to that end *Radical Challenges for Social Work Education* is a significant new contribution to social work practice and theory and will be a great resource for academics researchers and advanced students of Politics Education Social Work Sociology Public Policy
