The Greening of Trade Law Richard H. Steinberg, 2002 In this first book to systematically compare how each of the world's major international trade organizations have handled environmental issues leading specialists provide a balanced analysis of the development of trade and the environment rules in the World Trade Organization the European Union the North American Free Trade Agreement the Free Trade Area of the Americas the Asia Pacific Economic Cooperation forum the International Organization for Standardization and other key organizations Deftly combining policy and theory the authors offer a range of heuristics and normative orientations in an effort to understand one of the globe's most contentious and timely dilemmas Visit our website for sample chapters

Debt Trap Richard W. Lombardi, 1985

Emptiness John Corrigan, 2015-05-27 Corrigan reveals for the first time how Christians in the United States pursue this feeling of emptiness through bodily practices group identification ideas of space and time and reasoned argument Dust jacket

Maritime Governance and Policy-Making Michael Roe, 2012-07-20 A close analysis of the framework of existing governance and the existing jurisdictional arrangements for shipping and ports reveals that while policy making is characterized by national considerations through flags institutional representation at all jurisdictions and the inviolability of the state the commercial financial legal and operational environment of the sector is almost wholly global This governance mismatch means that in practice the maritime industry can avoid policies which it dislikes by trading nations off against one another while enjoying the freedoms and benefits of a globalized economy A Post modern interpretation of this globalized society prompts suggestions for change in maritime policy making so that the governance of the sector better matches more closely the environment in which shipping and ports operate Maritime Governance and Policy Making is a controversial commentary on the record of policy making in the maritime sector and assesses whether the reason for continued policy failure rests with the inadequate governance of the sector Maritime Governance and Policy Making addresses fundamental questions of governance jurisdiction and policy and applies them to the maritime sector This makes it of much more interest to a much wider audience including students researchers government officials and those with industrial and commercial interests in the shipping and ports areas and also of more value as it places the specific maritime issues into their wider context Maritime Governance and Policy Making addresses fundamental questions of governance jurisdiction and policy and applies them to the maritime sector This makes it of much more interest to a much wider audience

including students researchers government officials and those with industrial and commercial interests in the shipping and ports areas and also of more value as it places the specific maritime issues into their wider context **Bibliographic Guide to Conference Publications** New York Public Library. Research Libraries, 1986 Vols for 1975 include publications cataloged by the Research Libraries of the New York Public Library with additional entries from the Library of Congress MARC tapes

A Strategic Understanding of UN Economic Sanctions Golnoosh Hakimdavar, 2013-10-08 Economic Sanctions are increasingly used as a legal non military technique of combating abusers of international peace However it remains unclear how the success or failure of these sanctions is measured This book examines the seldom explored United Nations economic sanctions deliberation process and exposes systematic problems in the measurement of the success or failure of these sanctions Centering on the key concepts of peace and security the author brings the reader's attention to the discrepancies that exist in the process of decision making implementation and evaluation of UN imposed economic sanctions She engages international law and development methods to provide proof for the lack of consensus in measures of success and failure which in turn suggests that sanction implementation on a uniform domestic front are unattainable This thorough analysis concludes with suggestions for improving the sanctions process only to clear the path for negating them as a whole and suggest alternative non coercive measures for mitigating conflict situations and threats to peace and security

Socio-economic Development in India Ratnakar Gedam, 1991 Forthcoming Books Rose Arny, 1984 **International Law in the U.S. Supreme Court** David L. Sloss, Michael D. Ramsey, William S. Dodge, 2011-04-25 From its earliest decisions in the 1790s the US Supreme Court has used international law to help resolve major legal controversies This book presents a comprehensive account of the Supreme Court's use of international law from its inception to the present day Addressing treaties the direct application of customary international law and the use of international law as an interpretive tool this book examines all the cases or lines of cases in which international law has played a material role showing how the Court's treatment of international law both changed and remained consistent over the period Although there was substantial continuity in the Supreme Court's international law doctrine through the end of the nineteenth century the past century has been a time of tremendous doctrinal change Few aspects of the Court's international law doctrine remain the same in the twenty first century as they were two hundred years ago **Paperbound Books in Print**, 1992
