

Society Politics In Hong Kong

Lewis G. Irwin

Society Politics In Hong Kong:

Society and Politics in Hong Kong Siu-kai Lau, Zhaojia Liu, 1984
Ma, 2007-01-01 This book reviews the political development of Hong Kong before and after 1997 in particular the evolution of state society relations in the last two decades to analyze the slow development of democracy and governance in Hong Kong after 1997 This book is a most comprehensive analysis of the multi faceted changes in Hong Kong in the last 20 years The scope of changes analyzed included state functions and institutions political changes such as party development and development of the Legislative Council and social changes such as social movements civil liberties etc It helps the reader understand the crisis of governance of Hong Kong after 1997 and the difficulty of democratic development in Hong Kong over the years The book covers changing state institutions in Hong Kong in the last few decades party development in Hong Kong the changing role and function of the legislature in Hong Kong the evolution of social movement and movement organizational forms media freedom civil liberties and the role of civil society and theoretical discussions concerning governance problems and state society relations in Hong Kong Special emphasis is placed on how these changes brought about a new state society relation which in turn brought governance difficulties after 1997

Between Two Worlds - Society, Politics, and Business in the Philippines Rupert Hodder, 2003-08-29 This book considers the tensions and complementarities between two different attitudes towards social relationships on the one hand the attitude aspired to in the West which emphasises individualism institutional probity and the rule of law and which regards social relationships as ideals or absolutes and on the other hand the attitude often found in Asia where loyalties based on kinship local networks and places of origin are vitally important and where social relationships institutions and practices are often material for manipulation and the pursuit of ambition The book explores the nature of these different attitudes discussing the different attitudes as they are found in practice in the Philippines It considers how they are bound up with material progress and how they have a crucial impact on business politics and region centre relations

Politics and Government in Hong Kong Ming Sing, 2009 This book examines the government of Hong Kong since its handover to mainland China in 1997 focusing in particular on the anti government mass protests and mobilisations in the years since 2003 It argues that Hong Kong has been poorly governed since transferring to Chinese rule and that public frustration with governmental performance including anti subversion laws and slow democratisation has resulted in the regular and massive protests which have been rare in Hong Kong s past political development The book then assesses different explanations for Hong Kong s government problems including lack of social cohesion incomplete economic restructuring structural budgetary deficit severe social inequality intensifying cronyism and deficiencies within the political system itself It goes on to discuss the implications of poor governance for legislative elections civil society and constitutional development and considers the prospects for the future It argues that although in the short term the Hong Kong government has managed to maintain its popular support ratings in

the longer run it is unlikely to be able to maintain its legitimacy in dealing with the fundamental challenges of government unless the current system is replaced by popular election of the government with appropriate institutional capacity and political powers **Society and Politics in Hong Kong** Zhaojia Liu,1983-01-01 *Hong Kong and British culture, 1945-97* Mark Hampton,2015-11-01 This book examines the British cultural engagement with Hong Kong in the second half of the twentieth century It shows how the territory fit unusually within Britain s decolonisation narratives and served as an occasional foil for examining Britain s own culture during a period of perceived stagnation and decline Drawing on a wide range of archival and published primary sources *Hong Kong and British culture 1945 97* investigates such themes as Hong Kong as a site of unrestrained capitalism modernisation and good government as well as an arena of male social and sexual opportunity It also examines the ways in which Hong Kong Chinese embraced British culture and the competing predictions that British observers made concerning the colony s return to Chinese sovereignty An epilogue considers the enduring legacy of British colonialism This book will be essential reading for historians of Hong Kong British decolonisation and Britain s culture of declinism *Political Order and Power Transition in Hong Kong* Pang-kwong Li,1997 Leading scholars of Hong Kong studies have contributed their expertise and analyses to this volume in order to better understand the dynamics of change and related issues during this historic period of Hong Kong history This book highlights some of the key issues that have emerged in the process of transition British policy towards Hong Kong political reforms and democratization relations between the administration and the legislature the transformation of senior civil service development of political party civil society fiscal policy and land use etc *Hong Kong: The Road to 1997* Roger Buckley,1997-06-12 Essential reading for all those interested in the remarkable history of Hong Kong since 1945 and in its unpredictable future after 1997

Perspectives on Hong Kong Society Benjamin K. P. Leung,1996 This book examines the socio economic and political aspects of Hong Kong society through a study of existing research and writing It is of interest to any reader wishing to gain an understanding of Hong Kong society its past and current developments as well as its future directions Understanding the Political Culture of Hong Kong: The Paradox of Activism and Depoliticization Lam Wai-man,2015-06-03 This book challenges the widely held belief that Hong Kong s political culture is one of indifference The term political indifference is used to suggest the apathy naivete passivity and utilitarianism of Hong Kong s people toward political life Taking a broad historical look at political participation in the former colony Wai man Lam argues that this is not a valid view and demonstrates Hong Kong s significant political activism in thirteen selected case studies covering 1949 through the present Through in depth analysis of these cases she provides a new understanding of the nature of Hong Kong politics which can be described as a combination of political activism and a culture of depoliticization *Global Hong Kong* Cindy Wong,Gary McDonogh,2014-06-03 *Global Hong Kong* locates Hong Kong in the contemporary globalizing world Hong Kong as the authors argue is an archetypal place sitting at the intersection of East and West It is also a major center for global capital

flows and world trade Moreover in recent years the island's global cultural power has become increasingly evident as Hong Kong popular culture has spread to the West via a booming film industry While looking at issues of postcoloniality transnationalism and economic globalization Wong and McDonogh focus on the new cultures and social formations of contemporary Hong Kong as well as the transformation of the physical city itself They also trace the new interconnections economic demographic social and cultural between Hong Kong and other parts of the world that have been fostered by globalization Books in this series look at how nations and regions across the world are navigating the tumultuous currents of globalization Concise descriptive interdisciplinary and theoretically informed they serve as ideal introductions to the peoples and places of our increasingly globalized world

Traditional Organized Crime in the Modern World Dina Siegel, Henk van de Bunt, 2012-03-23 Despite strenuous efforts from local national and international law enforcement organized crime continues to thrive and prosper even centuries old crime outfits are surviving the global forces of mass migration and multinational business and finance From traditional gangland enterprises such as narcotics gambling and prostitution the world's mafias have moved into new sources of illegal income including high tech arms smuggling money laundering and identity fraud *Traditional Crime in the Modern World* tracks these organizations the Italian and Mexican mafias Columbian drug cartels Chinese triads and others across five continents as they adapt to change and assesses their prospects in the short and long term World events such as the collapse of the Soviet Union and the 9 11 terror attacks are discussed in the context of contributing to emerging markets for illicit goods and services and to evolving partnerships among criminal entities This timely volume Provides a comprehensive overview of how mafia like structures function today Analyzes in depth national crime situations with global implications Examines the migration of organized crime groups and their operations in their new countries Gauges the influence of digital and other technologies on organized crime Where applicable notes the links between organized crime and national political institutions Describes the impact of the global financial crisis on crime organizations Concise compelling and deeply documented *Traditional Crime in the Modern World* is an eye opening resource for researchers in Criminology and Criminal Justice particularly with an interest in organized crime and trafficking as well as related topics of Demography Political Science and International Relations

Governance for Harmony in Asia and Beyond Julia Tao, Anthony B. L. Cheung, Martin Painter, Chenyang Li, 2009-12-18 Harmony has become a major challenge for modern governance in the twenty first century because of the multi religious multi racial and multi ethnic character of our increasingly globalized societies Governments all over the world are facing growing pressure to integrate the many diverse elements and subcultures which make up modern pluralistic societies This book examines the idea of harmony and its place in politics and governance both in theory and practice in Asia the West and elsewhere It explores and analyses the meanings mechanisms dimensions and methodologies of harmony as a normative political ideal in both Western and Asian philosophical traditions The book argues that in Western political thought which sees politics as primarily concerned with resolving social

conflicts and protecting individual rights the concept of harmony has often been neglected In contrast since earliest times harmony or he has been a profound theme in Confucian thought and current leaders of many East Asian governments and the Chinese government have explicitly declared that the realisation of a harmonious society is their aim The book also assesses how harmony is pursued jeopardized or deformed in the real world of politics based upon empirical analysis of a variety of different cultural social and political contexts including China Hong Kong Singapore Malaysia Singapore Vietnam Denmark Latin America and the Scandinavian countries It shows how harmony as an organizing concept can help to promote new thinking in governance and overcome problems of modern day governance like distrust adversarial conflicts hyper individualism coercive state intervention and free market alienation It also discusses the potential problems posed by the pursuit of harmony in particular in the grave threat of totalitarianism and considers how these risks could best be mitigated

Law and Politics of the Taiwan Sunflower and Hong Kong Umbrella Movements Brian Christopher

Jones,2017-03-27 Rarely do acts of civil disobedience come in such grand fashion as Taiwan s Sunflower Movement and Hong Kong s Umbrella Movement The two protests came in regions and jurisdictions that many have underestimated as regards furthering notions of political speech democratisation and testing the limits of authority This book breaks down these two movements and explores their complex legal and political significance The collection brings together some of Asia s and especially Taiwan and Hong Kong s most prolific writers many of whom are internationally recognised experts in their respective fields to address the legal and political significance of both movements including the complex questions they posed as regards democracy rule of law authority and freedom of speech Given that occupational type protests have become a prominent method for protesters to make their cases to both citizens and governments exploring the legalities of these significant protests and establishing best practices will be important to future movements wherever they may transpire With this in mind the book does not stop at implications for Taiwan and Hong Kong but talks about its subject matter from a comparative international perspective Routledge Handbook of Democratization in East Asia Tun-jen Cheng,Yun-han

Chu,2017-09-01 This handbook provides a comprehensive analysis of the dynamics and prospects of democratization in East Asia A team of leading experts in the field offers discussion at both the country and regional level including analysis of democratic attitudes and movements in China Japan South Korea and Taiwan Evaluating all the key components of regime evolution from citizen politics to democratic institutions the sections covered include Regional Trends and Country Overviews Institutions Elections and Political Parties Democratic Citizenship Democratic Governance The Political Economy of Democratization Examining the challenges that East Asian emerging democracies still face today as well as the prospects of the region s authoritarian regimes the Routledge Handbook of Democratization in East Asia will be useful for students and scholars of East Asian Politics Comparative Politics and Asian Studies **Policing in Hong Kong** Kam C. Wong,2015-03-06

The HKP Hong Kong Police Asia s Finest is a battle tested professional organization with strong leadership competent staff

and deep culture It is also a continuously learning and reforming agency in pursuit of organisational excellence Policing in Hong Kong History and Reform is the first and only book on the development of the Hong Kong **Political**

Communication in Asia Lars Willnat, Annette Aw, 2009-03-23 This edited volume provides a critical review of political communication research conducted in Asia over the past twenty years Each chapter focuses on studies published in a specific Asian country selected according to the level of contribution made to the field of political communication in Asia Covering China Hong Kong Taiwan South Korea Japan Singapore Malaysia Indonesia and India the book's primary objective is to review the unique theoretical accomplishments made by Asian communication scholars thus contributing to a better awareness and understanding of political communication research in Asia The contributors are well respected Asian media scholars writing on political communication in their countries of origin Each author reviews studies conducted and published in his/her native country and language's This book provides a first review of these studies most of which have never been published in English and makes them available to international scholars The contributors discuss each country's political background and address the findings and conclusions of the political communication studies conducted in their respective countries during the past two decades The chapters focus on insights that have been made by adapting Western media theories to the unique social cultural or political contexts that exist in each country The authors also point out possible gaps in the current research within their respective countries and to make recommendations for future studies **Policy**

Statement British Information Services. Policy and Reference Division, 1996 *East Asian Perspectives on Political Legitimacy* Joseph Chan, Doh Chull Shin, Melissa S. Williams, 2016-11-17 What makes a government legitimate Why do people voluntarily comply with laws even when no one is watching The idea of political legitimacy captures the fact that people obey when they think governments' actions accord with valid principles For some what matters most is the government's performance on security and the economy For others only a government that follows democratic principles can be legitimate Political legitimacy is therefore a two-sided reality that scholars studying the acceptance of governments need to take into account The diversity and backgrounds of East Asian nations provides a particular challenge when trying to determine the level of political legitimacy of individual governments This book brings together both political philosophers and political scientists to examine the distinctive forms of political legitimacy that exist in contemporary East Asia It is essential reading for all academic researchers of East Asian government politics and comparative politics **The Policy Analyst's**

Handbook Lewis G. Irwin, 2003 Selected Contents 1 The Scientific Method Social Science and Policy Analysis 2 Defining the Problem 3 Generating Potential Courses of Action 4 Cost Benefit Analysis 5 Multi Attribute Analysis 6 Articulating the Recommendation 7 Implementation and Beyond
