Sociolinguistics Joshua A. Fishman, 1970 **The Prestige Language of Christianity in the Book of Acts** Sung Min Park, 2025-04-07 Researching ancient languages is notoriously difficult in sociolinguistics due to the scarcity of data This challenge is addressed by utilizing recent sociolinguistic theories and models to investigate the prestige languages used by early Christians in Acts Drawing on historical documents archaeology and inscriptions this study reconstructs the complex multilingual settings of the time It reveals how Greek despite the diverse linguistic landscape became the dominant language in nearly all official contexts of early Christianity This work breaks new ground in understanding early Christian communities and their linguistic practices offering historical sociolinguistic approaches to the study of ancient languages and societies

Learning about Linguistics F.C. Stork, J.D.A. Widdowson, 2014-02-03 This book offers a workbook approach to linguistics and provides guidelines for the study of language It aims to give basic information and to indicate something of the background and development of the more important trends in the subject Each chapter includes exercises which lead the reader outwards from the information given in the text A list of suggested further reading and references follows each chapter so that each aspect of the subject may be followed up in greater depth if so desired The book will be of particular use to first year university students and to students in polytechnics technical colleges colleges of education and further education and the authors also hope to many sixth formers in secondary schools It will also be of interest to the general reader who wishes to learn about linguistics **Utterance Particles in Cantonese Conversation** Kang Kwong Luke, 1990-01-01

Utterance particles also known as modal particles or sentence final particles form a class of words in Cantonese which is of great descriptive and theoretical interest to students of language Most utterance particles do not have any semantic content truth conditional meaning and few can be said to have a consistent grammatical function They are notorious for being extremely resistant to conventional syntactic and semantic analysis The aim of this book is to seek a better understanding of utterance particles by concentrating analytical attention on three of them namely LA la⁵⁵ LO lo⁵⁵ and WO wo⁴⁴ Adopting a set of theoretical assumptions and analytical methods in the tradition of Conversation Analysis within an ethnomethodological framework an attempt is made to approach these objects by examining them in the context of interactional details in naturally occurring conversations This book presents original accounts of and fresh insights into these utterance particles in Cantonese But it also raises theoretical and methodological questions of more general interest These include among other things the status of data and evidence in the analysis of language and the possibility of a socially constituted linguistics Communicative Spaces in Bilingual Contexts Ana Sánchez-Muñoz, Jessica Retis, 2022-09-30 This collection bridges disciplinary scholarship from critical language studies Latinx critical communication and media studies scholarship for a comprehensive exploration of Spanish English bilingualism in the US and in turn elucidating more broadly our understanding of bilingualism in a post digital society Chapters offer a state of the art on research at the intersection of

language communication and media with a focus on key debates in Spanish English bilingualism research The volume provides a truly interdisciplinary perspective synthesizing a wide range of approaches to promote greater dialogue between these fields and examining different communicative bilingual spaces These include ideological spaces political spaces publicity and advertising spaces digital and social media spaces entertainment and TV spaces and school and family spaces This book will be of interest to students and scholars in bilingualism language and communication language and media and Latin American and Chicano studies Language and Society in South Asia Michael C.
