

SOJOURNERS in the WILDERNESS

The Christian Right
in Comparative
Perspective

A dark silhouette of a church steeple with a cross on top, situated on a hill. To the left of the steeple, there is a single tree and a simple wooden fence line that runs along the slope of the hill. The background is a clear, light blue sky.

Sojourners In The Wilderness The Christian Right In Comparative Perspective

Willie Gin

Sojourners In The Wilderness The Christian Right In Comparative Perspective:

Sojourners in the Wilderness Corwin E. Smidt, James M. Penning, 1997 While the Christian Right has been the subject of a good deal of scholarly analysis it has not been adequately studied within a comparative context across time across different institutional systems or across different religious communities In *Sojourners in the Wilderness* a host of distinguished scholars examine these dimensions of the Christian Right The contributors analyze the Christian Right historically what is its relationship today with earlier manifestations How have its organizational structures and strategies changed over time Sociologically what are the current opportunities for Christian Right inroads within African American Catholic and Jewish communities and politically what accounts for the affinity between many evangelical Protestants and the Christian Right within the American political context while such an affinity appears to be lacking in other political contexts All of those interested in religion's role in politics and history will find this book valuable **The Democratic Virtues of**

the Christian Right Jon A. Shields, 2009-02-02 The Christian Right is frequently accused of threatening democratic values But in *The Democratic Virtues of the Christian Right* Jon Shields argues that religious conservatives have in fact dramatically increased and improved democratic participation and that they are far more civil and reasonable than is commonly believed Shields interviewed leaders of more than thirty Christian Right organizations observed movement activists in six American cities and analyzed a wide variety of survey data and movement media His conclusions are surprising the Christian Right has reinvigorated American politics and fulfilled New Left ideals by mobilizing a previously alienated group and by refocusing politics on the contentious ideological and moral questions that motivate citizens Shields also finds that largely for pragmatic reasons the vast majority of Christian Right leaders encourage their followers to embrace deliberative norms in the public square including civility and secular reasoning At the same time Shields highlights a tension between participatory and deliberative ideals since Christian Right leaders also nurture moral passions prejudices and dogmas to propel their movement Nonetheless the Christian Right's other democratic virtues help contain civic extremism sharpen the thinking of activists and raise the level and tenor of political debate for all Americans [The Christian Right in American Politics](#) John

C. Green, Mark J. Rozell, Clyde Wilcox, 2003-05-06 From the first rumblings of the Moral Majority over twenty years ago the Christian Right has been marshalling its forces and maneuvering its troops in an effort to re shape the landscape of American politics It has fascinated social scientists and journalists as the first right wing social movement in postwar America to achieve significant political and popular support and it has repeatedly defied those who would step up to write its obituary In 2000 while many touted the demise of the Christian Coalition the broader undercurrents of the movement were instrumental in helping George W Bush win the GOP nomination and the White House Bush repaid that swell of support by choosing Senator John Ashcroft once the movement's favored presidential candidate as attorney general The Christian Right in American Politics under the direction of three of the nation's leading scholars in the field of religion and politics recognizing

the movement as a force still to be reckoned with undertakes the important task of making an historical analysis of the Christian Right in state politics during its heyday 1980 to the millennium Its twelve chapters written by outstanding scholars review the impact and influence of the Christian Right in those states where it has had its most significant presence South Carolina Virginia Texas Florida Michigan Iowa Kansas Minnesota Colorado California Maine and Oregon and Washington Since 1980 scholars have learned a good deal about the social characteristics religious doctrine and political beliefs of activists in and supporters of the Christian Right in these states and each contribution is based on rigorous dispassionate scholarship The writers explore the gains and losses of the movement as it attempts to re shape political landscapes More precisely they provide in depth descriptions of the resources organizations and the group ecologies in which the Christian Right operates the distinct elements that drove the movement forward As the editors state the Christian Right has been engaged in a long and torturous march toward the millennium from outsider status into the thick of American politics Those formative years 1980 2000 are essential for any understanding of this uniquely American social movement This rigorous analysis over many states and many elections provides the clearest picture yet of the goals tactics and hopes of the Christian Right in America *The Christian Right, the Far Right and the Boundaries of American Conservatism* Martin Durham, 2000 Mothers and meaning on the early modern English stage is a study of the dramatised mother figure in English drama from the mid sixteenth to the early seventeenth centuries It explores a range of genres moralities histories romantic comedies city comedies domestic tragedies high tragedies romances and melodrama and includes close readings of plays by such diverse dramatists as Udall Bale Phillip Legge Kyd Marlowe Peele Shakespeare Middleton Dekker and Webster The study is enriched by reference to religious political and literary discourses of the period from Reformation and counter Reformation polemic to midwifery manuals and Mother s Legacies the political rhetoric of Mary I Elizabeth I and James VI reported gallows confessions of mother convicts and Puritan conduct books It thus offers scholars of literature drama art and history a unique opportunity to consider the literary visual and rhetorical representation of motherhood in the context of a discussion of familiar and less familiar dramatic texts **Beyond the Global Culture War** Adam K. Webb, 2013-08-21 Presenting a cross cultural critique of global liberalism this book argues for a broad based challenge that can meet it on its own scale It probes many of the key challenges we face in the new millennium and is a useful read for students of politics and globalization

Religion and Politics in the United States Kenneth D. Wald, Allison Calhoun-Brown, 2014-03-04 From marriage equality to gun control to immigration reform and the threat of war religion plays a fascinating and crucial part in our nation s political process and in our culture at large Now in its seventh edition Religion and Politics in the United States includes analyses of the nation s most pressing political matters regarding religious freedom and the ways in which that essential constitutional freedom situates itself within modern America The book also explores the ways that religion has affected the orientation of partisan politics in the United States Through a detailed review of the political attitudes and behaviors of major

religious and minority faith traditions the book establishes that religion continues to be a major part of the American cultural and political milieu while explaining that it must interact with many other factors to influence political outcomes in the United States

Globalizing Family Values Doris Buss, 2003 With little fanfare and profound effect family values have gone global and the influence of the Christian Right is increasingly felt internationally This is the first comprehensive study of the Christian Right's global reach and its impact on international law and politics Doris Buss and Didi Herman explore tensions contradictions victories and defeats for the Christian Right's global project particularly in the United Nations The authors consult Christian Right materials from pamphlets to novels conduct interviews with people in the movement and provide a firsthand account of the World Congress of Families II in 1999 a key event in formulating Christian Right global policy and strategy The result is a detailed look at a new global player its campaigns against women's rights population policy and gay and lesbian rights its efforts to build an alliance of orthodox faiths with non Christians and the tensions and strains as it seeks to negotiate a role for conservative Christianity in a changing global order

Piety, Politics, and Pluralism Mary C. Segers, 2002-03-20 Piety Politics and Pluralism skillfully confronts the question Is liberal democracy hostile to religion or is it compatible with the rights of believers Prominent scholars analyze the controversy about religious freedom by examining two areas at the intersection of religion and politics in contemporary American society the Supreme Court's 1990 decision in *Oregon v Smith* and the events of the 2000 presidential campaign Their essays remind us that in an increasingly pluralistic society Americans must work continually to reconcile religious commitment and political obligation Piety Politics and Pluralism is a groundbreaking work that will be indispensable to students of religion and politics American politics and constitutional law

Political and Religious Identities of British Evangelicals Andrea C. Hatcher, 2017-07-19 This book examines the paradoxical relationship between the religious and political behaviors of American and British Evangelicals who exhibit nearly identical religious canon and practice but sharply divergent political beliefs and action Relying on interviews with British religious and political elites journalists MPs activists clergy as well as focus groups in ten Evangelical congregations this study reveals that British Evangelicals unlike their American counterparts known for their extensive involvement in party politics have no discernible ideological or partisan orientation choosing to pursue their political interests through civic or social organizations rather than electoral influence It goes further to show that many British Evangelicals shun the label itself for its negative political connotations and in out group sensibility and choose to focus on a broader social justice imperative rendered almost incoherent by a lack of group identity Placing itself at the forefront of an incipient but growing segment of comparative research into the intersectionality of religion and politics the work satisfies a lacuna of how the same religious tradition can act differently in public squares contextualized by political and cultural variables

Faith, Politics, and Sexual Diversity in Canada and the United States David Rayside, 2011-04-01 For decades agitation by lesbians gays and other sexual minorities for political recognition has provoked a heated response

among religious activists in both Canada and the United States In this remarkable comparative study expert authors explore the tenacity of anti gay sentiment as well as the dramatic shifts in public attitudes towards queer groups across all faith communities in both the United States and Canada They conclude that despite the ongoing conflict religious adherence does not invariably entail opposition to the political acknowledgment of queer rights Minorities and Reconstructive Coalitions Willie Gin,2017-07-06 Through comparative and historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements affect minority incorporation and bring Catholics and Protestants together under new identities and significantly improving Catholic standing It provides overviews of the history of Catholics in Australia Canada and the United States while at the same time advancing unique arguments about the impact of coalitions on minority politics *Religious Interests in Community Conflict* Paul A. Djupe,Laura R. Olson,2007 This volume investigates some of the most visible issues in American politics today including gay marriage and race along with ongoing concerns that often fly below the radar of the mass media such as healthcare and homelessness The book uncovers and explores the political motivations effectiveness and interplay of organized religious interests as they confront public problems in their local communities *Jews, Catholics, and the Burden of History* Eli Lederhendler,2006-03-02 Volume XXI of the distinguished annual Studies in Contemporary Jewry marks sixty years since the end of the Second World War and forty years since the Second Vatican Council s efforts to revamp Church relations with the Jewish people and the Jewish faith Jews Catholics and the Burden of History offers a collection of new scholarship on the nature of the Jewish Catholic encounter between 1945 and 2005 with an emphasis on how this relationship has emerged from the shadow of the Holocaust Godless Democrats and Pious Republicans? Ryan L. Claassen,2015-06-15 This book argues that basic demographic forces are essential to understanding the rise of Evangelical Republicans and Secular Democrats *Evangelicals and Israel* Stephen Spector,2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God s prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God s blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church s past anti Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West s firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel s possession of the entire Holy Land For

evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush s beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies Evangelicals and Israel corrects much of the speculation about Bush s personal faith and about evangelicalism s impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

Christian Clergy in American Politics Sue E. S. Crawford, Laura R. Olson, 2003-05-06 In recent decades Christian clergy have ever more frequently had to decide whether to become involved in politics When they do become involved their influence can be substantial In this book Sue E S Crawford Laura R Olson and their coauthors explore the political choices clergy make and the consequences of these choices Drawing on personal interviews and statistical data to place the actions of clergy in both their religious and secular contexts the authors study mainline and evangelical Protestant Catholic and Mennonite communities They examine the role of white African American and female religious leaders And they address issues of local development city government and national and international politics Contributors Christi J Braun Boston University School of Law Timothy A Byrnes Colgate University James C Cavendish University of South Florida Sue E S Crawford Creighton University Katie Day Lutheran Theological Seminary at Philadelphia Melissa M Deckman Washington College Paul A Djupe Denison University Joel S Fetzer Central Michigan University James L Guth Furman University Ted G Jelen University of Nevada Las Vegas Laura R Olson Clemson University James M Penning Calvin College Mary R Sawyer Iowa State University Corwin E Smidt Calvin College *Religious Tourism* Tzung-Cheng (TC) Huan, Anestis K.

Fotiadis, Nikolaos (Niko) Stylos, 2024-12-16 This book traces the evolving landscape of religious travel ranging from the responses of the tourism industry to Muslim travellers to the emergence of halal tourism trends Part I of the book examines the dynamics between religion and tourism including the commodification of heritage and the symbiotic relationship between religion and economics Part II delves into emerging trends and contemporary challenges such as the impact of COVID 19 on sacred journeys and the integration of virtual reality into religious tourism experiences The final part of the book explores diverse religious tourism experiences from Islamic tourism to Jewish pilgrimages providing a rich tapestry of insights into this fascinating aspect of travel Whether examining the commodification of religious heritage or delving into the motivations behind Sikh pilgrimage this volume provides a comprehensive overview of the industry dynamics emerging trends and contemporary issues shaping religious tourism today Engaging and enlightening *Religious Tourism Industry Dynamics Emerging Trends and Contemporary Issues* is essential reading for scholars practitioners and enthusiasts seeking a deeper understanding of this fascinating intersection of faith and travel The chapters in this book were originally published in *Tourism Recreation Research* [Conservatism in Canada](#) James Farney, David Rayside, 2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially the topic of Canadian

conservatism is more important to our understanding of Canadian party politics than ever before This timely volume presents the first comprehensive examination of Canadian conservatism in a generation a period during which its nature has changed substantially Conservatism in Canada explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels The essays include comparisons with other countries including the United States the United Kingdom and Australia as well as specific examinations of conservatism in Ontario Alberta and Quebec Featuring contributions by both established and new scholars in the fields of political science and public policy this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country

A Matter of Faith David E. Campbell, 2007-09-01 Moral values dominated the post election headlines in 2004 Analysts pointed to exit polls strong turnout among evangelicals and controversy over gay marriage as evidence that the election had been decided along religious lines Soon however this explanation was called into question In A Matter of Faith distinguished scholars go beyond the headlines to assess the role of religion in the 2004 election Were issues such as stem cell research really more influential than the economy and Iraq Did deeply religious Americans necessarily vote Republican Was the morality factor really a dramatic new development David E Campbell and his colleagues examine the religious affiliations of voters and party elite and evaluate the claim that moral values were decisive in 2004 The authors analyze strategies used to mobilize religious conservatives and examine the voting behavior of a broad range of groups including evangelicals African Americans and the understudied religious left This rich perspective on faith and politics is essential reading on a critical aspect of American politics Contributors include John Green University of Akron Pew Forum on Religion and Public Life James Guth Furman University Sunshine Hillygus Harvard University Laura Hussey University of Baltimore John Jackson University of Southern Illinois Scott Keeter Pew Research Center for the People and the Press Lyman Kellstedt Wheaton College Geoffrey Layman University of Maryland David Leal University of Texas at Austin David LEEge Notre Dame Eric McDaniel University of Texas at Austin Quin Monson Brigham Young University Barbara Norrander University of Arizona Jan Norrander University of Minnesota Baxter Oliphant Brigham Young University Corwin Smidt Calvin College and Matthew Wilson Southern Methodist University

The Secular and the Sacred William Safran, 2004-08-02 What is the place of religion in modern political systems This volume addresses that question by focusing on ten countries across several geographic areas Western and East Central Europe North America the Middle East and South Asia These countries are comparable in the sense that they are committed to constitutional rule have embraced a more or less secular culture and have formal guarantees of freedom of religion Yet in all the cases examined here religion impinges on the political system in the form of legal establishment semi legitimation subvention and or selective institutional arrangements and its role is reflected in cultural norms electoral behaviour and public policies The relationship between religion and politics comes in

many varieties in differing countries yet all are faced with three major challenges modernity democracy and the increasingly multi ethnic and multi religious nature of their societies

Sojourners In The Wilderness The Christian Right In Comparative Perspective Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play

a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sojourners In The Wilderness The Christian Right In Comparative Perspective Books

What is a Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sojourners In The Wilderness The Christian Right In Comparative Perspective PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for

instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
