Sola Scriptura Problems And Principles In Preaching Historical Texts:

Sola Scriptura Sidney Greidanus, 2001-10-31 This book deals with a key question every pastor faces nearly every week in preparing sermons That question concerns the appropriate manner of treating the historical material of the Scriptures In the history of the Christian Church this material has often served as the basis for moral lessons or intellectual truths This study presents a careful analysis of the way in which this age old controversy surfaced in the revival of redemptive historical theology in the Reformed churches in Holland between the two world wars It also presents the basis for a fresh approach and is thus exceedingly helpful for both pastors and students **Sola Scriptura** Sidney Greidanus, 1970 Preaching Christ

from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament **The Modern**

Preacher and the Ancient Text Sidney Greidanus, 1989-01-19 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles **Introduction to Biblical Hermeneutics** Walter C. Kaiser, Jr., Moisés Silva, 2009-08-19 Since its publication

in 1994 *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students pastors and serious lay readers This second edition has been substantially updated and expanded allowing the authors to fine tune and enrich their discussions on fundamental interpretive topics In addition four new chapters have been included that address more recent controversial issues The role of biblical theology in interpretation How to deal with contemporary questions not directly addressed in the Bible The New Testament's use of the Old Testament The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues making for vibrant thought provoking dialogue What they do agree on however is the authority of Scripture the relevance of personal Bible study to life and why these things matter

The Gospel Arc Jeff Hatton, 2021-04-13 We need more than ever to be spoken back to life again Our endless forms of self activation in the church and culture today have proven to do little more than exhaust us make us anxious and ultimately disappoint and depress us Despite our impressive effort preaching has not escaped this prison of self entanglement Snoozing in the pew is now the good ol days as more and more people report a pathological aversion to preaching Perhaps there is a common thread leaving Jesus behind Leaving Jesus behind is the broken pattern of every human heart even the preacher's The Gospel Arc preaching model seeks to take Jesus with you in

preaching It is preaching that experiences Jesus with the Bible Practically the Gospel Arc helps biblical communicators discover and display the Textual Jesus from Genesis to Revelation thereby unleashing divine energies to wake up the snoozer and finally electrify the self activator Taking Jesus with you in preaching changes everything Even preachers Can these bones live God probes the preacher Suffering from the inability to maintain a ministry the preacher gives a lame non answer Preach to bones God startles the preacher As he does stranger things happen The bones live Ezek 37 1 14 *New Testament Exposition* Walter L. Liefeld, 1989-06-13 Expository preaching is an elusive ideal Many preachers aspire to it few are acknowledged masters For most a gap exists between the sermon that addresses the needs of the hearers and one that methodically plumbs the depths of Scripture New Testament Exposition is written to bridge this gap and bring together the disciplines of preaching and exegesis In this book Liefeld addresses the three main concerns of expository preaching What is the text saying How can its message be communicated in ways that are appropriate to the passage the seeing and the goals of the sermon How can the message meet the real needs of the congregation in a way that is consistent with the purpose and function of the text This book demonstrates how these concerns can be brought together in a sermon and it is this thoughtful practical approach that makes the book so valuable to preachers and seminarians The book is divided into three parts Part I explores the characteristics of expository preaching Part II deals with preparing the text and addresses such areas as practical exegesis exegetical outlines narratives and compositional patterns semantic patterns and underlying assumptions of the text Part III discusses application of the text by asking What is the function of the text What are the needs of the congregation How can one preach to inner heart needs as well as to the external circumstances facing the congregation New Testament Exposition is not vague theory nor is it esoteric study beyond the grasp and time of the busy pastor Throughout the book Dr Liefeld reflects his experience in the classroom and pulpit and his concerns as scholar and pastor are clearly seen in the final chapters of this volume Chapter 9 examines preaching from difficult texts How might one handle parables miracle stories obscure passages culturally related texts The final chapter provides a demonstration of all that is discussed throughout the book by walking the road through the actual preparation for a sermon *Preparing Expository Sermons* Ramesh Richard, 2001-11-01 The Bible is what God has made Sermons are what we make with what God has made This is the foundation for developing expository messages according to Ramesh Richard His method explained in Preparing Expository Sermons has been field tested in training seminars for thousands of preachers around the world Richard s book is a simple do it yourself resource for developing and preaching expository sermons It guides the reader through a seven step process with many practical suggestions and illustrative charts along the way In addition there are eleven appendixes that include information on o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included as well Preparing Expository Sermons an updated and expanded version of Scripture Sculpture is ideal for beginning preachers lay preachers without formal training or any pastor

Sewell, 2016-04-26 In the broad context of Christianity as it developed over two millennia and with special reference to the last three centuries this discussion finds that Evangelicalism has repeatedly offered a reduced and distorted understanding of the faith The evangelical outlook is much less scriptural than evangelicals generally assume When it comes to appreciating the order of creation our calling to develop
