Solomon And The Trees:

Solomon and the Trees Matt Biers-Ariel,2000 As a child Solomon loved the forest and visited it often But all too soon Solomon grows up and becomes a king He becomes very busy and forgets about the forest and his friends the animals In this lushly illustrated environmental midrash Solomon comes to understand the price that must be paid when we don t take care of the earth and its blessings Great storybook for Tu B Shvat Beautiful illustrations bring life to this midrash Carefully worded story brings the issue of Jewish environmentalism to the forefront **Solomon's Tree** Andrea Spalding,Victor Reece,2002 Young Solomon is devastated when his favorite maple tree falls in a storm but the experience of helping his uncle make a mask teaches him to deal with his grief **An Exposition of the Book of Solomon's Song** John Gill,2002-06

The Words of Solomon Wayne Graham,2017-07-17 The Words of Solomon is an in depth study of the first nine chapters of Solomons Proverbs as recorded by the Old King James Bible These are the chapters which provide a continuous narrative that is told from the perspective of a Hebrew father instructing his son to pursue Wisdom through obedience to Gods law The remaining chapters of Proverbs go on to address a wider array of random godly principals and their practical application to human life on earth In an effort to better understand these ancient teachings the father son relationship between Solomon and David is first examined and found to be lacking Like many fathers of today King David was a very complex and busy man but he was also the only man described by God as a man after my own heart The Proverbs show us that Solomon had devoured his fathers own writings the psalms and incorporated them into an easier understood text which was then chronologically arranged as a manual for a functional father son relationship It should be no surprise that Israels wisest king wrote a literary masterpiece capable of being interpreted on multiple levels of understanding Solomons hidden nuggets of precious wisdom written three thousand years ago are brought to the surface to transcend the boundaries of time for a twenty first century application Reading this book will convince all of Wisdoms students that mining Solomons gold is a very worthy pursuit An Exposition of the Book of Solomon's Song; Commonly Called Canticles ...
