Stupid White Men Other Sorry Excuses For The State Of The Nation:

Stupid White Men: And Other Sorry Excuses for the State of the Nation! M. Moore, 2004-05-01 **Stupid White Men--and Other Sorry Excuses for the State of the Nation!** Michael Moore, 2002 Remember when everything was looking up When the government was running at a surplus pollution was disappearing peace was breaking out in the middle East and Northern Ireland and the Bridge to the Twenty First century was strung with Internet cable and paved with 401 k gold Well so much for the future Michael Moore the award winning provocateur behind *Roger Me* and the best seller *Downsize* This now returns to size up the new century and that big ugly special interest group that is laying waste to the world as we know it stupid white men Among the targets of Mike's Manifesto on Malfeasance and mediocrity are the Bush family Junta Bill Clinton the Idiot Nation and Corporate American *Stupid White Men* Michael Moore, 2004-05-11 In the winter of 2002 Stupid White Men took America and the world by storm Tired and skeptical of George W Bush's high approval rating frightened by the implications of the Enron scandal and generally just looking for a voice of honest dissent in the thick atmosphere of jingoism that followed 9 11 book buyers from coast to coast swiftly embraced Michael Moore's in your face anti Bush era manifesto making it one of the bestselling nonfiction books of the year With an unerring eye for greed hypocrisy and corruption Michael Moore takes on the whole ugly mess of America at the dawn of the twenty first century Whether he's demanding U N action to overthrow the Bush Family Junta or calling on African Americans to place white only signs over the entrances of unfriendly businesses *Stupid White Men* is a pitch perfect skewering of our culture of Malfeasance and Mediocrity **Nonviolent Response to Terrorism** Tom H. Hastings, 2004-07-15 Terrorism which by definition targets civilians is unacceptable but a violent response to violence usually causes more violence This book outlines some of the best thinking about nonviolent methods of resisting terrorism in the growing fields of international aid and nonviolent interposition The first section covers immediate nonviolent response to terrorism international negotiations mediations and adjudication UN and citizen sanctions cross cultural communication citizen initiatives international treaties and the World Court the International Criminal Court and nonviolent resistance through raising consciousness to mobilization and resisting state sponsored terror The second section on long term non violent response to terrorism discusses halting arms trade and militarism stopping arms flow to terrorists defunding the military building sustainable just economies aid to the poor reducing privileged overconsumption peace and conflict education understanding and using the media refugee repatriation and helping indigenous liberation struggles Instructors considering this book for use in a course may request an examination copy here **No BS (Bad Stats)** Ivory A. Toldson, 2019-04-09 A Brill Sense Bestseller What if everything you thought you knew about Black people generally and educating Black children specifically was based on BS bad stats We often hear things like Black boys are a dying breed There are more Black men in prison than college Black children fail because single mothers raise them and Black students don't read In *No BS* Ivory A Toldson uses data analysis anecdotes and powerful commentary to

dispel common myths and challenge conventional beliefs about educating Black children With provocative engaging and at times humorous prose Toldson teaches educators parents advocates and students how to avoid BS raise expectations and create an educational agenda for Black children that is based on good data thoughtful analysis and compassion No BS helps people understand why Black people need people who believe in Black people enough not to believe every bad thing they hear about Black people

A Reader of Modern Urdu Poetry Peter Swirski,2010-08-10 As partisan attacks have become increasingly bitter in American politics contemporary culture has found ways to channel this outrage into the outrageous responding with comedy and satire from both sides of the political spectrum *Ars Americana* *Ars Politica* cross examines American politics culture and history by examining Irving Wallace s *The Man* Richard Condon s *Death of a Politician* P J O'Rourke s *Parliament of Whores* Warren Beatty s film *Bulworth* and Michael Moore s *Stupid White Men* to show how these popular artists have used soap box partisanship and box office artertainment to affect history

Erasing Racism Molefi Kete Asante,2010-10-05 Did the election of Barack Obama to be President of the United States signal real progress in bridging America s longstanding racial divide In this profound study of systemic racism Molefi Kete Asante one of our leading scholars of African American history and culture discusses the greatest source of frustration and anger among African Americans in recent decades what he calls the wall of ignorance that attempts to hide the long history of racial injustice from public consciousness This is most evident in each race s differing perspectives on racial matters Though most whites view racism as a thing of the past a social problem largely solved by the civil rights movement blacks continue to experience racism in many areas of social life encounters with the police the practice of red lining in housing difficulties in getting bank loans mortgages and insurance policies and glaring disparities in health care educational opportunities unemployment levels and incarceration rates Though such problems are not expressions of the overt racism of legal segregation and lynch mobs what most whites probably think of when they hear the word racism their negative effect on black Americans is almost as pernicious Such daily experiences create a lingering feeling of resentment that percolates in a slow boil till some event triggers an outburst of rage Asante argues that America cannot long continue as a cohesive society under these conditions As we embark upon new leadership under America s first African American president he urges more public focus on redressing the wrongs of the past and their continuing legacy Above all he thinks that Americans must seriously consider some system of reparations to deal with both past and present injustices an apology and our own truth and reconciliation committee that addresses both the history of slavery and present day racism Only in this way he feels can we ever hope to heal the racial divide that never seems to be erased This is a powerful deeply perceptive analysis of a crucial social problem by one of America s leading thinkers on race

Women Pulitzer Playwrights Carolyn Casey Craig,2004-11-05 In the first century of the coveted Pulitzer Prizes only 11 women have won the prize for drama Zona Gale 1921 Susan Glaspell 1931 Zoe Akins 1935 Mary Coyle Chase 1945 Ketti Frings 1958 Beth Henley 1981 Marsha Norma 1983 Wendy Wasserstein 1989 Paula Vogel 1998

Margaret Edson 1999 and Suzan Lori Parks 2002 This book is about them and their landmark plays beginning with Gale's Miss Lulu Bett which championed the unmarried woman forced to work in the home of a married relative and closing with Parks controversial Topdog Underdog which made her the first black woman to win the prize Drawn from personal interviews with the playwrights and research from archives and unpublished material this work shows how the stage art of women has reflected life in the American family and traces a strong thread of feminist history in our culture Overview chapters set the stage for each playwright and play with sketches of the time period highlighting the major points of women's experiences in culture society and the family Other chapters analyze each play in detail and discuss the playwright's life and opinions The book also includes a quick history of the Pulitzer Prize and a chapter honoring black female playwrights

The Corporation Joel Bakan, 2019-09-03 The inspiration for the film that won the 2004 Sundance Film Festival Audience Award for Best Documentary The Corporation contends that the corporation is created by law to function much like a psychopathic personality whose destructive behavior if unchecked leads to scandal and ruin Over the last 150 years the corporation has risen from relative obscurity to become the world's dominant economic institution Eminent Canadian law professor and legal theorist Joel Bakan contends that today's corporation is a pathological institution a dangerous possessor of the great power it wields over people and societies In this revolutionary assessment of the history character and globalization of the modern business corporation Bakan backs his premise with the following observations The corporation's legally defined mandate is to pursue relentlessly and without exception its own economic self interest regardless of the harmful consequences it might cause to others The corporation's unbridled self interest victimizes individuals society and when it goes awry even shareholders and can cause corporations to self destruct as recent Wall Street scandals reveal Governments have freed the corporation despite its flawed character from legal constraints through deregulation and granted it ever greater authority over society through privatization But Bakan believes change is possible and he outlines a far reaching program of achievable reforms through legal regulation and democratic control Featuring in depth interviews with such wide ranging figures as Nobel Prize winner Milton Friedman business guru Peter Drucker and cultural critic Noam Chomsky The Corporation is an extraordinary work that will educate and enlighten students CEOs whistle blowers power brokers pawns pundits and politicians alike

Globalization Or Empire? Jan Nederveen Pieterse, 2004-08 Is America s cultural economic and military domination of the world globalization or is it just empire In this smart brief book Pieterse confronts many of the most important issues surrounding this question

The World According to Michael Moore Ken Lawrence, 2011-05-13 In all of his books Michael Moore has proven to be outspoken and outrageous This compilation of quotes from interviews and a variety of other sources presents Moore s views on everything from politics to filmmaking and the state of American life and culture

Post-Liberalism Melvyn L. Fein, 2017-07-05 Liberalism is dying despite its superficial appearance of vigour Most of its adherents still believe it is the wave of the future but they are clinging to a sinking dream So says Melvyn L Fein who argues that almost none of liberalism s countless promises have come true Under its auspices poverty was not eliminated crime did not diminish the family was not strengthened education was not improved and universal peace has not been established These failures are not accidental they flow directly from liberal contradictions In Post Liberalism Fein demonstrates why this is the case Fein contends that an inverse force rule dictates that small communities are united by strong forces such as personal relationships and face to face hierarchies while large scale societies are integrated by weak forces such as technology and social roles As we become a more complex techno commercial society the weak forces become more dominant This necessitates greater decentralization in direct opposition to the centralization that liberals celebrate Paradoxically this suggests that liberalism as an ideology is regressive rather than progressive If so it must fail Liberals assume that someday under their tutelage these trends will be reversed but this contradicts human nature and history s lessons According to Fein we as a species are incapable of eliminating hierarchy or of loving all other humans with equal intensity As Emile Durkheim argued humans cannot live in harmony without appropriate forms of social cohesion

The Expediency of Culture George Yúdice, 2004-01-23 Deals with global flows of capital

information and popular culture questions of hybridity identity politics postcoloniality and the state with a focus on Latin America Citizen Moore Roger Rapoport,2007 Investigative reporter Roger Rapoport interviewed over 200 people who played key roles in Michael Moore s life from the nuns at his boyhood Catholic school to Ralph Nader and other employers not to mention a seven foot chicken For the first time this definitive biography traces the untold story of the 30 years of struggles and failures that led to the overnight success of this quintessential late bloomer **The Civil Rights Movement**

William Riches,2017-11-07 An established introductory textbook that provides students with a compelling overview of the growth of the mass movement from its origins after the Second World War to the destruction of segregated society before charting the movement s path through the twentieth century up to the present day This is an ideal core text for modules on Civil Rights history or American history since 1945 or a supplementary text for broader modules on American history African American history or Modern US politics which may be offered at the upper levels of an undergraduate history politics or American studies degree In addition it is a crucial resource for students who may be studying the Civil Rights Movement for the first time as part of a taught postgraduate degree in American history US politics or American studies New to this Edition Revised and updated throughout in light of the latest research Includes in depth analysis of Barack Obama s presidency Provides further exploration of cultural and gender history Examines contemporary issues such as the Black Lives Matter movement and the 2016 US election A Decade of Dark Humor Ted Gournelos,Viveca Greene,2011-08-01 A Decade of Dark Humor analyzes ways in which popular and visual culture used humor in a variety of forms to confront the attacks of September 11 2001 and more specifically the aftermath This interdisciplinary volume brings together scholars from four countries to discuss the impact of humor and irony on both media discourse and tangible political reality Furthermore it demonstrates that laughter is simultaneously an avenue through which social issues are deferred or obfuscated a way in which neoliberal or neoconservative rhetoric is challenged and a means of forming alternative political ideologies The volume s contributors cover a broad range of media productions including news parodies The Daily Show with Jon Stewart The Colbert Report The Onion TV roundtable shows Politically Incorrect with Bill Maher comic strips and cartoons Aaron McGruder s The Boondocks Jeff Danzinger s editorial cartoons television drama Rescue Me animated satire South Park graphic novels Art Spiegelman s In the Shadow of No Towers documentary Fahrenheit 9 11 and other productions Along with examining the rhetorical methods and aesthetic techniques of these productions the essays place each in specific political and journalistic contexts showing how corporations news outlets and political institutions responded to and sometimes co opted these forms of humor **Oh, Oh Canada! who Stands on Guard** Ronald Coleman,2003 The Author examines the current state of the Canadian Forces after what he describes as four decades of malignant neglect and concludes that it is not capable of executing the roles and tasks assigned under the government s policy as outlined in the Defence White Paper 1994 Furthermore he examines the Canadian foreign policy from which defence policy is derived and concludes that it does

not address the current and future threats to Canada and Canadians The threats to Canada today and in the future are explored in detail and the means to counter them are examined The author also explores the relationship the Canadian military has to the UN NATO and our closest ally the US He finds that all of them need serious revision However to do so a complete and detailed analysis of our foreign policy is necessary in the new world of disorder following the tragic events of 9 11 Internal and external threats are revealed and discussed as well as how to deter them Coleman explains why the current series of town hall meetings across the country is wholly inadequate and calls for a major foreign policy review This is necessary in order to respond correctly and adequately to the US request for participation in the Missile Defense System Also in his view our traditional interface with the UN and NATO particularly where peacekeeping is involved needs revision He calls for necessary changes in the Department of National Defence Headquarters NDHQ structure and the military organization across the country He explains why NDHQ needs to be disintegrated and replaced with a dual reporting system to the minister Further he presents rational arguments for the real unification of the three military forces into a marine like structure in order to respond appropriately and adequately to international terrorism and international violence that is on the rise He goes further and outlines a new organizational structure that reduces overhead executives commands and management levels in order to truly make the military and headquarters more efficient effective and economical He is clear that only by taking these measures will we regain the respect of our allies and our enemies as well as increase our influence in the international forums where it has been slowly eroding The transfer of search and rescue and VIP operations to private industry will free up military billets for military functions and generate jobs and profits for private industry in these roles These tasks in his view are essentially non military tasks Military search and rescue and VIP flights can be handled by the Marines Also he believes that peacekeeping should be transferred to DFAIT where the responsibility lies with more emphasis on early intervention so that technical experts humanitarian efforts medical assistance law order and justice can be maintained rather than re constructed after civil war or worse has destroyed the infrastructure and institutions Peacemaking however should remain the responsibility of DND where the new structure the new equipment and the new training will improve our current delinquent approach to the problem The Reserve will be tasked with the role of the defence of Canada which will give it purpose finances training equipment and a structure to effect it which currently does not exist Coleman makes a compelling case for the review of foreign defence policy and the restructuring of the Canadian military He exposes the problems and proposes solutions He takes no prisoners In his review it becomes clear that Canada and Canadians no longer stand on guard

Iraq and the Lessons of Vietnam Lloyd C. Gardner, Marilyn B. Young, 2011-07-19 Essays by Christian G Appy Andrew J Bacevich John Prados and others offer history at its best meaning at its most useful Howard Zinn From the launch of the Shock and Awe invasion in March 2003 through President George W Bush s declaration of Mission Accomplished two months later the war in Iraq was meant to demonstrate definitively that the United States had learned the

lessons of Vietnam This new book makes clear that something closer to the opposite is true that US foreign policy makers have learned little from the past even as they have been obsessed with the Vietnam Syndrome Iraq and the Lessons of Vietnam brings together the country's leading historians of the Vietnam experience Examining the profound changes that have occurred in the country and the military since the Vietnam War this book assembles a distinguished group to consider how America found itself once again in the midst of a quagmire and the continuing debate about the purpose and exercise of American power Also includes contributions from Alex Danchev David Elliott Elizabeth L Hillman Gabriel Kolko Walter LaFeber Wilfried Mausbach Alfred W McCoy Gareth Porter Essential Bill Moyers
