Aromatherapy and Chakras Salvatore Battaglia, 2020-11-13 The aromatherapy and chakras workshop that I have been teaching for over 20 years has always been my most popular workshop It is an excellent way to incorporate my passion for essential oils within a holistic framework to promote personal and spiritual growth Many of us are aware of chakras and have some understanding of how they influence our wellbeing however the origins of chakras are shrouded in mystery In Aromatherapy and Chakras balancing your body's energy centres for optimal health and wellbeing I will demystify the origins of the chakras I share with you my personal journey into the chakras and provide you with my interpretation of how we can use chakras to reconnect our body mind and spirit I hope that this book provides you with insight to use essential oils within a holistic framework of the Western concept of chakras as psycho energetic centres and energy medicine I introduce you to the principles of subtle therapies and energy medicine We examine the scientific evidence for the existence of chakras and

review the results of a study that confirms the relationship between the chakras and essential oils We examine how modern Western psychology and transpersonal psychologists are using chakras to provide us with a more holistic framework of understanding human consciousness We examine each of the major seven chakras in detail examining the influence that each chakra has on our psyche and wellbeing what to expect when the chakra is balanced or not balanced and most importantly strategies to keep the chakras balanced using essential oils

World of Aromatherapy Jeanne Rose,1996 The voices in this collection are those of leading British and American women active in aromatherapy today They write with verve about the growth of the distillery process and the essential oil industry discuss such technical issues as whether synthetic or natural products are best and describe how they use oils and blends in healing skin care and stress reduction

Daily Aromatherapy Joni Keim,Ruah Bull,2008-01-15 The seasons of the year parallel the symbolic seasons of life with spring representing the childhood years of hope and seeing the world with new eyes summer the young adult years of growth and engagement autumn the years of mid life reflection healing and forgiveness and winter the late life years of rest restoration and rejuvenation Daily Aromatherapy introduces readers to the transformative qualities of nature s aromas for each of these seasons Each month of the year profiles and explores the psychological and subtle energy aspects of four different essential oils one per week Forty eight different oils are profiled in this way Readers experience each oil and its powers in depth through seven different intention exercises an affirmation emotional self discovery questions a ceremony a blessing an activity a visualization and a prayer While aromatherapy is a holistic modality affecting the body mind and spirit the focus of Daily Aromatherapy is on mind and spirit While not explicitly including the physical applications of essential oils for treating conditions like colds flu or muscle strain this appealing book shows how physical health is greatly enhanced by the psychological and spiritual well being that comes from understanding and using these gifts of nature
