## **Subtle Bodies Representing Angels In Byzantium The Transformation Of The Classical Heritage:**

Subtle Bodies ,2001 Explores the strategies used by Byzantine artists to represent the incorporeal forms of angels and the rationalizations in defence of their representations mustered by theologians in the face of iconoclastic opposition These problems of representation provide a window on Late Antique thought **Subtle Bodies** Glenn Peers,2001-02-14 Throughout the course of Byzantine history Christian doctrine taught that angels have a powerful place in cosmology It also taught that angels were immaterial bodiless invisible beings But if that were the case how could they be visualized and depicted in icons and other works of art This book describes the strategies used by Byzantine artists to represent the incorporeal forms of angels and the rationalizations in defense of their representations mustered by theologians in the face of iconoclastic opposition Glenn Peers demonstrates that these problems of representation provide a unique window on Late Antique thought in general The Ways That Never Parted Adam H. Becker,Annette Yoshiko Reed, The first paperback edition of the hardcover published by Mohr Siebeck in 2003 Startling state of the art essays on Jewish Christian relations in antiquity Includes a new preface by the editors discussing scholarships since 2003 **The Corporeal Imagination** Patricia Cox Miller,2012-02-28 With few exceptions the scholarship on religion in late antiquity has emphasized its tendencies toward transcendence abstraction and spirit at the expense of matter In *The Corporeal Imagination* Patricia Cox Miller argues instead that ancient Christianity took a material turn between the fourth and seventh centuries During this period Miller contends there occurred a major shift in the ways in which the human being was oriented in relation to the divine a shift that reconfigured the relationship between materiality and meaning in a positive direction *The Corporeal Imagination* is a groundbreaking investigation into the theological poetics of material substance in late ancient Christian texts From hagiographies to literary descriptions of sacred paintings to treatises on relics and theurgy Miller examines a wide variety of ancient texts to reveal how Christian writers increasingly described the matter of the world as invested with divine power By appealing to the reader's sensory imagination Christian texts endowed phenomena like relics saints bodies in hagiography and saints presence in icons with a visual and tactile presence The book draws on a variety of contemporary theoretical models to elucidate the significance of all these materials in ancient religious life and imagination **Byzantium in the Iconoclast Era, C. 680-850** Leslie Brubaker,John Haldon,2011-01-06 A major revisionist survey of this most elusive and fascinating period in medieval history Charles Williams and his Contemporaries Richard Sturch,2009-10-02 Charles Williams 1886 1945 poet novelist critic biographer lay theologian and Inkling exercised a great influence both as a personality and through his writings on English letters in his own day and now after a period of relative neglect interest in him has grown once more This international symposium a product of this revival is presented as a contribution to the serious study of Williams and his work Its contents reflect not only the extraordinarily wide range of his writing but also the many contacts he made both personally and through his work at the Oxford University Press Contributors look at his literary

background and context describe the part he played in introducing Kierkegaard to the English speaking public discuss his theology of love and compare his work with that of friends disciples and associates Two papers concentrate specifically on one of his remarkable novels *The Place of the Lion* Between them they give a glimpse or a series of glimpses of an unusual man and a fascinating writer whose influence and importance are being recognized more and more

**The sensual icon** Bissera V, Explores the Byzantine aesthetic of fugitive appearances by placing and filming art objects in spaces of changing light and by uncovering the shifting appearances expressed in poetry descriptions of art and liturgical performance Provided by publisher **Books on Turkey** ,2005

**Liturgy and Biblical Interpretation** Sebastian Selvén,2021-01-15 What happens to the Bible when it is used in worship What does music choreography the stringing together of texts and the architectural setting itself do to our sense of what the Bible means and how does that influence our reading of it outside of worship In *Liturgy and Biblical Interpretation* Sebastian Selvén answers questions concerning how the Hebrew Bible is used in Jewish and Christian liturgical traditions and the impact this then has on biblical studies This work addresses the neglect of liturgy and ritual in reception studies and makes the case that liturgy is one of the major influential forms of biblical reception The case text is Isaiah 6 3 and its journey through the history of worship By looking at the Qedushah liturgies in Ashkenazi Judaism and the Sanctus in three church traditions pre 1969 Roman Catholicism Anglicanism the Church of England and Lutheranism Martin Luther and the Church of Sweden influential lines of reception are followed through history Because the focus is on lived liturgy not only are worship manuals and prayer books investigated but also architecture music and choreography With an eye to modern day uses Selvén traces the historical developments of liturgical traditions To do this he has used methodological frameworks from the realm of anthropology Liturgy this study argues plays a significant role in how scholars clergy and lay people receive the Bible and how we understand the way it is to be read and sometimes even edited *Liturgy and Biblical Interpretation* will interest scholars of the Bible liturgy and church history as well as Jewish and Christian clergy

**Images of the Divine: The Theology of Icons at the Seventh Ecumenical Council - Revised Edition** Ambrosios Giakalis,2005-08-01 This book newly revised and updated examines the Eastern Church's theology of icons chiefly on the basis of the acta of the Seventh Ecumenical Council of 787 The political circumstances leading to the outbreak of the iconoclast controversy in the eighth century are discussed in detail but the main emphasis is on the theological arguments and assumptions of the council participants Major themes include the nature of tradition the relationship between image and reality and the place of christology Ultimately the argument over icons was about the accessibility of the divine Icons were held by the iconophiles to communicate a deifying grace which raised the believer to participation in the life of God

**Standing on Holy Ground in the Middle Ages** Lucy Donkin,2022-02-15 *Standing on Holy Ground in the Middle Ages* illuminates how the floor surface shaped the ways in which people in medieval western Europe and beyond experienced sacred spaces The ground beneath our feet plays a crucial yet often overlooked role in our relationship with the

environments we inhabit and the spaces with which we interact By focusing on this surface as a point of encounter Lucy Donkin positions it within a series of vertically stacked layers the earth itself permanent and temporary floor coverings and the bodies of the living above ground and the dead beneath providing new perspectives on how sacred space was defined and decorated including the veneration of holy footprints consecration ceremonies and the demarcation of certain places for particular activities Using a wide array of visual and textual sources *Standing on Holy Ground in the Middle Ages* also details ways in which interaction with this surface shaped people's identities whether as individuals office holders or members of religious communities Gestures such as trampling and prostration the repeated employment of specific locations and burial beneath particular people or actions used the surface to express likeness and difference From pilgrimage sites in the Holy Land to cathedrals abbeys and local parish churches across the Latin West Donkin frames the ground as a shared surface both a feature of diverse distant places and subject to a variety of uses over time while also offering a model for understanding spatial relationships in other periods regions and contexts

**A Contrite Heart: Prosecution and Redemption in the Carolingian Empire** Abigail Firey, 2009-09-21 Between the middle of the eighth century and the late ninth century in western Europe the course of legal history was shaped by interaction with religious ideas especially with regard to the meaning of confession suffering and the balance of protections for an accused individual and the welfare of the community This book traces those themes through a selection of Carolingian texts such as archbishop Hincmar's legal analysis of a royal divorce the decrees of church councils the biography of a Saxon holy woman anti-Judaic treatises and Hrotswitha's dramatisation of the legend of Thais in order to make audible the lively debates over the boundaries of clerical and lay authority the nature and extent of permissible intervention in the spiritual condition of the empire's inhabitants and distinctions between the private and public domains This work thus reveals the profound relation between law and penitential ideologies promoted by the Carolingian imperial court

*Icons and Power* Bissera V. Pentcheva, 2010-11-01 Pentcheva demonstrates that a fundamental shift in the Byzantine cult from relics to icons took place during the late tenth century Centered upon fundamental questions of art religion and politics *Icons and Power* makes a vital contribution to the entire field of medieval studies

**Clement of Alexandria on Trial** Piotr Ashwin-Siejkowski, 2010-03-08 Clement of Alexandria c. 150-215 CE is one of the most significant theologians of the second century and his work is still the subject of intense academic debate This book provides a new perspective on Clement's thought through a critical examination of the work of one of his critics Photios c. 820-893 CE Photios the Patriarch of Constantinople based his critique on Clement's now lost treatise *Hypotyposesis* claiming the work contained eight heresies The book examines each error listed in the 109th codex of Photios *Bibliotheca* in depth using evidence from Clement's existing work to consider the likely accuracy of Photios' critique Focusing on these eight heresies offers a unique opportunity to illuminate what in terms of post-Nicene orthodoxy are Clement's most problematic opinions setting them in the context of their original philosophical and theological frame
