Subversive Devotions Pat Youngdahl, 2003      **Devotions and Desires** Gillian A. Frank, Bethany Moreton, Heather R. White, 2018-02-06 At a moment when freedom of religion rhetoric fuels public debate it is easy to assume that sex and religion have faced each other in pitched battle throughout modern U S history Yet by tracking the nation s changing religious and sexual landscapes over the twentieth century this book challenges that zero sum account of sexuality locked in a struggle with religion It shows that religion played a central role in the history of sexuality in the United States shaping sexual politics communities and identities At the same time sexuality has left lipstick traces on American religious history From polyamory to pornography from birth control to the AIDS epidemic this book follows religious faiths and practices across a range of sacred spaces rabbinical seminaries African American missions Catholic schools pagan communes the YWCA and much more What emerges is the shared story of religion and sexuality and how both became wedded to American culture and politics The volume framed by a provocative introduction by Gillian Frank Bethany Moreton and Heather R White and a compelling afterword by John D Emilio features essays by Rebecca T Alpert and Jacob J Staub Rebecca L Davis Lynne Gerber Andrea R Jain Kathi Kern Rachel Kranson James P McCartin Samira K Mehta Daniel Rivers Whitney Strub Aiko Takeuchi Demirci Judith Weisenfeld and Neil J Young      *Subversive Devotions: Toward a Wholehearted Practice of Christian Faith (PHD)*. Patricia Youngdahl, 1996      *Our Lady of Guadalupe* Carl Anderson, Eduardo Chavez, 2017-12-05 Nearly a decade after Spain s conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the continent would be lost Between December 9 and December 12 1531 that miracle happened and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Guadalupe s place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe s message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin s miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In *Our Lady of Guadalupe Mother of the Civilization of Love* Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to

be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ's call of conversion and witness the authors explore the changing face of the Catholic Church in North Central and South America and they show how Our Lady of Guadalupe's message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today

Private and Domestic Devotion in Early Modern Britain Alec Ryrie, 2016-04-15 Scholars increasingly recognise that understanding the history of religion means understanding worship and devotion as well as doctrines and polemics Early modern Christianity consisted of its lived experience This collection and its companion volume *Worship and the Parish Church in Early Modern Britain* ed Natalie Mears and Alec Ryrie bring together an interdisciplinary range of scholars to discuss what that lived experience comprised and what it meant Private and domestic devotion how early modern men and women practised their religion when they were not in church is a vital and largely hidden subject Here historical literary and theological scholars examine piety of conformist non conformist and Catholic early modern Christians in a range of private and domestic settings in both England and Scotland The subjects under analysis include Bible reading the composition of prayers the use of the psalms the use of physical props for prayers the pious interpretation of dreams and the troubling question of what counted as religious solitude The collection as a whole broadens and deepens our understanding of the patterns of early modern devotion and of their meanings for early modern culture as a whole

*Intersectionality in Intentional Communities* Assata Zerai, 2016-05-05 Over a decade of qualitative research Assata Zerai has observed both incremental moves toward inclusiveness and strategies employed to accomplish long term changes while conducting case studies of five multicultural Protestant churches in sites across the United States With an interpretive approach she explores these centers of worship and theorizes the conditions under which progressive social change occurs in some U S Protestant congregations Understanding the daily practices of change and entrenchment in Protestant congregations and the intentional work to replace dominating structures with liberating ones may provide keys to creating multicultural antiracist feminist and sexually inclusive volitional communities more broadly Intersectionality in Intentional Communities argues that making a significant advance toward inclusion requires change in the underlying social structures of racism sexism heteronormativity class and other marginalizing influences In order to isolate this phenomenon Zerai conducted fieldwork and archival research among an African American and four multiracial U S churches Different from a university or other public institution in which members are legally required to support diversity and related values Zerai believes that volitional communities may provide a best case scenario for how motivated by higher ideals members may find ways to create inclusive communities Zerai's research has a broad empirical base encompassing five sites a largely African American urban megachurch in the Midwest a large Midwestern multiracial multicultural church a large urban multiracial multicultural church in the eastern United States a small suburban Midwestern multiracial church and an inclusive

Midwestern college town church In this book Zerai further explores important connections between U S Protestant Christian congregations and political activism      **Not June Cleaver** Joanne Jay Meyerowitz,1994 In the popular stereotype of post World War II America women abandoned their wartime jobs and contentedly retreated to the home This work unveils the diversity of postwar women showing how far women departed from this one dimensional image      Living Devotions Mary Clark Moschella,2008-01-01 Living Devotions explores how a particular community has creatively negotiated its religious bonds of connection in the context of immigration These matters cannot be studied in the abstract Religious practice is not something separate from the economic cultural and psychological dimensions of life but rather something integral which shapes and is being shaped by all of these other realities The author examines these dynamics through an ethnographic case study of the living devotions of a group of Italian Catholic immigrants to San Pedro California The narrative describes how the group s historical experiences of immigration and fishing find expression in their particular forms of prayer art artifacts and food The healing and transformative power of these shared religious practices is explored As contemporary theologians pastors and congregations seek to welcome and care for immigrants and other strangers in a shifting social landscape we need ways to engage in care full and attentive relationships The ethnographic method employed here suggests a way to lift up the voices of ordinary people allowing them to tell their own stories while piecing together emerging bits of theological wisdom and compelling care practices While the particular insights of any community are situated and specific theological reflection in one context can animate a broader discussion of transformative pastoral theology and practice      *The One Year Shine Your Light Devotional* Chris Tiegreen,2021-11 Bring the light and hope of Christ into your home your community and your world Scripture calls us to be lights in the world brightening and warming the lives of those around us But it seems the world is becoming more and more closed off to the hope and promise of faith How do we live out the light of Christ showing His love to the people who need it most In *The One Year Shine Your Light Devotional* beloved author Chris Tiegreen provides inspiration and insight for cultivating a faith that begins deep inside and works its way out offering glimpses of God wherever we go Through each day s reading God will encourage you move you and use you in surprising ways to bless the people in your life with His wisdom power and love Originally published as *The One Year Salt and Light Devotional* this new deluxe LeatherLike edition is a beautiful and timeless collection of reflections that will help you live out your calling every day all year long      Letters to N. Wiseman, D.D. on the Errors of Romanism William Palmer,1849      **The Festival of Pirs** Afsar Mohammad,2013-10-10 Each year 300 000 pilgrims embark on a pilgrimage to the remote Indian village of Gugudu Like many villages in South India Gugudu is populated mostly by non Muslims Yet these pilgrims are coming to mark Muharram which is observed by Shi i Muslim communities across South Asia In this book Afsar Mohammad presents a lively ethnographic study of the textured religious life of Gugudu Muharram he shows takes on a strikingly different color in Gugudu because of the central place of a local Hindu pir or saint called Kullayappa This intense and shared devotion to the

pir Mohammad argues represents local Islam interacting with global Islam In the words of one devotee There is no Hindu or Muslim They all have one religion which is called Kullayappa devotion Through his compelling fieldwork Mohammad expands our ideas about devotion to the martyrs of Karbala not only in this particular village but also in the wider world and explores the intersection between an Islam with locally defined practices and global Hinduism **Abingdon Theological**

**Companion to the Lectionary** Paul Scott Wilson,2012-05-01 The point of the Revised Common Lectionary is to allow God's people to encounter the meaning of Scripture through the Word read and proclaimed Yet too many lectionary resources fail to help in that task In fact they often confront the preacher with a choice between poor options in depth commentary focused too heavily on the historical world of the text or shallow suggestions for life applications that have too little to do with the real world Christians are called to an engagement with the deep meaning of Scripture preachers are called to help them do that But where can they turn for resources that will make this possible The Abingdon Theological Companion to the Lectionary begins with the conviction that Scripture speaks first and foremost to Christians now Its message engages Christian belief and action in the present day While informed by the best in current biblical studies its commentary on the Scripture passages of the Revised Common Lectionary focuses on the questions of Christian life in the world that church members bring with them to worship Each entry is co written by a Theologian and a Homiletician and seeks to answer the essential questions what does this passage say about the Gospel How does it speak to my encounter with God in Christ and my calling as a Christian in the world This volume is conceived as a companion to biblical and lectionary resources that preachers regularly employ It showcases theological matters that arise out of both the biblical texts in the lectionary and the church seasons and special days This important resource will draw upon recent scholarship in various disciplines with a view to enriching the theological contribution of sermons in the years to come The result will be a volume that has broad ecumenical appeal and that preachers will want at their fingertips This volume is for The Revised Common Lectionary Year C

**Thecla's Devotion** JD McLarty,2018-08-30 Second century apocryphal Christian texts are Christian fiction they draw on the motifs of contemporary pagan stories of romance travel and adventure to entertain their readers but also to explore what it means to be Christian The Thecla episode in the Apocryphal Acts of Paul recounts the conversion of a young pagan woman her rejection of marriage her narrow escapes from martyrdom and the end of her story as an independent ascetic evangelist In Thecla's Devotion J D McLarty reads the Thecla episode against a paradigm pagan romance Callirhoe for both texts the passions are key to the unfolding of the plot how are unruly emotions to be managed and controlled The pagan would answer through reason This study uses the portrayal of emotion within character and plot to explore the response of the Thecla episode to this key question for Christian identity formation *A seventh letter to N.Wiseman, on the doctrine of indulgences* William Palmer,1842 *Manuscript Culture and Medieval Devotional Traditions* Jennifer N. Brown,Nicole R. Rice,2021 Essays exploring the great religious and devotional works of the Middle Ages in their manuscript and other

contexts      *Conflicts of Devotion* Daniel R. Gibbons, 2017-03-30 Who will mourn with me Who will break bread with me Who is my neighbor In the wake of the religious reformations of the sixteenth century such questions called for a new approach to the communal religious rituals and verses that shaped and commemorated many of the brightest and darkest moments of English life In England new forms of religious writing emerged out of a deeply fractured spiritual community *Conflicts of Devotion* reshapes our understanding of the role that poetry played in the reformation of English community and shows us that understanding both the poetics of liturgy and the liturgical character of poetry is essential to comprehending the deep shifts in English spiritual attitudes and practices that occurred during the sixteenth and seventeenth centuries The liturgical communitarian perspective of *Conflicts of Devotion* sheds new light on neglected texts and deepens our understanding of how major writers such as Edmund Spenser Robert Southwell and John Donne struggled to write their way out of the spiritual and social crises of the age of the Reformation It also sheds new light on the roles that poetry may play in negotiating and even overcoming religious conflict Attention to liturgical poetics allows us to see the broad spectrum of ways in which English poets forged new forms of spiritual community out of the very language of theological division This book will be of great interest to teachers and students of early modern poetry and of the various fields related to Reformation studies history politics and theology      *The Meaning of Marriage: A Couple's Devotional* Timothy Keller, Kathy Keller, 2019-11-05 From New York Times bestselling authors Timothy Keller and Kathy Keller comes a gorgeously packaged daily devotional that takes us on year long journey into discovering the meaning of marriage Marriage is the most profound human relationship there is Coming to know and love your spouse is one of the most rewarding and wondrous things we can experience in life But it is also one of the most difficult and painful In this 365 day devotional Timothy Keller and his wife of forty three years Kathy Keller share powerful instructions on how to have a successful marriage The Kellers draw from and expand upon lessons they first introduced in their book *The Meaning of Marriage* offering stories daily scriptures and prayer prompts that will inspire anyone who wants to know God and love more deeply in this life      *The One Year Wisdom for Women Devotional* Debby Bryson, 2022-12 We live in a foolish world with women making bad choices and suffering from the collateral damage of other s wrong choices *The One Year Wisdom for Women Devotional* based on the audio program of the same name was birthed out of the great need for women to hear how God addresses every single facet of their lives through the powerful and practical book of Proverbs For many the Proverbs are hard to study because the topics jump around from verse to verse *The One Year Wisdom for Women Devotional* is a practical tool that will help women in their daily walk with the Lord It is a great companion to the *One Year Bible* because it directly follows that book s daily Proverbs reading Each day not only follows the script of the *Wisdom for Women* audio program it also references the *One Year Bible* reading schedule and ends with a powerful call to action      **Female Devotion and Textile Imagery in Medieval English Literature** Anna McKay, 2024 Uncovers the female voices lived experiences and spiritual insights encoded by the imagery of textiles in the

Middle Ages For millennia women have spoken and read through cloth The literature and art of the Middle Ages are replete with images of women working cloth wielding spindles distaffs and needles or sitting at their looms Yet they have been little explored Drawing upon the burgeoning field of medieval textile studies as well as contemporary theories of gender materiality and eco criticism this study illustrates how textiles provide a hermeneutical alternative to the patriarchally dominated written word It puts forward the argument that women s devotion during this period was a fabricated phenomenon a mode of spirituality and religious exegesis expressed devised and practised through cloth Centred on four icons of female devotion Eve Mary St Veronica and of course Christ the book explores a broad range of narratives from across the rich tapestry of medieval English literature from the fields of Piers Plowman to the late medieval Morte D arthur the devotions of Margery Kempe to the visionary experiences of Julian of Norwich Gervase of Tilbury s fabulous Otia Imperialia to the anchoritic guidance literature of the Middle Ages and the innumerable and oft forgotten lives of Christ prayers legends and miracle tales in between      **The Musical Standard** ,1871
