**Resources in Education** ,2001      *Manson's Tropical Diseases*

*E-Book* Jeremy Farrar, Peter J. Hotez, Thomas Junghanss, Gagandeep Kang, David Lalloo, Nicholas J. White, Patricia J. Garcia, 2023-07-14 For 125 years physicians have relied on Manson's Tropical Diseases for a comprehensive clinical overview of this complex and fast changing field. The fully revised 24th Edition Dr Jeremy Farrar along with an internationally recognized editorial team, global contributors and expert authors delivers the latest coverage on parasitic and infectious diseases from around the world. From the difficult to diagnose to the difficult to treat, this highly readable award winning reference prepares you to effectively handle whatever your patients may have contracted. Covers all of tropical medicine in a comprehensive manner: general medicine in the tropics and non-clinical issues regarding public health and ethics. Serves as an indispensable resource for physicians who treat patients with tropical diseases and/or will be travelling to the tropics or who are teaching others in this area. Contains a new section on 21st Century Drivers of Tropical Medicine with chapters covering Poverty and Inequality, Public Health in Settings of Conflict and Political Instability, Climate Change and Medical Product Quality and Public Health. Includes all new chapters on Surgery in the Tropics, Yellow Fever, Systemic Mycoses and COVID-19. Covers key topics such as drug resistance, emerging and re-emerging infections such as Zika, Ebola and Chikungunya, novel diagnostics such as PCR based methods, point of care tests such as ultrasound, public health in settings of conflict and political instability and much more. Differentiates approaches for resource rich and resource poor areas. Includes reader friendly features such as highlighted key information, convenient boxes and tables, extensive cross referencing and clinical management diagrams.

Practical General Practice E-Book Adam Staten, Paul Staten, 2019-06-10 Practical General Practice is a highly practical manual specifically designed for use during the consultation process. Containing over 1000 conditions, the unique underlying structure of the book allows the GP to see immediately what treatment is recommended and why. All recommendations are highly specific, giving a firm guide to the GP during the consultation process rather than a list of possibilities that the GP might wish to consider. Bullet points for action which give the GP an immediate summary of the issues that must be covered in the consultation. Bullet points of the key evidence which justifies those recommendations. All chapters thoroughly revised to reflect changes in the evidence and in major guidelines since the last edition. NNT values provided when available. New editorial team. New research and guidelines relating to evidence based medicine included. Greater focus on international guidelines and opinion. New introductory chapter: Principles and Practice of Primary Care taking account of topics relevant to the MRCGP exam. Appendices thoroughly revised and updated. Many contributors new to this edition. New chapters on Ethics, Diabetes and Long term conditions. Extensively revised combined chapter on palliative care and end of life issues. Now with accompanying free e-book on Expert Consult for the first time. Now in full colour.
