Succeeding What It Takes:

What Success Takes Garrett Pierson, 2013-02 In the pages that follow you will read how I and many others have found success What I want you to realize is that you are the definer of success There is no true definition for everyone has his or her own perspective and insights on what success is in their life If somebody tries to give you the definition of success take it for what it is and realize that you are success Success comes from within Benjamin Disraeli said The secret of success is constancy of purpose Find that inner purpose and you will find your success Perhaps you have already found some success but there is more As you read this book I want you to ask yourself these questions In each chapter you will find that the questions align directly with the chapter title Throughout this book and throughout your life I want you to ask yourself these questions Now it is time to sit back and enjoy the show Remember I Triple Dog Dare you to be successful Today's Nursing Leader: Managing, Succeeding, Excelling Marilyn Klainberg, Kathleen M.
