**10 Successful Colombian Executives Working Abroad** Branwayn, Robert, 2014-04-07. 10 Successful Colombian executives Working Abroad gives us a portrait of how a group of Colombian executives was able to overcome language barriers and develop a convincing and fluid discourse which has allowed them to stand out and empower themselves in the global entrepreneurial arena. Entrepreneurs, intrapreneurs, high executives, and professionals alike need tools in order to dominate the interior voice which inhibits their free and assertive functioning in English. The content of this book brings us closer to successful experiences and models that we can all learn from. It shows us cases where the ability to express ideas in English has enabled these skilled executives to open the doors of excellence and achievement in their careers.

ICEBE 2024 Ernie Hendrawaty, Angga Febrian, Luthfi Firdaus, 2024-12-27. The 7th International Economics Business and Entrepreneurship Conference was held on September 4-5, 2024, in Shah Alam, Selangor, Malaysia, under the theme Artificial Intelligence Reshaping Industries and Market. This event brought together researchers, academics, and practitioners to explore the transformative impact of artificial intelligence on various industries and markets. The article selection process employed a rigorous double-blind review system to ensure the highest quality of papers. The conference contributed significantly to academia and society by enhancing participants' knowledge and skills in conducting quality research and community service. Attendees gained insights into publishing their research in reputable international journals and disseminated their findings to a broader audience. Additionally, the conference facilitated discussions on the latest research issues in economics and business, particularly the integration and impact of artificial intelligence, fostering a deeper understanding of AI's role in promoting sustainable development and driving market innovations.
