Successful Living God's Way Patricia E. Daye,2011-02-04 Discover the model for how to live a successful life in God You may be intrigued as I was to learn that the Proverbs 31 woman is also a description of the bride of Christ the church Her characteristics and attributes apply to all Christians male and female as we ourselves are the church our bodies the temple of the Holy Spirit Though historically only applied to women the Holy Spirit gives insight into this role as it applies to the entire church while she awaits the return of her bridegroom Our lives represent our investment of the gifts Christ left as evidence of his promised return Follow the model and wisely invest God created you for success **Gotta Minute? the Abc's of Successful Living** Tom Massey,2010 The book market is saturated with guides on how to live more successfully Many

The Science of Successful Living Raymond Charles Barker, 2014-08-01 Is successful living a science? Is it luck? Or is successful living a process that starts in your own mind? Dr. Barker writes The creative power in life is mind. That is its primary quality and its most basic function. The universe

is the result of a mathematical thinker thinking mathematically The universe is actually a mental system Its primary nature is the process of ideas becoming form Every fact in your world is also an idea in your mind To get new things in your world you must have new ideas in your consciousness Few people do enough abstract thinking to create new ideas in their minds The infiltration of new ideas in the mind is essential to healthy living You exist in an infinite Mind which offers you an ever expanding variety of ideas Ideas are seeking to be born in your mind The ideas to a successful life are there waiting your acknowledgement and direction to be expressed There s no luck involved First published in 1957 this updated edition provides a new look and contemporary voice to a prominent and respected New Thought Classic
