A celebration of deviance, vanity, sensual abandon, and the aesthetics of artifice. *Against Nature* brings us the nineteenth-century rebel Jean Des Esseintes: disaffected, degenerate, and art-obsessed. The last of a proud and noble family, Des Esseintes retreats from the world in disgust at bourgeois society and leads a life based on cultivation of the senses through art. He distills perfumes from the rarest oils and essences, creates a garden of poisonous flowers, sets gemstones in a tortoise's gold-painted shell, and plans to corrupt a street urchin until he is degraded enough to commit murder. Des Esseintes's groundbreaking aesthetic pilgrimage in *Against Nature* has served as the guidebook to decadence for more than a century, inspiring writers from Oscar Wilde to Michel Houellebecq. A pioneer whose early work took inspiration from Baudelaire and Zola, Joris Karl Huysmans was a founder of the nineteenth-century decadent movement. *Against Nature* has influenced countless writers and artists and enjoys a cult following to this day. This new translation by Theo Cuffe, with a foreword by Lucy Sante, captures the magnificence of Huysmans's famous style, filled with wit and irony, expressiveness and precision, erudition and sensuality. **I'M HAVING YOUR BABY?!** Linda Turner, 2011-07-15 The Lone Star Social Club Finally a father SHE NEEDED TO REMEMBER When Annie Taylor woke up in a handsome stranger's bed, she was appalled. When said stranger claimed to be her husband, she was amazed. But the biggest surprise was yet to come. BUT DID HE WANT HER TO FORGET? Workaholic Joe Taylor was thrilled when his wayward wife returned to him and pregnant, no less. Until he realized that Annie had no idea how she got that way, and joy quickly turned to shock. What a way to find out he was about to become a father or was he? The Lone Star Social Club You may walk in alone, but you won't leave that way. **Bakana Flare** Michael Rogers, 2016-10-10 In the fourth emotional installment, our heroes encounter the delightful cameo appearances of The Rostical Users. After discovering the creature's new transformation, the guild is thrown into a fight of their lives. Fortunately, with the power of light, our heroes survive at a significant cost. With the world continuing its decay, Arcadia forces Ginger Susanoo, the master of four elements, and her trusty shurikens to join the guild in their adventures. Clues start to fall into place as we find out what is happening with this yellow-eyed disease, the corrupted Neurons, and the planet's Aurorions. But with everything set in motion, it may be too late for the guild to act on it. Rachael Nathan, Karol Luna, Ginger Champion, Lezard, and Blake slowly start to find out that their little adventure is much greater than they originally expected. Find out how their actions determine the planet's survival. *Christmas Magic: A Collection of Heartwarming Stories* Genalin Jimenez, In this enchanting collection of Christmas tales, readers are transported to a world where the holiday spirit brings magic and miracles to those who need it most.
