Twin Dilemmas Barbara Klein,2017-06-26 The development of how twins relate to each other and their single partners is explored through life stories and clinical examples in this telling study of twin interconnections While the quality of a nurturing family life is crucial Dr Klein has found there are often issues with separation anxiety loneliness competition with each other and finding friendships outside of twinship When twin lives are entwined because of inadequate parenting and estrangement twin loss is possible and traumatic creating a crippling fear of expansiveness an inability to be yourself Therapists and twins seeking an understanding of twin relationships will find this clinically compelling book a valuable resource Part Two Elspeth Kate O'Hearn,2011-07-07 One day a young girl astride a twin tailed dragon will destroy the monarchy and change the world for ever Kira and Elspeth have already broken FIRST LAW many times over Now outlawed and running for their lives they are determined to stand amongst the men and fight the unjust FIRST LAW that binds the kingdom But cruel Lord Dorcon still stands in their way and the heat of his chase is stronger than ever Strong and determined Kira has done all that she can to protect and shield her younger sister But now it s time for Elspeth to grow up When Paradox s muddled magic sends them travelling through time to different eras new challenges and terrifying threats await the separated sisters Especially to Elspeth left all alone to navigate a past world long before the rule of King Ardon and FIRST LAW And all the while in a strange alien world of the future Kira must find a way to get back to Elspeth and reunite her family once again A prophecy to fulfil A cruel monarchy to upend The battle continues Somber Town Michael Sanchez,2020-11-13 When I was growing up in New Jersey at about eight or nine years old I use to watch World War I and World War II history documentaries on the PBS channel and would try to write down everything that the narrator was saying

in a composition book I enjoyed doing that and did it for about a year but I soon moved on to other things that kids at that age enjoyed Little did I know at that time that many years later I would write and publish my first book titled Vine Street I guess that the skill was always in me I just didn't know it I was always fascinated with the movies from Hammer Film Productions Alfred Hitchcock and Stephen King but one day I saw a movie that inspired me directed by John Carpenter That movie was Halloween So I came up with an idea for my first book but it took another 35 years to get it started I guess it's never too late and finally finished it It has now been two years since my first book was published and I am excited about my newest creation titled Sombre Town All small towns have secrets and this one is no different but with a little twist The genre I chose is suspense thriller and a little horror in between but hopefully the readers will enjoy it **Alpha Twin's Rogue**
