Daddy's Little Girl A. E. Duffy, 2012-07-03 Sarah is a survivor of child abuse She is determined to protect her younger sister **Saturday Nights with Daddy at the Opry** Libby Leverett-Crew, 2023-03-21 The daughter of the Grand Ole Opry's official photographer reminisces about witnessing country music history alongside her father in this memoir Like many little girls Libby Leverett Crew's father Les Leverett often had to work nights and weekends But unlike many girls Libby's father took her along to his job where he was the official photographer for the Grand Ole Opry for more than thirty years First at the historic Ryman Auditorium and later at the Grand Ole Opry House Libby Leverett Crew was a witness to country music history And now some forty years later she pays tribute to the wonderful people who touched the lives of her entire family while at the same time hearing witness to the powerful impact a loving father can have on his child's life In Saturday Nights with Daddy at the Opry Libby Leverett Crew shares not only her remarkable memories of those Saturday nights with Dolly Parton Minnie Pearl Roy Acuff Bill Monroe and countless others including assorted Muppets astronauts ballet dancers actors Andy Warhol and kd lang but also a beautiful father daughter relationship The book also includes more than 100 photographs from her father Praise for Saturday Nights with Daddy at the Opry Les Leverett has added so much class and talent to our world I'm not surprised that his daughter Libby has done this book Yeah Libby good for you I'm proud to have baby sat you from time to time backstage You were always a joy Dolly Parton There's an old song I Was There When It Happened So I Guess I Oughta Know That's Libby's story inside the world of country music I knew her first as Les Leverett's kid It must be in the water at their house because she's come into her own as a masterful photographer She also wields a pen that has a detailed memory for great storytelling Marty Stuart *Joleen* Ed Bach, 2018-04-14 After a ten year absence Ed Bach author of the controversial collection of short stories So Long Charlie delivers his latest and most complex novel to date Joleen Bach's latest work is an unsentimental look at two people struggling to make sense of the world the beautiful but

mentally unbalanced Joleen Simmons and her clinging colorless husband Hush Simmons Entering high school Joleen becomes an immediate sensation She is sweet charming and very beautiful But that sweet high school introduction abruptly ends when a lurid side of Joleen reveals itself and she is abruptly snubbed by her many friends In college Joleen joins a well respected theatrical group where her natural gifts bring immediate success She quickly maneuvers to the top only to blow it when she is given the lead in the schools featured play and is laughed from the stage Rejected she takes a job she hates She becomes restless and marries a man she will soon regret She torments her daughter yet confides in a sister who continually betrays her She bullies her mother yet adores a womanizing drunken father She performs whorishly in bed with a husband she refuses to kiss Reminiscent of April Wheeler in Richard Yates Revolutionary Road Joleen Simmons is a woman thrust into a life she neither wants nor accepts No one can say for certain if Joleen is a complete nut case mentally unbalanced crazy or simply someone so broken by the events of her past that she unashamedly torments and manipulates her way through life And what of Hush Simmons the fawning high school friend Joleen marries divorces then quickly lures back into bed Is it her natural beauty that drives him to the limits of his own sanity Her superior upbringing Her familys wealth Or is it Joleens raunchy behavior that steals his personal identity and turns him into a man he no longer recognizes someone so corrupted by his wifes physical aggression that he loses sight of who he is and what he has become a murderer From the author of So Long Charlie Bach delivers an existential examination into the lives of two people at war with each other and themselves a couple so riddled with childhood memories that their present actions only serve to drive them further and further apart Bach offers no answers to lifes greater mysteries Instead he brings to mind questions the reader may wonder about for years While the story and its many characters are fictionalized the storys central plot is real *Charlotte the Pup* J Christian, 2022-05-05

with *No Reservations* **My Birth was not Destiny** Whitman T. Browne,2024-10-16 For people who were poor black and
from the working class growing up in a British Caribbean colony during the 1900s was a very difficult experience However
from about the 1930s enlightenment ideological challenges and change were finding sound footing in the area more than
ever before During that time British control and exploitation of the islands were being disrupted and challenged aggressively
by labor unionists and Pan Africanists Further by the mid 1900s the British interest in and their ability to manage the islands
successfully were failing At that time there was the disruptive political thrust from local labor unionists for changes in the
islands story That emerging new leadership saw and promoted education as a necessary path to the future for working class
people in the islands After the author learned to read having been encouraged by an older sister he read widely from the
books available and his life began to experience transformation The author noted that his love for reading plus a growing
exposure to education initiated the change and inspiration beyond the limiting society and thinking into which he was born In
time Whitman s academic push helped him to become an educator mountain climber long distance swimmer photographer
and more In all the changes which have come to the islands of St Kitts and Nevis he sees the local leaders push against the
evils of British colonialism In time there was enlightenment and growth from education also through the love and inspiration
of God Those were major forces which contributed to the reformation now seen in lives and around the islands In this book
My Birth Was Not Destiny the author looks back at his life in Nevis and beyond He attributes his successes to focused
struggles the illuminating power of education and God s continuing intent to intervene in human lives always for good Dr
Browne also expresses a truth that his children students the community and the wider world as a result of education and

careful academic concentration can in time learn grow have their own sense of a transformative experience as their lives become inspired and refashioned Over time they too will reach toward the future intending to leave special markings on the sands of their time
