*Encountering Jesus, Encountering Scripture* David Crump, 2013-05-26 Personal experiential faith is seldom given a seat at the table of academic theology and biblical studies David Crump however with the assistance of Sren Kierkegaard s religious philosophy claims that authentic understanding and thus authentic Christian commitment can only arise from the personal commitment that is faith Examining the various biblical historical cultural theological and academic hurdles demanding a truly Kierkegaardian leap of faith before one can meet the resurrected Jesus Crump s *Encountering Jesus Encountering Scripture* provides a very insightful discussion of key New Testament texts and issues revealing how Truth is discovered only through the subjectivity of faith

*Encountering Ancient Voices* Corrine L. Carvalho, 2006 Designed to get students to read the Bible for themselves this introduction to and overview of the Old Testament draws on the most recent research on the Hebrew scriptures to outline the historical social and cultural contexts out of which the biblical texts were produced From publisher description

[The Jewish-Christian Encounter in Medieval Preaching](#) Jonathan Adams, Jussi Hanska, 2014-10-03 This book explores the complexity of preaching as a phenomenon in the medieval Jewish Christian encounter This was not only an encounter as physical meeting or confrontation such as the forced attendance of Jews at Christian sermons that took place across Europe but also an

imaginary or theological encounter in which Jews remained a figure from a distant constructed time and place who served only to underline and verify Christian teachings Contributors also explore the Jewish response to Christian anti Jewish preaching in their own preaching and religious instruction Religious Books and Serials in Print ,1982 *Religious Books and Serials in Print, 1980-1981* ,1980 Encountering the Bible Andrew Village,2016-06-30 The Learning Church series offers a range of brief and accessible introductions to the key themes of Christian discipleship and theology What do Christians believe the Bible to be and what are the consequences of these beliefs For many people tackling the Bible is rather like sorting the attic lots of obscure and long forgotten paraphernalia a certain amount of untidiness and mess but perhaps some hidden gems Seeking to ask the questions which ordinary people might ask about the relevance of the Bible for today s Church this book aims to equip those who want to find ways of making it more useful and to help them explore with openness and honesty the difficulties of trying to use an ancient text as a guide for contemporary faith The Suffering Servant Bernd Janowski,Peter Stuhlmacher,2004 The Servant Song of Isaiah 53 has been highly significant in both Jewish and Christian thought Rarely however has it been explored from the broad range of perspectives represented in this long awaited volume In The Suffering Servant ten talented biblical interpreters trace the influence of the Servant Song text through the centuries unpacking the theological meanings of this rich passage of scripture and its uses in various religious contexts Chapters examine in depth Isaiah 52 13 53 12 in the Hebrew original and in later writings including pre Christian Jewish literature the New Testament the Isaiah Targum the early church fathers and a sixteenth century rabbinic document informed by Jewish Christian dialogue Contributors Jostein A. shape of religious thought In his provocative book the author shows how key Jewish theologians faced the memory of Auschwitz by rejecting traditional theodicy abandoning any attempt to justify and vindicate the relationship between God and catastrophic suffering The author terms this rejection Antitheodicy the refusal to accept that relationship It finds voice in the writings of three particular theologians Richard Rubenstein Eliezer Berkovits and Emil Fackenheim This book is the first to bring postmodern philosophical and literary approaches into conversation with post Holocaust Jewish thought Drawing on the work of Mieke Bal Harold Bloom Jacques Derrida Umberto Eco Michel Foucault and others Braiterman assesses how Jewish intellectuals reinterpret Bible and Midrash to re create religious thought for the age after Auschwitz In this process he provides a model for reconstructing Jewish life and philosophy in the wake of the Holocaust His work contributes to the postmodern turn in contemporary Jewish studies and today s creative theology **Subject Guide to Books in Print**, 1997
