The Struggle for Female

Suffrage in Europe, 2012-06-07 Whilst scholarship on women's suffrage usually focuses on a few emblematic countries *The Struggle for Female Suffrage in Europe* casts a comparative look at the articulation of women's suffrage rights in the countries that now make up the political unity in the making we call the European Union The book uncovers the dynamics that were at play in the recognition of male and female suffrage rights and in the definition of male and female citizenship in modern Europe It allows readers to identify differences and commonalities in the histories of women's disenfranchisement and sheds light on the role suffrage has played in the construction of female citizenship in European countries It provides the background against which a new European paradigm of parity democracy is gradually asserting itself

The British Women's Suffrage Campaign June Purvis, June Hannam, 2020-12-30 This book brings together twelve chapters from feminist historians from around the world to offer new perspectives on aspects of the campaign for women's suffrage in Britain Although the focus is on Britain this volume signals how the women's suffrage campaign in Britain embraced both national and global aspects The historical developments and structures that affected women's lives and suffrage struggles were not limited to national contexts Early chapters focus on particular individuals both well and lesser known including Millicent Garrett Fawcett and Emmeline Pankhurst as well as Elizabeth Wolstenholme Elmy Princess Sophia Duleep Singh Lady Isabel Margesson and Isabella Ford Later chapters highlight the interrelationship between the British movement and suffrage campaigns across the globe with reference to Austria Japan New Zealand Australia and the USA The chapters deal with issues around strategies social class employment religion nationalism empire and race and explore complex issues about women's roles in campaigning for their democratic right to the parliamentary vote Offering the reader a broad view of the British women's suffrage movement this is the ideal volume for students of women's and political history in both its national and international contexts

Women's Activism in Twentieth-Century Britain Paula Bartley, 2022-04-01 This book serves as an introduction to the extraordinary diversity of women's activism Paula Bartley's original research is supported by a range of writing to provide a powerful impression of the actions taken by groups of women from across the social and political spectrum making the book invaluable to both students and interested readers These women set out to make a difference to their locality their country and sometimes the world The story of women's activism embodies stimulating accounts of progress and reversals of commitment and uncertainty of competing rights and challenging wrongs The story of women's activism is not tidy or well ordered It is messy and unorthodox And full of surprises

"Women and Things, 1750-1950" Maureen Daly Goggin, 2017-07-05 In contrast to much current scholarship on women and material culture which focuses primarily on women as consumers this essay collection provides case studies of women who produced material objects The essays collected here make an original contribution to material culture studies by focusing on women's social practices in relation to material culture The essays as a whole are concerned with women's complex and active engagement with material culture in the various stages of the material object's life cycle from design and production to consumption use and

redemption Also theorized and described are the ways in which women engaged in meaning making identity formation and commemoration through their manipulation of materials and techniques ranging from taxidermy and shell work to collecting autographs and making scrapbooks This volume takes as its object of investigation the overlooked and often despised categories of women s decorative and craft activities as sites of important cultural and social work This volume is interdisciplinary with essays by art historians social historians literary critics rhetoricians and museum curators The scope of the volume is international with essays on eighteenth century German silhouettes Australian aboriginal ritual practices Brittany mourning rites and Soviet era recipes that provide a comparative framework for the majority of essays which focus on British and North American women who lived and worked in the long nineteenth century This volume will appeal to a broad range of students and scholars in women s history art history cultural studies museum studies anthropology cultural and social history literature rhetoric and material culture studies

The Great War Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States

The Visual Culture of Women's Activism in London, Paris and Beyond Colleen Denney, 2018-07-19 Women s bodies and their portrayals in the media remain at the center of every debate on women s rights worldwide This study examines the domains of public and private space and the interstices between them with a focus on how women advance in the public arena drawing on the domestic politics of the private realm in their drive for social justice and equality The author examines the visual culture of first wave feminists in Edwardian England and feminist developments in France Late 20th century and 21st century women s movements are discussed in the context of how they continue to honor first wave suffrage history

May Sinclair Michele K. Troy, 2016-12-05 May Sinclair was a central figure in the modernist movement whose contribution has long been underacknowledged A woman of both modern and Victorian impulses a popular novelist who also embraced modernist narrative techniques Sinclair embodied the contradictions of her era The contributors to this collection the first on Sinclair s career and writings examine these contradictions tracing their evolution over the span of Sinclair s professional life as they provide insights into Sinclair s complex and enigmatic texts In doing so they engage with the cultural and literary phenomena Sinclair herself critiqued and influenced the evolving literary marketplace changing sexual and

social mores developments in the fields of psychology the women s suffrage movement and World War I Sinclair not only had her finger on the pulse of the intellectual and social challenges of her time but also she was connected through her writing with authors located in diverse regions of literary modernism s social web including James Joyce Ezra Pound Ford Madox Ford Charlotte Mew and Dorothy Richardson The volume is a crucial contribution to our understanding of the political social and literary currents of the modernist period

Women art workers and the Arts and Crafts movement Zoë

Thomas,2020-05-15 This book constitutes the first comprehensive history of the network of women who worked at the heart of the English Arts and Crafts movement from the 1870s to the 1930s Challenging the long standing assumption that the Arts and Crafts simply revolved around celebrated male designers like William Morris it instead offers a new social and cultural account of the movement which simultaneously reveals the breadth of the imprint of women art workers upon the making of modern society Thomas provides unprecedented insight into how women navigated authoritative roles as art workers by asserting expertise across a range of interconnected cultures from the artistic to the professional intellectual entrepreneurial and domestic Through examination of newly discovered institutional archives and private papers Thomas elucidates the critical importance of the spaces around which women conceptualised alternative creative and professional lifestyles

Reconsidering Catholic Lay Womanhood Kathryn G. Lamontagne,2023-07-26 This book offers a new perspective on the often overlooked lives of lay women in the English Roman Catholic Church It explores how over a century ago in England some exceptional Catholic lay women Margaret Fletcher Maude Petre Radclyffe Hall and Mabel Batten negotiated non traditional family lives and were actively practicing their faith while not adhering to perceived structures of femininity power and sexuality Focusing on c 1880 1930 a time of dynamism and change in both England and the Church these remarkable women represent a rethinking of what it meant to be a lay women in the English Roman Catholic Church Their pious transgressions demonstrate the multiplicity of ways lay women powerfully asserted aspects of their faith while contravening boundaries traditionally assumed for them in an ostensibly patriarchal religion In fact the Church could be a place for expressions of unconventional religiosity and reinterpretations of womanhood and domesticity Connecting together the lives of these women for the first time this work fills a lacuna in the scholarship of modern Catholic and gender history Drawing from private collections and numerous archives it illustrates the surprising range of modes of Lived Catholicism and devotion to faith Students and scholars of Catholicism gender and LGBTQIA studies will find significant merit in a book that assigns lay women a more prominent role in the English Catholic Church and offers examples of the flexibility of Roman Catholicism

Connecting Women's Histories Barbara Bush,June Purvis,2018-10-19 Reflecting upon the diverse aspects of the entangled histories of women across the world mainly but not exclusively during the twentieth century this book explores the range of ways in which women s history international history transnational history and imperial and global histories are interwoven Contributors cover a diverse range of topics including the work of British women s activist networks in defence of

and opposition to empire the Society for the Overseas Settlement of British Women suffrage networks in Britain and South Africa white Zimbabwean women and belonging in the diaspora migrant female workers as traditional agents in Tasmania Indian coolie women's lives in British Malaya Irish female medical missionary work emigration to North America from Irish women's convict prisons the Women's Party of Great Britain 1917-1919 the national and international in the making of the Finnish feminist Alexandra Gripenberg and the relationship between the World Congress of Mothers and the Japan Mothers Congress This book was originally published as a special issue of the Women's History Review *Feminist Periodicals and Daily Life* Barbara Green, 2017-10-03 This volume uncovers the ideas concerning everyday life circulating in the burgeoning feminist periodical culture of Britain in the early twentieth century Barbara Green explores the ways in which the feminist press used its correspondence columns women's pages fashion columns and short fictions to display the quiet hum of everyday life that provided the backdrop to the more dramatic events of feminist activism such as street marches or protests Positioning itself at the interface of periodical studies and everyday life studies *Feminist Periodicals and Daily Life* illuminates the more elusive aspects of the periodical archive through a study of those periodical forms that are particularly well suited to conveying the mundane Feminist journalists such as Rebecca West Teresa Billington Greig E M Delafield and Emmeline Pethick Lawrence provided new ways of conceptualizing the significance of domestic life and imagining new possibilities for daily routines p *The Oxford Handbook of Gender, War, and the Western World Since 1600* Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women's wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations
